Margaret Ebner, Major Works Margaret Ebner, 1993 The most in depth and scholarly panorama of Western spirituality ever attempted In one series the original writings of the universally acknowledged teachers of the Catholic Protestant Eastern Orthodox Jewish Islamic and Native American traditions have been critically selected translated and introduced by internationally recognized scholars and spiritual leaders The texts are first rate and the introductions are informative and reliable The books will be a welcome addition to the bookshelf of every literate religious persons The Christian Century

The Oxford Handbook of Medieval Christianity John Arnold, 2014 The Oxford Handbook of Medieval Christianity takes as its subject the beliefs practices and institutions of the Christian Church between 400 and 1500AD It addresses topics ranging from early medieval monasticism to late medieval mysticism from the material wealth of the Church to the spiritual exercises through which certain believers might attempt to improve their souls Each chapter tells a story but seeks also to ask how and why Christianity took particular forms at particular moments in history paying attention to both the spiritual and otherworldly aspects of religion and the material and political contexts in which they were often embedded This Handbook is a landmark academic collection that presents cutting edge interpretive perspectives on medieval religion for a wide academic audience drawing together thirty key scholars in the field from the United States the UK and Europe Notably the Handbook is arranged thematically and focusses on an analytical rather than narrative approach seeking to demonstrate the variety change and complexity of religion throughout this long period and the numerous different ways in which modern scholarship can approach it While providing a very wide ranging view of the subject it also offers an important agenda for further study in the field

The Censored Pulpit Donyelle C. McCray, 2019-10-16 Few have consoled the church as ably as the fourteenth century mystic Julian of Norwich However her prophetic gifts have received little scholarly attention Drawing on contemporary homiletical theory and the history of Christian spirituality Donyelle C McCray presents Julian as a preacher examining the apostolic dimensions of Julian's vocation as an anchoress and highlighting the steps she took to align herself with renowned preachers like Saint Cecelia Mary Magdalene and the apostle Paul Like Paul Julian saw Jesus body as her primary text placed human weakness at the center of her theology and used her own confined body as a rhetorical tool Yet she navigated a web of censorship that threatened to silence her To voice her convictions Julian developed a novel approach to authority and exploited the fluidity of the medieval English sermon genre McCray charts this process revealing Julian as a central personality in the history of preaching whose best contemporary parallels operate outside the pulpit in august figures like retreat leader Evelyn Underhill gospel singer Mother Willie Mae Ford Smith and street preacher Reverend Billy

The Mystical Presence of Christ Richard Kieckhefer, 2022-09-15 The Mystical Presence of Christ investigates the connections between exceptional experiences of Christ's presence and ordinary devotion to Christ in the late medieval West Unsettling the notion that experiences of seeing Christ's figure or hearing Christ speak are simply exceptional events that happen at

singular moments Richard Kieckhefer reveals the entanglements between these experiences and those that occur through the imagery language and rituals of ordinary everyday devotional culture Kieckhefer begins his book by reconsidering the who and the how of Christ's mystical presence He argues that Christ's humanity and divinity were equally important preconditions for encounters both exceptional and ordinary which Kieckhefer proposes as existing on a spectrum of experience that moves from presupposition to intuition and finally to perception Kieckhefer then examines various contexts of Christ manifestations during prayer meditation and liturgy for example with attention to gender dynamics and the relationship between saintly individuals and their hagiographers Through penetrating discussions of a diverse set of texts and figures across the long fourteenth century Angela of Foligno the nuns of Helfta Margery Kempe Dorothea of Montau Meister Eckhart Henry Suso and Walter Hilton among others Kieckhefer shows that seemingly exceptional manifestations of Christ were also embedded in ordinary religious experience Wide ranging in scope and groundbreaking in methodology *The Mystical Presence of Christ* is a magisterial work that rethinks the interplay between the exceptional and the ordinary in the workings of late medieval religion

Medieval Women on Sin and Salvation Mary Lou Shea, 2010 Hadewijch of Antwerp c 1200 1240 Beatrice of Nazareth 1200 1268 Margaret Ebner 1291 1351 and Julian of Norwich 1343 1416 19 are best known for their mystical experiences and literary styles *Medieval Women on Sin and Salvation* explores the reality that these women understood their encounters in primarily theological categories It is well documented that Anselm of Canterbury's 1098 *Cur Deus Homo* was quickly and widely adopted by late medieval religious men Given the deeply relational somewhat unconventional yet clearly orthodox interpretations of Anselm's theory expressed by Hadewijch Beatrice Margaret and Julian it would seem that nuns beguines and devout lay women were compelled by the same understanding of Atonement as the priests monks brothers and lay men of the era Unable to offer academic theological treatises given the constraints of their age these women managed to convey through their writings profoundly theological insights into the crucial Christian concepts of the natures of soul and sin the Fall and the Incarnation and its benefits both for God and for humanity This book offers valuable new insights and is suitable for upper division undergraduate classes and graduate courses in the history of Christianity Medieval Christianity theology spirituality and women's studies

