A Guide to American Medical Students in Europe Henry Hun, Henry Koplik, E. L. O'Connor, Harold N. Segall, 1883 **A Guide to American Medical Students in Europe** Henry Hun, 2015-06-26 Excerpt from A Guide to American Medical Students in Europe Every year a large number of Americans go to Europe to complete their medical studies Unfortunately the great majority of these students have very little definite information about the different universities or about the way in which medicine is taught abroad and on this account they lose much valuable time in getting to work The object of this book is to furnish this information and to give some assistance to the student at the outset of his foreign study which is the time that he stands most in need of aid and it is hoped that the book may also be of some interest to medical men in this country who wish to know how medicine is taught in Europe although in order that the Guide might be of such a size as to be of real use to the student it was necessary to omit much which might be of interest to the general practitioner For a large part of the information in the book I am indebted to the kindness of many friends About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **A Guide to American Medical Students in Europe** Henry Hun, 2023-12-19 Reprint of the original first published in 1883 *The Hahnemannian Monthly*, 1884 **Educating Physicians in the Nineteenth Century** Thomas Neville Bonner, 1988 **A Guide to American Medical Students in Europe (Classic Reprint)** Henry Hun, 2017-09-16 Excerpt from A Guide to American Medical Students in Europe Dresden Berlin Berlin matriculation Leipzig Heidelberg Strasbourg Bonn Breslau Erlangen Freiburg Giessen Gottingen Greifswald Halle About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The American Catalog**, 1885 The History of Medical Education C.
