Haven Rules Of Mating:

Haven Nia K. Foxx, 2013-03-01 Ashlei Preen had spent her entire childhood trying to fit in with the residents of Haven A pretty tall order for someone deemed a regular human in a town of shifters In spite of her minor defect she managed to hold her own As an adult she applied that same tenacity to her medical practice Lately her thoughts have been filled with the town's newest resident who seems more eager to be away from her rather than share the same air space but Ashlei's used to having to fight for what she wants Done with the big city and the stream of crime that consumed his life as a Special Forces detective Seth Riddick thinks Haven is just what he needs a thriving shifter town where he can be true to himself and enjoy his frequent hunts without fear of being trampled that really pisses him off Haven's definitely a paradise for a lone wolf like him but even paradise has its complications For Seth that complication comes equipped with a stethoscope and enough determination to have him questioning his bachelor status Rule Breaker Lora Leigh, 2014-11-04 I'M A HUGE FAN OF LORA LEIGH'S BREED BOOKS Nalini Singh New York Times Bestselling Author of the Psy Changeling Novels There's a fine line between animal instinct and human desire and in the newest book in her highly erotic saga Fresh Fiction of the Breeds Lora Leigh crosses it Lion Breed and enforcer Rule Breaker has a few rules he doesn't break But having sex with a woman outside his own breed even a human woman is not one of them Especially when it's Gypsy the party girl who's determined to lead him on a merry chase But she won't be able to outrun the lion or the man in hot pursuit What he suspects is mating heat may not be that at all Just his animal instincts rioting pacing irritated whenever he's away from her What ensues is a fiery affair that breaks all the rules of mating heat and will eventually endanger his mate with the very rules designed to protect the Breeds for she's possibly been working against them My Forbidden Shifter Match Luna Wilder, Four best friend and ex special forces shifters contact the Love Bites Dating Agency each for different reasons One for love one to forget one on a dare and one by mistake This is Rule's story the one who joined on a dare Rule Young just got out of the military after serving for over a decade He was sick of all of the travel but he'd admit that he does miss being in control being a leader He's still been enjoying himself living out in the woods with his three best friends but now that everyone else has found their mates his life feels like it's missing something His friends suggest that he use the Love Bites Dating Agency to find his fated mate too but he knows what the agency will tell him See there's just one problem He already knows who his fated mate is and she's completely off limits Not only is he old enough to be her father but she's also his little sister's best friend Then during one drunken night with his friends they dare him to sign up and he's had just enough to drink to not think too much about the consequences When the agency contacts him with his match he's right It's Sunny the girl he's been in love with for most of his life When she shows up on his doorstep he knows that he won't be able to hold himself back Not if she keeps smiling at him like that He's using all of his self control to keep his hands to himself but when one slip of the tongue leads them both to a discovery he knows that he won't ever be able to let her go She's his fated mate and he doesn't care if it all started as a

expect is to take one look at the curvy redhead and explode into his shift But he s in the fur and she s petrified so what s an alpha to do Bide his time until he can shift back into his human form explain she s his mate and that he s ready to claim her good and hard again and again He just never counted on the feisty female having her own ideas about her future and the fact that they don t seem to include staying with him An alpha won t give up without a fight and Cruz is no different He ll show Juliette that he s the right male for her shifter or not and that he can be as romantic as the males she writes about
