

The background of the cover is a composite image. It features a world map with a blue ocean and green landmasses. In the foreground, there is a close-up of a white computer keyboard. A hand is visible, with one finger pointing towards the map, and another hand is positioned over the keyboard keys. The title text is overlaid on the upper portion of the image.

Guide Scrum Developer Devsena Mishra:

A Guide to Scrum Developer Devsena Mishra, 2015-11-29 Today when most of the organizations are experimenting with Agile Scrum methodology it becomes necessary for an IT Professional to have some familiarity with Agile Engineering practices A Guide To Scrum Developer is for anyone who is a part of Agile project or going to join an agile project and looking for a basic understanding of agile engineering practices It gives you an overview of Scrum framework Agile Architecture and Design Agile Engineering Practices like TDD Refactoring Continuous Integration and XP Practices It also covers information about Tools and Framework that one needs in an agile project because speed and accuracy is the main element of agile environment and for this we need to get rid of manual error prone approach of development and should adopt automation at maximum level possible

I Dream of a Digital India Devsena Mishra, 2016-01-29 In his first Independence Day speech our Prime Minister Shri Narendra Modi has called upon the youth of the country to participate and contribute to the growth of the nation I Dream of a Digital India book is my contribution It is a Digital India encyclopedia that covers different aspects of Digital India programme I have tried to collect all important facts and records related with Digital India programme This book helps in understanding the pace and direction in which Digital India programme is moving and gives a clear picture of its progress Our Prime Minister used to say that 21st century is the century of knowledge and I believe that this book will help you in becoming a knowledge citizen After writing this book I would say Good Governance has just begun and begun on a very promising note Here I would like to mention that I skipped challenges part of Digital India because for that critics have already done a good job if you Google you will find it I believe that executors and enablers of this programme are capable enough to deal with any kind of challenge that will come their way Big Foundation takes lots of positive energy of dynamic dedicated and determined individuals after the success such individuals are called creators Digital India is an ambitious programme and it needs lots of creators I appeal to the professionals of our country to come forward and play the role of a creator in this programme
