Jonathan Marshall

Havana Before Castro When Cuba Was A Tropical Playground:

Havana Before Castro Peter Moruzzi, 2008-07-01 Take a trip to the golden age of Havana in this gorgeously illustrated volume of vintage photographs postcards brochures and other ephemera Featuring hundreds of historic images and cultural artifacts Havana Before Castro documents how the Cuban capital evolved from a Prohibition Era getaway destination to a heady blend of glittering nightclubs outrageous cabarets all night bars and backstreet brothels Here captured in one amazing book is the drama passion intrigue and opulence of a legendary city during its heyday before the Castro regime took over and Americans were banned from travel to this tropical paradise In chapters covering such topics as Cuban rum and cigars the world famous Tropicana Club and Havana's association with the mob author Peter Moruzzi provides essential historical context for the many fascinating and evocative images *Cuban Studies* 40 Louis A. Perez, Jr., K. Lynn Stoner, Gladys Marel Garcia Perez, Teresa Chapa, Rachel M. Hynson, 2010-01-31 Includes essays on the role of race in the revolution of 1933 the subject of disaster in eighteenth century Cuban poetry developments in Cuban historiography over the past fifty years a profile of the work of historian Jos Vega Suol and a remembrance of essayist and literary critic Nara Arajo who also contributed an article on travel in Cuba for this volume **Aesthetics and the Revolutionary City** James Clifford Kent, 2018-09-22 Aesthetics and the Revolutionary City engages in alternative ways of reading foreign visual representations of Havana through analysis of advertising images documentary films and photographic texts It explores key narratives relating to the projection of different Havana imaginaries and focuses on a range of themes including pre revolutionary Cuba the dream of revolution and the metaphor of the city frozen in time The book also synthesizes contemporary debates regarding the notion of Havana as a real and imagined city space and fleshes out its theoretical insights with a series of stand alone important case studies linked to the representation of the Cuban capital in the Western imaginary The interpretations in the book bring into focus a range of critical historical moments in Cuban history including the Cuban Revolution and the Special Period and consider the ways in which they have been projected in advertising documentary film and photography outside the island **Gangsterismo** Jack Colhoun, 2013-04-01 Gangsterismo is an extraordinary accomplishment the most comprehensive history yet of the clash of epic forces over several decades in Cuba It is a chronicle that touches upon deep and ongoing themes in the history of the Americas and more specifically of the United States government Cuba before and after the revolution and the criminal networks known as the Mafia The result of 18 years research at national archives and presidential libraries in Kansas Maryland Texas and Massachusetts here is the story of the making and unmaking of a gangster state in Cuba In the early 1930s mobster Meyer Lansky sowed the seeds of gangsterismo when he won Cuban strongman Fulgencio Batista's support for a mutually beneficial arrangement the North American Mafia were to share the profits from a future colony of casinos hotels and nightclubs with Batista his inner circle and senior Cuban Army and police officers In return Cuban authorities allowed the Mafia to operate its establishments without interference Over the next

twenty five years a gangster state took root in Cuba as Batista other corrupt Cuban politicians and senior Cuban army and police officers got rich All was going swimmingly until a handful of revolutionaries upended the neat arrangement and the CIA Cuban counterrevolutionaries and the Mafia joined forces to attempt the overthrow of Castro Gangsterismo is unique in the literature on Cuba and establishes for the first time the integral extensive role of mobsters in the Cuban exile movement The narrative unfolds against a broader historical backdrop of which it was a part the confrontation between the United States and the Cuban revolution which turned Cuba into one of the most perilous battlegrounds of the Cold War The anti communist hysteria generated by the Cold War frequently unhinged the policy judgments of US government officials in many areas but nowhere so completely as in our relations with Cuba This conclusion is inescapable as Gangsterismo brilliantly unravels the bizarre tale of the Mafia army the Kennedy brothers recruited in their manic determination to rid Cuba of Castro that vexing seemingly indomitable Communist Martin J Sherwin co winner of the Pulitzer Prize together with Kai Bird for American Prometheus The Triumph and Tragedy of J Robert Oppenheimer What is shocking is not what is new but how much that is old already on the record in presidential and other archives CIA and FBI files memoirs and histories in Jack Colhoun s Gangsterismo Drawing on the National Security Archives papers and books public and private he damningly documents the pathetic incompetent and sometimes comic but always inappropriate and anti democratic attempts by the CIA and or its confederates working in tandem with members of the mob to assassinate Castro and overthrow the Cuban revolution Victor S Navasky publisher emeritus The Nation professor Columbia University Graduate School of Journalism Gangsterismo is an invaluable addition to our background knowledge about that small island nation that has incurred so much devotion and ire from U S Americans Books about Cuba abound but this one lays bare an often forgotten pre revolutionary history of U S based organized crime and subsequent hidden U S government covert action Colhoun has done his homework This is a must read Margaret Randall author of To Change the World My Years in Cuba Few aspects of Cuba U S relations have so doggedly resisted serious inquiry as the subject of organized crime in Cuba Much of what we know has reached us by way of popular culture principally through film and fiction to which the subject of the underworld in the tropics so aptly lends itself Colhoun represents a breakthrough serious scholarship on a serious subject He casts light upon one of the darkest recesses of a dark history calling attention to the convergence of interests between the underworld of criminal activity and nether world of covert operations and reveals in the process that film and fiction have actually only scratched the surface of a sordid story Louis A P rez Jr editor Cuba Journal professor of history University of North Carolina at Chapel Hill

