Petty,2003 What choice should I make How do I know that my decision will fit with God s plan for me We tend to think that while God has a best plan for our life he also has cheaper plans for people who miss the best writes Petty But for those who are in Christ there is only one plan Petty explains that God s plan and our actions work in concert With all the decisions we face and despite the mistakes we make God works in all things for the good transforming us into the image of Christ Rom 8 28 How comforting to know that our choices fulfill that plan in every detail **Re-Defining Success:** James D Morrison,2013-08-13 Life is just like walking through the rainwhether you dance through it and have fun or just try to avoid the puddlesyou still get wet Your life has a God authored plan that can be exciting or can be drudgeryit all depends on how you choose to see each circumstance in your day Each day you can be surrounded by circumstances that test who you say you are Those are circumstances that test your character Circumstances like financial hardship failed relationships unexpected opportunities unplanned success or a blow to your self esteem Circumstances as trivial as an argument with your spouse or as difficult as an argument with your spouse You might think that God has deserted you when you have difficult circumstances in life but you can find that He is closer than ever before Re Defining Success Finding New Hope lets you know that you aren t the only one who has fouled up in some aspect of life and that you can come out of the situation that you are in stronger and smarter than you were yesterday Instead of wondering about your future take this opportunity to step out in faith and begin to learn Gods plan for you As you make a new start in your life you have the chance to make changes in the person you are and to live in the plan He has for you Re Defining Success Finding New Hope can help

you see a larger picture for your life and be encouraged that these circumstances are life challenges which have a reason

A Change of Heart Kevin J. McCarthy, Ph.D,2014-09-25 Any attempt to produce a change of mind or a change in behaviors is doomed to fail given our human natures While we may have thoughts of creating this process in our personal life we are unable to sustain our focus given the constant barrage of worldly distractions Slowly or quickly our resolve ebbs away and once more we re caught up in the choices that bring pain and shame into our life and the lives of those we love Nothing changes until we experience a change of heart This is not an event but rather a journey that guides life and transforms character This change of heart is a gift that is extended to those who have come to the realization that of themselves they can do nothing Surrender is the key word and that is likely a difficult concept to tolerate in our human condition Yet as you surrender your will on a regular basis your life purpose will slowly and consistently be revealed in the opportunities that arise With each succeeding door that opens there will come a flow of challenges blessings and gifts that serve to sustain and nourish continued growth Out of this process you will come to fully understand that there is a purpose for life and that the greatest joy comes from fulfilling that promise This is not a preachy book filled with solemn sayings rather it is a tribute to Jesus Christ who can work His purpose in any surrendered life My desire is that you join me on this pathway to personal transformation Your faith will grow as you come to understand the dynamic of surrender Out of your faith will grow a new and profound sense of hope that will complete its work in your life You cannot buy this gift or steal it as a possession yet it is offered freely to those who are committed to finding the truth
