

Police Officer Exam - Full Practice Test #1

The following is a full length Police Officer Exam Practice Test. The total time limit to complete this test is 3 hours. We highly recommend that you set aside 3.5 hours and take this test in one sitting to feel what it will really be like. As in the real test, you will only be able to take breaks in between sections. You can go back to questions within the same section, but you will no longer be able to view questions from a section you have already completed.

Upon completing the exam make sure to go over it again in step by step mode and read the explanations. This is crucial to your preparation as it will help you learn from your mistakes, reinforce your strengths, and open your eyes to different solving tips and shortcuts.

Good luck!