Mystics of the Christian Tradition Steven Fanning, 2005-06-29 From divine visions to self tortures some strange mystical experiences have shaped the Christian tradition as we know it Full of colourful detail *Mystics of the Christian Tradition* examines the mystical experiences that have determined the history of Christianity over two thousand years and reveals the often sexual nature of these encounters with the divine In this fascinating account Fanning reveals how God's direct revelation to St Francis of Assisi led to his living with lepers and kissing their sores and describes the mystical life of Margery Kempe who took weeping to new decibel levels Through presenting the lives of almost a hundred mystics this broad survey invites us to consider what it means to be a mystic and to explore how people such as Joan of Arc had their lives determined by divine visions *Mystics of the Christian*

Tradition is a comprehensive guide to discovering what mysticism means and who the mystics of the Christian tradition actually were

Imagery, Spirituality and Ideology in Baroque Spain and Latin America Marta Bustillo, Jeremy Roe, 2010-02-19 This volume offers a series of essays that explore the significance of visual imagery as a medium for the representation of spiritual and ideological concerns by the Catholic Church in the Spanish Habsburg Empire Each of these essays provides a valuable contribution to established areas of research such as Velázquez studies St Teresa of Avila as spiritual exemplar for the Counter Reformation in Spain the iconography of St Francis of Assisi or the evolution of Peruvian Christian iconography A valuable contribution of all these essays is their discussion of new visual and textual sources which are revealing of the diverse modes of representation developed by the Church to Delight Move and Instruct the many and diverse spectators of its artistic message Together these essays provide a range of critical perspectives on the complex cultural political and spiritual context that shaped the evolution of Religious Art in cities as distant as Cuzco and Madrid

Voices Long Silenced Joy A. Schroeder, Marion Ann Taylor, 2022-02-15 Hundreds of women studied and interpreted the Bible between the years 100 2000 CE but their stories have remained largely untold In this book Schroeder and Taylor introduce readers to the notable contributions of female commentators through the centuries They unearth fascinating accounts of Jewish and Christian women from diverse communities rabbinic experts nuns mothers mystics preachers teachers suffragists and household managers who interpreted Scripture through their writings This book recounts the struggles and achievements of women who gained access to education and biblical texts It tells the story of how their interpretive writings were preserved or all too often lost It also explores how in many cases women interpreted Scripture differently from the men of their times Consequently *Voices Long Silenced* makes an important new contribution to biblical reception history This book focuses on women's written words and briefly comments on women's interpretation in media such as music visual arts and textile arts It includes short representative excerpts from diverse women's own writings that demonstrate noteworthy engagement with Scripture *Voices Long Silenced* calls on scholars and religious communities to recognize the contributions of women past and present who interpreted Scripture preached taught and exercised a wide variety of ministries in churches and synagogues

Women in Western Intellectual Culture, 600-1500 P. Ranft, 2003-01-03 Western intellectual tradition has long been viewed as an exclusive male bastion but *Women in Western Intellectual Culture 600 1500* proves that this thesis is no longer tenable By identifying and analyzing the intellectual writings and activities of women throughout the centuries this study the first of two volumes documents a level of participation in intellectual matters that will surprise many readers The quality and quantity of these contributions show that women's voices deserve more attention in intellectual history

Faith in the Great Physician Heather D. Curtis, 2007-11-30 This history of evangelical faith healing in nineteenth century America examines the nation's shifting attitudes about sickness suffering and health *Faith in the Great Physician* tells the story of how participants in the divine healing movement transformed the ways Americans

