

The background of the entire cover is a dark, atmospheric photograph. It shows a misty or foggy scene with several tall, dark evergreen trees on the left side. In the foreground, there is a body of water, possibly a lake or a wide river, with some light reflecting off its surface. The overall tone is mysterious and somber, fitting the 'haunted' theme of the book.

Haunted Waters Tales Of The Old Coast:

Haunted Waters Dick Hammond, 1999 These stories of coastal life come from days when the hardworking settlers who fished hunted ranched and logged the west coast had to make their own entertainment Back then daily life was dramatic enough that storytellers didn't have to exaggerate but tales have a way of growing taller in a place where you have to be larger than life just to survive In retelling these classic tales handed down by a master storyteller Dick Hammond explores the shadowy territory between truth and myth the handlogger who rows up to a dock in Egmont on evening with part of his leg still in its boot lying next to him on the stern seat the deer tracks that mysteriously disappear in the middle of a snow covered field the mountain shrouded homestead where a beautiful woman with eyes like a cougar speaks of friends and family who may or may not be alive or even real all of whose voices can be heard in the Talking Falls or can they Dense with coastal lore these captivating tales bear witness to a pioneer culture that mastered the art of wilderness survival then faded away leaving only ghosts and stories Ollam Anders Ahlqvist, Fergus Kelly, Patricia Kelly, Kim R.