Dictator's Dreamscape Joseph R. Hartman, 2019-04-23 Joseph Hartman focuses on the public works campaign of Cuban president and later dictator Gerardo Machado Political histories often condemn Machado as a US puppet dictator overthrown in a labor revolt and popular revolution in 1933 Architectural histories tend to catalogue his regime s public works as derivatives of US and European models Dictator s Dreamscape reassesses the regime s public works program as a highly

nuanced visual project embedded in centuries old representations of Cuba alongside wider debates on the nature of art and architecture in general especially in regards to globalization and the spread of US style consumerism The cultural production overseen by Machado gives a fresh and greatly broadened perspective on his regime s accomplishments failures and crimes The book addresses the regime s architectural program as a visual and architectonic response to debates over Cuban national identity US imperialism and Machado s own cult of personality

Ninety Miles and a Lifetime Away David Powell, 2022-03-01 Bringing together an unprecedented number of extensive personal stories this book shares the triumphs and heartbreaking moments experienced by some of the first Cubans to come to the United States after Fidel Castro took power in 1959

Cuba Richard A. Crooker, Zoran Pavlović, 2010 Since Fidel Castro staged a coup half a century ago and assumed power of Cuba in 1959 the United States has been obsessed with this small island nation only 90 miles south of the Florida Keys America s fixation on Cuba has only grown due to the large waves of Cuban immigrants and Castro s larger than life persona Today the Cuban exile community within the United States has grown so powerful that they have played a major role in American politics for decades But because of the country s isolation the island and its people have remained a mystery Cuba is among the most literate countries in Latin America with a literacy rate of 99.8 percent Its healthcare system compares favorably with those in developed nations and life expectancy ranks third in the Americas behind only Canada and Chile and ahead of the United States In 2006 Castro transferred powers over to his brother Raul who has promised to remove some of the restrictions that have limited the average Cuban s daily life This revised edition of *Cuba* takes readers through the country s storied history its people and what the future holds for this island nation

Ernesto Andrew Feldman, 2019-05-28 From the first North American scholar permitted to study in residence at Hemingway s beloved Cuban home comes a radically new understanding of Papa s life in Cuba Ernest Hemingway first landed in Cuba in 1928 In some ways he never left After a decade of visiting regularly he settled near Cojimar a tiny fishing village east of Havana and came to think of himself as Cuban His daily life among the common people there taught him surprising lessons and inspired the novel that would rescue his declining career That book *The Old Man and the Sea* won him a Pulitzer and one year later a Nobel Prize In a rare gesture of humility Hemingway announced to the press that he accepted the coveted Nobel as a citizen of Cojimar In Ernesto Andrew Feldman uses his unprecedented access to newly available archives to tell the full story of Hemingway s self professed Cuban ness his respect for Cojimar fishermen his long running affair with a Cuban lover the warmth of his adoptive Cuban family the strong influences on his work by Cuban writers his connections to Cuban political figures and celebrities his denunciation of American imperial ambitions and his enthusiastic role in the revolution With a focus on the island s violent political upheavals and tensions that pulled Hemingway between his birthplace and his adopted country Feldman offers a new angle on our most influential literary figure Far from being a post success pre suicide exile Hemingway s decades in Cuba were the richest and most dramatic of his life and a surprising instance in which the famous