coped with physical affliction and pursued bodily wellbeing Heather D Curtis offers critical reflection on the theological cultural and social forces that come into play when one questions the purpose of suffering and the possibility of healing Belief in divine healing ran counter to a deep seated Christian ethic that linked physical suffering with spiritual holiness By engaging in devotional disciplines and participating in social reform efforts proponents of faith cure embraced a model of spiritual experience that endorsed active service rather than passive endurance as the proper Christian response to illness and pain Emphasizing the centrality of religious practices to the enterprise of divine healing Curtis sheds light on the relationship among Christian faith medical science and the changing meanings of suffering and healing in American culture Recipient of the Frank S and Elizabeth D Brewer Prize of the American Society of Church History for 2007 [Touching, Devotional Practices, and Visionary Experience in the Late Middle Ages](#) David Carrillo-Rangel, Delfi I. Nieto-Isabel, Pablo Acosta-García, 2019-12-16 This book addresses the history of the senses in relation to affective piety and its role in devotional practices in the late Middle Ages focusing on the sense of touch It argues that only by deeply analysing this specific context of perception can the full significance of sensory religious experience in the Late Middle Ages be understood Considering the centrality of the body to medieval society and Christianity this collection explores a range of devotional practices mainly relating to the Passion of Christ and features manuscripts works of devotional literature art woodcuts and judicial records It brings together a multidisciplinary group of scholars to offer a variety of methodological approaches in order to understand how touch was encoded evoked and purposefully used The book further considers how touch was related to the medieval theory of perception examining its relation to the inner and outer senses through the eyes of visionaries mystics theologians and confessors not only as praxis but from different theoretical points of view While considered the most basic of spiritual experience the chapters in this book highlight the all pervasive presence of touch and the significance of affective piety to Late Medieval Christians Chapter 3 Drama Performance and Touch in the Medieval Convent and Beyond is Open Access under a CC BY 4.0 license at link.springer.com **Is It a Sermon?** Donyelle C. McCray, 2024-10-08 Is It a Sermon is an informative and daring call to blur the boundaries of the sermon genre exploring the shoreline of homiletics or the place where preaching laps up against other modes of discourse In this book Donyelle McCray explores how preaching merges with prayer song performance and activism the gospel dancing in and out of the forms we create for it Consider the sermonic performance of Isaiah walking naked and barefoot for three years the deaconess whose morning prayer rhythmically flows into sermon or the gospel soloist who pauses in her song to tell a story or break into a sermonette McCray is interested in the possibilities that emerge when we play at the shoreline and she questions what modes of preaching get overlooked due to genre classifications She seeks to discover what we might learn from these shoreline preachers about bearing witness enacting Scripture and listening to life While these questions could be explored generally McCray focuses on African American preachers who play at the boundaries of the sermon genre with attention to how genre fluidity provides a means of

drawing on ancestral wisdom Key figures like Mahalia Jackson Harriet Powers Rosie Lee Tomkins Thea Bowman Howard Thurman and Toni Morrison are examined as artists activists and proclaimers She shines a new light on their work and points out how they reform preacherly identities and refuse traditional patterns of holding authority Ultimately in blurring the boundaries of sermon genre this book offers readers strategies for embracing their voices more fully within and beyond the pulpit

Spirituality in John's Gospel Gabriel-Mary Fiore, 2023-11-30 The Fourth Gospel has been known as the spiritual gospel since the second century but only recently have biblical scholars attempted to express the unique spirituality found in that sacred text Surprisingly no consensus has emerged even after a century of research Thus while John's Gospel is widely admired as a vibrant source of Christian piety the distinct features of its spirituality remain unclear Fr Fiore addresses this problem from the fresh perspective of spiritual theology Capitalizing on a century of Johannine biblical scholarship he uses the interdisciplinary methods of spiritual theology to bring new data to the study of the Gospel and solutions to many lingering questions How did ancient readers understand what scholars now refer to as the Gospel's spirituality How does that ecclesial reading compare to the analysis of modern critical exegesis What makes Johannine spirituality special among other forms of Christian piety How does the question of the Gospel's authorship impact our understanding of its spirituality Does the Gospel contain what we now call mysticism In what ways is John's spirituality still relevant for Christians today Students of Christian spirituality and Johannine exegesis alike will find here stimulating historical and theological analysis of the Gospel's spirituality

A Place for Jesus Scott P. Mages, 2020-07-08 Hope is an endangered virtue in today's chaotic world Yet Christmas provides us with the inspiring reminder that our true hope lies not in the understanding that people can sometimes be good but that God who is good is also faithful and loves us in our unloveliness and graces us in our gracelessness In a unique guide for Christian travelers Scott Mages marries the fascinating story of the figures that surround the infant Jesus in that inescapable seasonal tableau of shepherds and wise men as told through the bible folk tales and art with reflections on the enduring meanings of each While addressing Christian curiosities like why so many manger scenes display Joseph with staff and lantern and where in the scripture we can find the ox and ass who preceded Mary in artists renditions Mages leads others through the history of the figures of the crèche and their lessons while offering a spiritual preparation for Christmas Shared for the curious and pious lovers of odd facts and forgotten legends and seekers of more than the glitz that often passes for Christmas A Place for Jesus guides Christians on an inspiring journey to learn and understand the lessons surrounding the figures of the crèche

