Harris Oboyle And Warbrick Law Of The European Convention On Human Rights:

Harris, O'Boyle & Warbrick David John Harris, Michael O'Boyle, Ed Bates, Carla Buckley, 2014 Thoroughly updated since the first edition of 1994 this volume contains a comprehensive account of Strasbourg case law and the underlying principles of the European Convention on Human Rights **Harris, O'Boyle & Warbrick Law of the European Convention on**

Human Rights, 2014 **Harris, O'Boyle and Warbrick** David John Harris, Michael O'Boyle, Edward Bates, Carla Buckley, 2023 *Harris, O'Boyle & Warbrick - Law of the European Convention on Human Rights* David John Harris, Michael O'Boyle, Edward Bates, Carla Buckley, 2018 **The Evolution of the European Convention on Human Rights** Ed Bates, 2010-12-23 The European Convention on Human Rights is probably the most effective system of international human rights control created This book examines the story of the evolution of the Convention over its first 50 years It explains how the Convention system grew up and how it came to exert such an important influence on the States which subscribe to it

The European Convention on Human Rights and the Conflict in Northern Ireland Brice Dickson, 2012-03-15 This book charts the role played by the European Convention on Human Rights during the conflict in Northern Ireland from 1968 to the present day It offers a systematic case study of the Convention's capacity to protect human rights in a society wracked by terrorism and political conflict Human Rights in the Council of Europe and the European Union Steven Greer, Janneke Gerards, Rose Slowe, 2018-03-29 Confusion about the differences between the Council of Europe the parent body of the European Court of Human Rights and the European Union is commonplace amongst the general public It even affects some lawyers jurists social scientists and students This book will enable the reader to distinguish clearly between those human rights norms which originate in the Council of Europe and those which derive from the EU vital for anyone interested in human rights in Europe and in the UK as it prepares to leave the EU The main achievements of relevant institutions include securing minimum standards across the continent as they deal with increasing expansion complexity multidimensionality and interpenetration of their human rights activities The authors also identify the central challenges particularly for the UK in the post Brexit era where the components of each system need to be carefully distinguished and disentangled The Child and the European Convention on Human Rights Ursula Kilkelly, 2024-11-01 The European Convention on Human Rights is the most successful system for the enforcement of human rights in the world However to date its full potential for protecting children's rights has not been explored as attention has focused on the UN Convention on the Rights of the Child This unique book provides the first analysis of the extensive case law of the Commission and the Court of Human Rights on all issues concerning children and their rights This study is important as a study of the regional protection of children's rights and moreover the case law itself can be directly applied in the legal system of nearly every European country including the UK The book includes chapters on the rights of the child under the European Convention on Human Rights in relation to education protection from abuse the right to identity child care juvenile justice health care and immigration and the family It

also explores the potential of the Strasbourg mechanism for the protection of children's rights and thus provides a practical and vital guide to the study and use of the European Convention in the broad area of children's rights

The American Convention on Human Rights Thomas M. Antkowiak, Alejandra Gonzales, 2017 This book offers a thorough critical and accessible analysis of the American Convention on Human Rights which is the main human rights treaty of the Americas The authors closely review the jurisprudence and the binding judgments of the two institutions charged with interpreting the Convention The Inter American Court of Human Rights and The Inter American Commission on Human Rights They focus on the rights most developed by the Court and Commission namely the rights to equality life humane treatment personal liberty property due process and judicial protection as well as the freedom of expression and reparations They examine the case law with a victim centered lens while identifying key jurisprudential developments discussing critical areas that lack consistency and rigor and proposing alternative conceptual approaches Each chapter contains an Introduction to compare the Convention right's formulation with equivalent rights in other major international and regional treaties a background section to consider the right's negotiation history a Scope of Protection section to analyze the right's provisions paragraph by paragraph or topic by topic and lastly a Limitations section if applicable to study any limitations to the right In addition the book's Introduction presents an up to date overview of the dynamic Inter American Human Rights System discussing the System's legal instruments major institutions significant impact key developments and current challenges

Article 3 of the European Convention on Human Rights Uğur Erdal, Hasan Bakirci, 2006

Exporting the European Convention on Human Rights Maria-Louiza Deftou, 2022-10-20 This book explores how the European Convention on Human Rights operates and influences on the global stage The ECHR and its interpretation by the European Court of Human Rights ECtHR considerably echo in and outside Europe To what degree has that influence translated into its norms doctrines and methods of interpretation being exported into equivalent systems which also enact the protection of fundamental rights This book answers that question by exploring the judicial dialogue of the ECHR system with comparable legal orders Through a horizontal and multifaceted study of regional and global systems the book identifies the impact of the ECHR within the confines of their jurisprudence to provide scholars in the field of international human rights law with an essential text Discussing the extent to which the ECHR penetrates into the judicial production of the most affected legal systems the book mostly focuses on the case law of the Court of Justice of the European Union the Inter American Court of Human Rights and the UN Human Rights Committee It also investigates whether there is room for cross fertilisation between them and finally moves on to explore the legal consequences of the interplay of these mechanisms with the ECtHR and what it means for the overall functioning of international human rights law

