

meet its deliverable date unless it reduces the quality of the materials you've ordered. What should you do next?

**Your Response:**

**Consult with your stakeholders to see if a change in quality is acceptable.**

**Good Choice!** Before you make a trade-off that reduces quality, it is crucial to get buy in from stakeholders.

3. You work for a successful regional bank. You have been assigned to develop a new loyalty rewards program and integrate it throughout the bank. You need a reporting tool that will help each department monitor how its part of the product launch affects other departments—and how it is affected by other departments. Which scheduling tool would be the most appropriate?

**Your Response:**

**A PERT chart.**

**Good Choice!** The PERT chart shows all tasks in progress at a given time, and it's the best tool for managing the impact of a change on the entire set of projects.

4. The bank's new loyalty rewards program is gathering momentum among the bank's employees. Some of the bank's customers have called the bank and noticed about making the change. What is your best course of action to manage this situation?

**Your Response:**

**Clarify your responsibilities and address concerns of those responsible for your area of the project. You should clarify your responsibilities, as the customer is not likely to address their concerns without a path forward.**

5. Which communication strategy is most likely to result in a change in customer opinion? What has been suggested to manage this in the