Jan Hus Thomas A. Fudge, 2017-01-27 A century before Martin Luther and the Reformation Jan Hus confronted the official Church and helped to change the face of medieval Europe A key figure in the history of Europe and Christianity and a catalyst for religious reform and social revolution Jan Hus was poised between tradition and innovation Taking a stand against the perceived corruption of the Church his continued defiance led to his excommunication and he was ultimately burned at the stake in 1415 What role did he play in shaping

Medieval Europe And what is his legacy for today In this important and timely book Thomas A Fudge explores Jan Hus the man his work and his legacy Beginning his career at Prague University this brilliant Bohemian preacher was soon catapulted by virtue of his radical and popular theology to the forefront of European affairs This book fills a real gap in contemporary understanding of the medieval Church and offers an accessible and authoritative account of a most significant individual and his role in history Jan Hus belongs to the pantheon of extraordinary figures from medieval religious history His story is one of triumph and tragedy in a time of chaos and change **Medieval Futurity** Will Rogers, Christopher Michael

Roman, 2020-11-09 This collection of essays asks contributors to take the capaciousness of the word queer to heart in order to think about what medieval queers would have looked like and how they may have existed on the margins and borders of dominant normative sexuality and desire The contributors work with recent trends in queer medieval studies blending together modern concepts of sexuality and desire with the queer configurations of eroticism desire and materiality as they might have existed for medieval audiences The Concept of Woman Prudence Allen, 2006-01-26

The culmination of a lifetime's scholarly work this study by Sister Prudence Allen traces the concept of woman in relation to man in Western thought from ancient times to the present This volume is the second in her study in which she explores claims about sex and gender identity in the works of over fifty philosophers both men and women in the late medieval and early Renaissance periods **Arthurian Literature and Christianity** Peter Meister, 2013-05-13 Intended as the other bookend to Jessie Weston's work some eighty years earlier this essay collection provides a careful overview of recent scholarship on possible overlap between Arthurian literature and Christianity From Ritual to romance and Notes taken together bracket contemporary inquiry into the relationship if any between Jesus and Arthur T S Eliot's *The Waste Land* is here regarded as one strand joining this matter to many a recent literary riddle such as the meaning of the term postmodernism Without reprinting work readily available elsewhere and no longer subject to revision through dialogue with fellow contributors Notes attempts to do justice to all sides in twentieth century exploration of Christianity's contribution to an art form which is also grounded in early European polytheism paganism **Feminine Figurae** Rebecca L.R. Garber, 2013-11-05

This work offers an examination of religious texts written by twelve women over three centuries in two languages and three genres showing the variety and complexity of gendered images available to medieval women Moving beyond the categories of virgin wife and widow these religious texts created a spectrum of exemplary feminine life paths based not on marital status age social rank or profession but instead founded on biblical figures monastic divisions of labor expected saintly behaviors and even individual personality characteristics This study contributes to discussions of genre and its influences on gender representation as well as to scholarship on the complexities of gender relationships within literary works and historical contexts This work will also serve to introduce a wider audience to a cycle of texts and an interrelated group of women authors previously available only to specialists in German and manuscript studies **The German Historical Novel since**

the Eighteenth Century Daniela Richter, 2016-12-14 The historical novel is a genre which has enjoyed widespread popularity in Germany from its beginnings in the eighteenth century At that time increased literacy among the middle and lower classes had resulted in a greater demand for reading material aimed at a general audience Because of its educational and entertaining characteristics the historical novel quickly became a dominant genre among other forms of popular literature To this day it constitutes a major sector on the German book market and is together with popular TV series documentaries and museum exhibits an important part of German Geschichtskultur This collection of essays looks at aesthetic and thematic continuities as well as changes in the development of the genre in Germany from the late eighteenth century to the present and gives insights into the novels political and socio cultural implications The articles investigate historical novels from writers such as Benedikte Naubert the mother of German historical fiction nineteenth century popular writers Georg Ebers and Hermann Sudermann modern writers such as Alfred Döblin Hermann Hesse and Hermann Broch post War works such as those by Thomas Brussig Christa Wolf and Ingo Schulze and contemporary historical fiction by Sabine Weigand Eveline Hasler and Petra Durst Benning
