I. Identify the terms and names.

- **Sepoy** - Indian soldiers who were employed in the East India Company's army
- **"Jewel in the crown"** - India was considered to be the most valuable of all of Britain's colonies, because of its supply of raw material and 300-million (population) wide market for British goods.
- **Sepoy Mutiny/Rebellion** - The sepoys had heard that the cartridges of their new rifles were greased with animal fat, and since they had to bite off the ends to use the cartridges, they were outraged, as this went against their religious practices. 85 out of 90 soldiers refused to take the cartridges, and they were punished. The next day, they rebelled, marching to Delhi and capturing the city. From there, the rebellion spread throughout northern and Central India, and it took the East India Company more than a year and British troops to regain control of the country.
- **Raj** - refers to the part of India that was under British rule from 1757 until 1947
- **Ram Mohun Roy** - A modern-thinking, well-educated Indian who called for modernization and moving away from traditional practices, like widow suicide, child marriages, and rigid caste separation. He believed that these reforms were necessary for India to gain more independence.
- **Munim League** - created in 1906 due to rising nationalist feelings in India, by the 1900's was calling for self-government
- **Indian National Congress** - created in 1885 due to rising nationalist feelings in India, by the 1900's was calling for self-government
