Hoover vs. Roosevelt Hal Elliott Wert, 2023-01-01 Herbert Hoover out of office since his defeat in 1932 by Franklin Roosevelt maintained a strong international reputation due to his achievements as an engineer and his success during World War I and beyond in organizing aid for the starving millions of Europe And yet in nearly all accounts of the ferocious debate over American aid to Europe before the United States entered World War II Hoover's role has been overlooked Hoover vs Roosevelt tells the story of American efforts to stay out of war following the German invasion of Poland Historian Arthur Schlesinger Jr called it the

most savage political debate of my lifetime Both men fiercely disagreed on how to respond but the heart of their disagreement was over aid for the huge numbers of Polish refugees flooding into neighboring countries and those that were left behind Hoover found Roosevelt s policy of limited emergency aid unacceptable countering by rapidly assembling teams comprised of talented people who had served in prior Hoover relief organizations Here for the first time are the courageous stories of those that achieved that success in Romania Hungary and Lithuania When the Soviets invaded Finland on November 30 Hoover assisted the Finns by conducting a Hollywood star studded campaign spearheading nation wide support for this small country But Hoover s relief efforts were complicated by his burning ambition to obtain the Republican presidential nomination a second opportunity to defeat Roosevelt For Roosevelt Hoover s relief successes threatened to derail his limited aid policy which aimed to conserve resources to assist Britain and France and could also cost the president votes Politics aside Hoover wars in the first year of the war succeeded in forcing Roosevelt to provide far more aid than intended Hoover s victory the only one achieved in his battles with Roosevelt accomplished relief for hundreds of thousands in need Widely and deeply researched in an array of rarely used secondary and primary sources both domestic and international Hoover vs Roosevelt reveals the story of the two contenders battles over feeding Europe and going to war

Quarterly, inc,1989 A comprehensive reference on the origins evolution and work of the presidency Rhetoric As Currency
Davis W. Houck,2001 Hoover the president of economic depression Roosevelt the president of recovery the public images of these two men are so firmly fixed that they offer shorthand ways to talk about the era we know as the Great Depression Yet their views on economic policy for taking the country out of its greatest economic calamity were not so different as is often supposed Indeed the famed journalist Walter Lippmann once claimed that Roosevelt s legislative measures represented a continuous evolution of the Hoover measures Moreover both Hoover and Roosevelt shared a Keynesian conviction that public confidence was vital to recovery They differed markedly of course in their ability to restore that confidence Roosevelt s advantage lay not just in his position in the changing of the guard He employed a skilled staff of speech writers and he had the negative example of Hoover before him from which to plot rhetorical strategies that would be more effective In *Rhetoric as Currency* Houck uses the historical context of the Great Depression to explore the relationship of rhetoric to the economy and specifically economic recovery He closely analyzes Hoover s rhetorical corpus from March 4 1929 through March 3 1933 and Roosevelt s from January 3 1930 through June 16 1933 This longitudinal study allows him to understand rhetoric as a process rather than a series of isolated discrete products Houck first examines Hoover s presidential rhetoric tracing its paradoxes and the radical shift that occurred in the final year of his administration The Depression in his rhetoric was a foe to be vanquished by an optimistic Christian and civic faith not federal legislation Once he determined that federal intervention was indeed required he could not return to the dais rather he relied on an antagonistic press to carry his message of confidence Abdicating the rhetorical pulpit he left it in the hands of those opposed to him Houck then studies the economic rhetoric of Franklin Roosevelt as governor candidate president elect and finally president He traces the key similarities and differences in Roosevelt s economic rhetoric with particular attention to an embodied economics wherein recovery was premised less on mental optimism than a physical active confidence *American Lumberman* ,1929