American bully sought redemption through his loyalty to the underdog **Designed for Dancing** Janet Borgerson, Jonathan Schroeder, 2021-10-19 When Americans mamboed in the kitchen waltzed in the living room polkaed in the pavilion and tangoed at the club with glorious full color record cover art In midcentury America eager dancers mamboed in the kitchen waltzed in the living room Watusied at the nightclub and polkaed in the pavilion instructed and inspired by dance records Glorious full color record covers encouraged them Let s Cha Cha Cha Dance and Stay Young Dancing in the Street Limbo Party High Society Twist In Designed for Dancing vinyl record aficionados and collectors Janet Borgerson and Jonathan Schroeder examine dance records of the 1950s and 1960s as expressions of midcentury culture identity fantasy and desire Borgerson and Schroeder begin with the record covers memorable and striking but largely designed and created by now forgotten photographers scenographers and illustrators which were central to the way records were conceived produced and promoted Dancing allowed people to sample aspirational lifestyles whether at the Plaza or in a smoky Parisian caf and to affirm ancestral identities with Irish Polish or Greek folk dancing Dance records featuring ethnic music of variable authenticity and appropriateness invited consumers to dance in the footsteps of the Other with hot Latin music Afro Caribbean rhythms and Hawaiian hulas Bought at a local supermarket department store or record shop and listened to in the privacy of home midcentury dance records offered instruction in how to dance how to dress how to date and how to discover cool new music lessons for harmonizing with the rest of postwar America Dark Quadrant Jonathan Marshall, 2021-04-09 From Truman to Trump the deep corruption of our political leaders unveiled Many critiques of the Trump era contrast it with the latter half of the twentieth century when the United States seemed governed more by statesmen than by special interests Without denying the extraordinary vigor of President Trump s assault on traditional ethical and legal norms Jonathan Marshall challenges the myth of a golden age of American democracy Drawing on a host of original archival sources he tells a shocking story of how well protected criminals systematically organized the corruption of American national politics after World War II Marshall begins by tracing the extraordinary scandals of President Truman whose political career was launched by the murderous Pendergast machine in Missouri He goes on to highlight the role of organized crime in the rise of McCarthyism during the Cold War the near derailment of Vice President Johnson s political career by two mob related scandals and Nixon s career long association with underworld figures The book culminates with a discussion of Donald Trump s unique history of relations with the traditional American Mafia and newer transnational gangs like the Russian mafiya and how the latter led to his historic impeachment by the House of Representatives **Mafia Spies** Thomas Maier, 2019-04-02 From the Bestselling Author and Television Producer of MASTERS OF SEX a True Story of Espionage and Mobsters Based on the Never Before Released JFK Files and Optioned by Warner Bros Mafia Spies is the definitive account of America s most remarkable espionage plots ever with CIA agents mob hitmen kompromat sex presidential indiscretion and James Bond like killing devices together in a top secret mystery full of surprise twists and deadly intrigue In the early 1960s

two top gangsters Johnny Roselli and Sam Giancana were hired by the CIA to kill Cuba's Communist leader Fidel Castro only to wind up murdered themselves amidst Congressional hearings and a national debate about the JFK assassination. Mafia Spies revolves around the outlaw friendship of these two mob buddies and their fascinating world of CIA spies, fellow Mafioso in Chicago, Cuban exile commandos in Miami, beautiful Hollywood women, famous entertainers like Frank Sinatra's Rat Pack in Las Vegas, Castro's own spies in Havana and his double agents hidden in Florida. J. Edgar Hoover's FBI snooping and the Kennedy administration's Get Castro obsession in Washington. Thomas Maier is among the first to take full advantage of the National Archives 2017-18 release of the long suppressed JFK files, many of which deal with the CIA's top secret anti-Castro operation in Florida and Cuba. With several new investigative findings, Mafia Spies is a spy exposé, murder mystery and shocking true story that recounts America's first foray into the assassination business, a tale with profound impact for today's Trump era. Who killed Johnny and Sam and why wasn't Castro assassinated despite the CIA's many clandestine efforts?

Islands of Empire Camilla Fojas, 2014-03-01 Camilla Fojas explores a broad range of popular culture media: film, television, journalism, advertisements, travel writing, and literature with an eye toward how the United States as an empire imagined its own military and economic projects. Impressive in its scope, Islands of Empire looks to Cuba, Guam, Hawaii, Puerto Rico, and the Philippines, asking how popular narratives about these island outposts expressed the attitudes of the continent throughout the twentieth century. Through deep textual readings of *Bataan: Victory at Sea*, *They Were Expendable*, and *Back to Bataan*, Philippines' *No Man Is an Island*, and *Max Havoc: Curse of the Dragon*, Guam, Cuba, Havana, and *Dirty Dancing*, Havana Nights, Cuba Blue, Hawaii Gidget Goes Hawaiian, and *Paradise Hawaiian Style*, Hawaii, and *West Side Story*, Fame, and *El Cantante*, Puerto Rico, Fojas demonstrates how popular texts are inseparable from U.S. imperialist ideology. Drawing on an impressive array of archival evidence to provide historical context, Islands of Empire reveals the role of popular culture in creating and maintaining U.S. imperialism. Fojas's textual readings deftly move from location to location, exploring each island's relationship to the United States and its complementary role in popular culture. Tracing each outpost's varied and even contradictory political status, Fojas demonstrates that these works of popular culture mirror each location's shifting alignment to the U.S. empire, from coveted object to possession to enemy state.