European Convention on Human Rights Christoph Grabenwarter, 2014-02-12 The European Convention on Human Rights ECHR entered into force on 3 September 1953 with binding effect on all Member States of the Council of Europe It grants the people of Europe a number of fundamental rights

and freedoms right to life prohibition of torture prohibition of slavery and forced labour right to liberty and security right to a fair trial no punishment without law right to respect for private and family life freedom of thought conscience and religion freedom of expression freedom of assembly and association right to marry right to an effective remedy prohibition of discrimination plus some more by additional protocols to the Convention Protocols 1 ETS No 009 4 ETS No 046 6 ETS No 114 7 ETS No 117 12 ETS No 177 and 13 ETS No 187 Any person who feels his or her rights under the ECHR have been violated by the authorities of one of the Member States can bring a case to the European Court of Human Rights established under the Convention The States are bound by the Court's decisions The Committee of Ministers of the Council of Europe make sure that the decisions are properly executed Today the Court receives thousands of petitions annually demonstrating the immense impact of the Convention and the Strasbourg Court Professor Grabenwarter's *Commentary* deals with the Convention systematically article by article considering the development and scope of each article together with the relevant case law and literature

Court Delay and Human Rights Remedies Caroline Savvidis, 2016-06-23 This book brings legal and academic perspective to the theory and practice surrounding the right to a fair hearing within a reasonable time This field of rights has been somewhat neglected academically a fact which jars with the sheer volume of case law budding from this single simple fundamental right bearing testimony to the widespread concern with delay in judicial proceedings which transcends the boundaries of states or legal systems The work provides a blueprint for analysing the effectiveness of legal remedies across entire legal systems as well as in any given individual case The first part focuses on deriving legal principles from the body of jurisprudence of the European Court of Human Rights in Strasbourg while the second part contains illustrations of the practical application of such principles The content constitutes essential reading for students academics lawyers judges practitioners and all those who wish to understand the issue of delay in judicial proceedings and the legal context of available remedies The author aims to raise awareness about the human rights issues which come into play when delivery of justice is delayed and to provide both an academic and practical reference

Freedom of Religion and Belief Rinaldo Cristofori, Silvio Ferrari, 2016-12-05 The essays and articles selected for this volume analyze what is generally understood by freedom of religion and belief in today's world The different aspects of this fundamental right are considered from the contents of freedom of religion to the possible limitations of this freedom and from the freedom of or freedom from conundrum to the question of the collective or individual right This volume reflects legal philosophical and international perspectives addresses numerous unanswered questions and offers an effective overview of the current literature and debate in this aspect of the discipline of law and religion

The Principle of Proportionality in the Laws of Europe Evelyn Ellis, 1999-05-01 This book of essays the product of a conference held at the University of Birmingham in the spring of 1998 contains contributions from a group of extremely distinguished scholars in the fields of both public and private law The meaning of proportionality is examined in a number of different contexts including those of EC law the domestic law of the

Member States of the EU and the law of the European Convention on Human Rights Its substantive content and procedural implications are analysed and contrasted in particular with the concept of Wednesbury unreasonableness Its use in criminal and anti discrimination law is also examined as is its future likely impact in the UK after incorporation of the European Convention Contributors Paul Craig Evelyn Ellis David Feldman Nicholas Green QC Lord Hoffmann Francis G Jacobs Jeremy McBride Takis Tridimas Walter van Gerven

Tort Law and Human Rights Jane Wright, 2017-02-23 This is a completely revised and expanded second edition building on the first edition with two principal aims to elucidate the role that domestic tort principles play in securing to citizens the human rights standards laid down in the European Convention on Human Rights including the new remedy under the Human Rights Act 1998 and to evaluate tort principles for compliance with those standards The first edition was written when the Human Rights Act 1998 was newly enacted and many questions existed as to its potential impact on tort law Answers to many of the questions which were raised at that time are only now emerging Therefore the text has been updated to reflect these developments Whether it is appropriate to attribute particular goals and functions to tort law is highly contested and the analysis begins by locating the discussion within these contemporary debates The author goes on to examine the extent to which the action against public authorities under section 7 of the Act has impacted on the development of common law principles as well as the issue of horizontal effect of the Act between non state actors New chapters include A Human Rights Based Approach to Tort Law and Public Authority Liability and Privacy From Misuse of Private Information to Autonomy
