Shadows John Shirley, 2013-10-07 One of the darkest edgiest boldest writers around John Shirley lays down an adrenalized yet artful prose that fairly skids across the page dragging the reader along into shadowed corners of terror and desire Yet while it's thrilling there's psychological depth too as Shirley bores into the brains of his characters revealing the motivations of those who walk on the wild side Many writers extrapolate from peripheral observation and research but John Shirley's stories come from personal experience with extreme people and extreme mental states and his struggle with the seductions of addiction On the streets in the midst of darkest suburbia or just beyond consensus reality Shirley brings the shadows to vivid life **A Matter of Time: Vol. 1** Mary Calmes, 2011-07-18 Books One and Two Vol 1 Jory Keyes leads a normal life as an architect's assistant until he is witness to a brutal murder Though initially saved by police Detective Sam Kage Jory

Darkness Divided John Shirley, 2013-10-07 Darkness can be divided It can be split like an atom and in it can be found a destructive fire or light Light too can be folded into darkness The stories brought to light in John Shirley's stunning DARKNESS DIVIDED most of them never before collected some written especially for this book are presented in two sections one featuring stories set in the present or the past the other set in myriad futures These dark tales of new noir science fiction fantasy and crime demonstrate humankind's evolution from where we were and where we are to where we have yet to be Shadows are a current a continuity streaming from Til Now into And Soon John Shirley incisively explores human nature and the pitch black streak within the soul that each of us fears The twenty two excursions collected here divide the darkness with scalpel like precision daring you to peek inside In these divided shadows in the shift of diffuse light and occlusion things move things that aren't there There you will find your own id the dark side of your own imagination Read these words and be forever changed by what you find