Development Design Erica Morawski, 2025-11-04 Underneath picturesque views of palm trees, fruity cocktails in hotel lounges, and day trips to preserved colonial zones lies a history of tourism design that intersects with larger projects of development and national and cultural identity formation. Locating modernity and coloniality as the key framework within which tourism development takes place, Development Design focuses on hotel design and its relation to larger urban and rural landscapes to uncover the way these seemingly carefree spaces are bound to local politics and international relations. Focusing on three sites in the Hispanic Caribbean: San Juan, Ciudad Trujillo, and Havana, Morawski traces different attitudes and approaches to tourism and its material design through five hotels that serve as case studies. Through examination of wicker chairs and lobby interiors,

architecture and landscaping public works and urban planning Development Design illustrates the integral role hotel design played in negotiated and contested histories of development in Puerto Rico the Dominican Republic and Cuba

Greetings from Los Angeles Peter Moruzzi, 2017-08-01 This book of vintage photographs postcards magazine ads and other ephemera tells the story of Los Angeles from dusty pueblo to thriving metropolis Greetings from Los Angeles tells the story of the city's long and largely forgotten history from its early years as a tiny Spanish village through its many transitions over the centuries Here are rare glimpses of Chinatown's evolution the orange empire backyard oil wells Venice of America the roaring 1920s and corrupt 1930s glamorous Wilshire Boulevard movie studios and the lavish movie star estates as well as theme parks such as Disneyland Knott's Berry Farm and Marineland of the Pacific Through these images readers witness the birth of midcentury modernism futuristic Googie coffee shops and the space age Los Angeles International Airport Author and architectural historian Peter Moruzzi offers insightful commentary that provides essential historical context

Palm Springs Paradise Peter Moruzzi, 2025-01-07 This book collects more than two hundred fascinating and rarely seen historical photographs of Palm Springs newly digitized from the Palm Springs Historical Society's expansive archive Featured are many Hollywood celebrities including Sinatra and the Rat Pack who vacationed there the early days of the desert paradise various architectural masterworks such as the fabulous El Mirador Hotel and the extraordinary outrageous and irreverent people of Palm Springs

American Empire A. G. Hopkins, 2019-08-27 Compelling provocative and learned This book is a stunning and sophisticated reevaluation of the American empire Hopkins tells an old story in a truly new way American history will never be the same again Jeremi Suri author of The Impossible Presidency The Rise and Fall of America's Highest Office

The Political Theory of I Love Lucy Leslie Dale Feldman, 2019-01-18 This book looks at how the classic television series fits into the cultural milieu of mid century America I Love Lucy incorporates key themes of the 1950s American political scene and classic American values of family social mobility community individualism and work keeping in mind that Luck as Machiavelli said is the arbiter of half of what we do As the beloved American TV queen Lucy Ricardo is a psychologically complicated character conflicted between her role as a 1950s housewife and her wish to be a star She is an icon of social mobility going from a small New York City apartment to a country house in a swanky suburb and an example of the transitional woman who wants to have it all Is she a feminist Is she a conformist Does she prefer the country to the city Whether she is working on the chocolate factory assembly line baking bread or achieving the American dream Lucy is always speeding it up

The School of Sophisticated Drinking Kerstin Ehmer, Beate Hindermann, 2015-09-13 Wherever and whenever people have been found talking they have been found drinking an age old pastime with an equally storied history Alcohol and civilization have developed in close quarters sometimes supporting each other and sometimes getting in each other's way The School of Sophisticated Drinking which began as an ongoing series of lectures at Berlin's legendary Victoria Bar in 2003 traces the deep seated lineage of drinking in the social political and even scientific developments of our culture

Appealing to both expert drinkers and novice barflies each chapter delves into the sociopolitical significance of and technological innovations behind a familiar wine or spirit brandy vodka whisky rum gin tequila and champagne and shares plenty of tales of adventure from the glamour of Hollywood and Broadway to the tormented worlds of well known writers to the outbreak of wars and the unending struggle for economic and military power The reader's thirst for knowledge can be further quenched by trying any or all of the enticing cocktail recipes gathered at the end of the book

An Introduction to World Politics Richard Oliver Collin, Pamela L. Martin, 2012-08-02 In today's world students need to know that there is more to politics than just politics This clearly written text introduces students to world politics as a combination of comparative politics and international relations in an increasingly interconnected globe and explores topics that are sometimes left out of the equation health care the status of children changing roles of women in the developing world and the interplay among population growth resources the environment and sustainable development Designed specifically for introductory level students the book balances theory with authentic insights and examples that provide a compelling window into the struggles of citizens worldwide

We'll Have Manhattan Dominic Symonds, 2015-01-28 Rodgers and Hart contributed dozens of hits to the Great American Songbook *We'll Have Manhattan* focuses on the first twelve years of their collaboration 1919-1931 documenting their little known early work and providing a critical and analytical commentary on their developing practice and its influence on the American musical
