Undermining the Gospel Ronnie W. Rogers, 2015-09-02 The cruelest thing we can do is to let people remain in their sin when there is liberty to be lived Ronnie W Rogers Pastor Ronnie Rogers superb volume on discipline has provided the most detailed study that to my knowledge has been written in recent years Dr Paige Patterson president of Southwestern Seminary Writing as a biblical theologian Ronnie Rogers establishes the foundation for church discipline But Ronnie writes also as an experienced pastor who has worked out the biblical teaching on church discipline in real life Dr C Richard Wells distinguished professor of pastoral theology The Criswell College Senior Pastor South Canyon Baptist Church Rapid City SD Its hypocrisy for a local church to claim to believe the Bible and then willingly ignore the Bible's teaching on church discipline Its refreshing to see a local church pastor like Ronnie Rogers cry out so clearly against the apathy and disobedience that prevails in most churches on this issue Dr Donald S Whitney associate professor of spiritual formation Midwestern Baptist Theological Seminary

Walking Together, Leader's Guide Wyman Lewis Richardson, 2007-03-01 Walking Together A Congregational Reflection on Biblical Church Discipline is a study of the biblical concept of church discipline It seeks to show that church discipline rightly understood is a ministry of mercy and grace that will bless churches that return to it Walking Together reveals that church discipline was a ministry that was very important to earlier believers and that the modern church has abandoned it to her own detriment It is a clarion call for individuals and churches to come back to this vital but long neglected aspect of congregational and personal life By doing so churches can be healed and interpersonal relationships can be restored

Sin in the Assembly John Williamson, 2007-11 What makes a local church distinct and different from a mere collection of religious people The Apostle Paul described the local church as a

colony of heaven upon the earth but many churches appear to be a far cry from that model that Paul envisioned Every church regardless of its denominational affiliation should have a standard of both belief and behavior that is derived from the Christian scriptures the divine manual for church order But what should a church do if those standards are being violated among its own members Unfortunately there has been a growing trend in recent years to simply look the other way don't rock the boat and pretend such things don't exist but they do Here is a manual to address such a situation from a biblical perspective It begins with the Lord's own teaching regarding discipline within the local church *Walking Together, Student Workbook* Wyman Lewis Richardson, 2007-03-01 Walking Together A Congregational Reflection on Biblical Church Discipline is a study of the biblical concept of church discipline It seeks to show that church discipline rightly understood is a ministry of mercy and grace that will bless churches that return to it Walking Together reveals that church discipline was a ministry that was very important to earlier believers and that the modern church has abandoned it to her own detriment It is a clarion call for individuals and churches to come back to this vital but long neglected aspect of congregational and personal life By doing so churches can be healed and interpersonal relationships can be restored Church Discipline for Caring Christians Robert S. The Pattern and Practice of Church Discipline Les Martin, 1987

Rebuilding the Walls James Kelly, 2020-06-22 There are few situations in the life of a church that are more disruptive or destructive than the presence of sin in the life of its membership especially the leadership Too often we see the presence of sin as a fatal situation Yet sin properly dealt with rather than destroying the church or those involved may become a catalyst for growth both for the church body and those involved in whatever sin is present Christ and the apostle Paul laid out instructions for taking the presence of sin challenging those involved and restoring their walk with Christ Therefore we must if we consider ourselves as a spiritual people resolve to restore those impacted by sin and see them resume their walk with Christ Gal 6:1
