Evangelical Repository, & Bible Teacher..., 1879. *The Parables of Our Saviour, Unfolded and Explained to a Child. By the Author of "Mamma's Lessons" ... Second Edition*, 1836. *The Parables in Q* Dieter Roth, 2018-05-17. Few New Testament topics have been discussed as often and as intensely as Q, the hypothesized second major source alongside the gospel of Mark for the gospels of Matthew and Luke and the parables. And yet, no monograph to date has been devoted to considering the parables in Q. In addition to filling this gap in New Testament scholarship, Dieter T. Roth addresses the need to move scholarship on both Q and the parables forward along methodological and interpretive lines. Roth considers Q not as a text behind Matthew and Luke that needs to be reconstructed but rather as an intertext between Matthew and Luke that offered plots, characters, and images in parables that were taken up by Matthew and Luke and utilized in their own respective texts. In addition, Roth draws on recent parables research in his examination of the 27 parables in Q: two spoken by John the Baptist, one by the Centurion, and 24 by Jesus, in order to consider their purpose and function in this early Christian text.

The Parables of Jesus Christ: Eric Brandon Roberts, 2012-07-11. *The Parables of Jesus Christ: A Brief Analysis* is an in-depth look at Christ's teachings through Parables. Approximately one-third of the words spoken by Christ in the New Testament come in the form of parables. This book attempts to relate those parables for modern readers.

Matthew: The Stories of Jesus' Ministry - Chapters 1 to 13 Dennis Herman, 2012-11-29. This book is a collection of short stories on Jesus' ministry according to the Gospel of Matthew. A look at the lives, trials, and faith of the people Jesus met and ministered to. Each story stretches the imagination while helping the reader reach a closer walk with God by learning how to look deep into His Word. Although the stories center around the characters in Matthew at the time Jesus ministered, each brings lessons to light which still apply today.

Everyday Lessons in Religion: Teacher's Manual Clara Belle Baker, 1923.

The parables of Jesus (addresses). James Wells, 1884. The Rabbinic Parables and Jesus the Parable Teller David Flusser, 2024-04-09. First published in German as *Die rabbinischen Gleichnisse und der Gleichniserzähler Jesus* in 1981 and

now translated into English for the first time this seminal work by Professor David Flusser remains an important and unparalleled contribution on Jesus as a storyteller in the Jewish rabbinic tradition Using a literary approach to study extant rabbinic parables he argues that Jesus parables belong to a genre that exists only in rabbinic literature and the New Testament In order to analyze the theology behind Jesus parables we need to understand them as a first century literary art form In a summary of the book Flusser writes I am firmly convinced with fellow researchers that it is possible to get reasonably close to the original wording of Jesus teaching But this is only the case when the otherwise usual method of literary criticism is applied to the text of the Synoptic Gospels and when moreover one is willing and able to be guided by knowledge of Judaism I certainly admit that the words of Jesus including his parables were edited by Greek redactors and subsequently by the evangelists Nevertheless I believe it is often possible to separate the shell from the nut by applying a better synoptic theory As I have argued several times the parables of Jesus belong to the genre of the rabbinic parables Therefore valid statements about Jesus parables whether these regard their essence or their literary quality can only be made when one has first dealt with the essence and literary form of the rabbinic parables

The Parables of Jesus Paul Winton Saunders, 2022-10-09 Parables of Jesus examines Jewish customs during biblical times to reveal lessons on life living and walking with the Lord You ll encounter the figures that Jesus used in his stories the unjust judge who neither feared God or man the self righteous Pharisee and the humble publican in the temple the fickle children in the marketplace the unforgiving servant and others exhibiting traits as compassion jealousy and greed Pastor Paul Saunders makes the point that Jesus was appalled with the hypocritical nature of Jewish religious leadership They made a great show of righteousness but their behavior was corrupt and Jesus was not afraid to call it out The parables are brilliant relevant pithy and personally challenging Jesus uses everyday activities with which we are all familiar to illustrate a deeper truth Although numerous scholars have written about the parables of Jesus this book takes a fresh approach looking at them in context and exploring the relevance they have today

Parables of Time and Eternity Keith Ward, 2021-05-27 Most people agree that Jesus parables are about the kingdom of God But what is that They seem to have a lot about hell and judgment but how is that consistent with the Parable of the Prodigal Son and Jesus search for lost sheep They speak of the Son of Man but who or what is that Some have thought they predict the end of the world but could that be a failure to understand biblical language In a new survey of Jesus parables Keith Ward proposes that they imply a theology of the universal and unlimited love of God a moral demand to care for the well being of all living things a compassion for the poor and rejected of the earth an open door of repentance that even death cannot close the offer of new life in the Spirit and an ultimate goal of universal creative sharing in the life of the cosmic Christ
