

KEEP IT TOGETHER!

Cosmic Boogie with the Deviants and the Pink Fairies

RICH DEAKIN

[Introduction by Mick Farren]

Keep It Together Cosmic Boogie With The Deviants And The Pink Fairies

A Loxley

Keep It Together Cosmic Boogie With The Deviants And The Pink Fairies:

Keep It Together! Rich Deakin, 2012-10-01 This is the remarkable story of London's communal bands of the 1960s and 1970s from the perspective of two of its most crucial exponents. Fuelled by amphetamine psychosis, the DEVIANTS and PINK FAIRIES were bands of the people gate crashing festivals and playing for free on a flatbed truck and on some days sharing a bill with Led Zeppelin and the Grateful Dead. KEEP IT TOGETHER tells of the underground movement that was key in shaping a London that had been swinging but was quickly moving toward more brutish territory. It is a tale that includes the Pretty Things, Hawkwind, MC5, Tyrannosaurus Rex, Edgar Broughton Band, Motörhead and a host of other influential bands and pillaged up geezers desperate for a revolution. Or at the very least Top of the Pops. [The Expressway World](#) Richard J. Williams, 2025-04-28 In the demonology of the contemporary city, is there anything more toxic than the expressway? Dividing neighbourhoods, depressing land values, concentrating atmospheric pollutants, the mammoth infrastructure of the expressway is now increasingly crumbling into the ground. How did we build the expressway world in the first place? And what are we going to do now with it now? This eye-opening book explores these questions partly through the great expressway abolitions of recent years, such as Boston's Central Artery buried and covered by a park and Seoul's Cheonggyecheon replaced with an artificial river. But the book also uncovers the hidden stories of expressways that have become weird attractions in their own right, from London's Westway to São Paulo's Minhocão celebrated in art and literature. Above all, the book proposes counterintuitively that we find ways to live with the expressway world and to adapt it to a different future inspired by the many examples where people have already reinvented this challenging legacy on their own terms. Engaging with case studies across the world and recent thinking in the environmental humanities and architectural theory, this is a thought-provoking invitation to reconsider the most maligned structures of the recent urban past. *Pin-Ups 1972* Peter Stanfield, 2022-04-11 A sleazy neon and grease-stuffed chronicle of London's rock scene during the pivotal year of 1972, from Marc Bolan to the New York Dolls, Elvis, Eddie, Chuck, Gene, Buddy and Little Richard were the original rockers. Dylan, the Beatles, the Stones and the Who formed rock's second coming. As the 1960s turned into the 1970s, the crucial question was who would lead rock'n'roll's third generation. *Pin-Ups 1972* tracks the London music scene during this pivotal year: all Soho sleaze, neon, grease and leather. It begins with the dissolution of the underground and the chart success of Marc Bolan. T. Rex formed the backdrop to Lou Reed and Iggy Pop's British exile and their collaborations with David Bowie. This was the year Bowie became a star and redefined the teenage wasteland. In his wake followed Roxy Music and the New York Dolls' future tense rock'n'roll revivalists. Bowie, Bolan, Iggy, Lou, Roxy and the Dolls pin up for a new generation. **Hawkwind: Days of the Underground** Joe Banks, 2021-02-24 An account of the English rock band Hawkwind shows them to be one of the most innovative and culturally significant bands of the 1970s. Fifty years on from when it first formed, the English rock band Hawkwind continues to inspire devotion from fans around the world. Its influence reaches across the spectrum of alternative

music from psychedelia prog and punk through industrial electronica and stoner rock Hawkwind has been variously if erroneously positioned as the heir to both Pink Floyd and the Velvet Underground and as Britain's answer to the Grateful Dead and Krautrock. It has defined a genre space rock while operating on a frequency that's uniquely its own. Hawkwind offered a form of radical escapism and an alternative account of a strange new world for a generation of young people growing up on a planet that seemed to be teetering on the brink of destruction under threat from economic meltdown industrial unrest and political polarization. While other commentators confidently asserted that the countercultural experiment of the 1960s was over Hawkwind took the underground to the provinces and beyond. In *Days of the Underground* Joe Banks repositions Hawkwind as one of the most innovative and culturally significant bands of the 1970s. It's not an easy task. As with many bands of this era a lazy narrative has built up around Hawkwind that doesn't do justice to the breadth of its ambition and achievements. Banks gives the lie to the popular perception of Hawkwind as one long lysergic soap opera with *Days of the Underground* he shows us just how revolutionary Hawkwind was. **Headpress**, 2002 [London Calling](#)

Barry Miles, 2012-03-29T00:00:00+02:00 Eravamo anti sistema in tutto e per tutto nella musica e nell'arte. Volevamo distruggere qualsiasi cosa avesse regole prestabilite tutto quel che c'era di asfissiante tutte le certezze. Eravamo decisi a infrangere tutte le regole in tutti i modi possibili. La Londra di Barry Miles quella della cultura underground che nasce fra le macerie della Seconda guerra mondiale ed esplode nel corso degli anni Sessanta e Settanta concentrandosi sul West End e su Soho le zone in cui era confluita un'eterogenea popolazione di personaggi creativi e fuori dalle righe intolleranti nei confronti delle costrizioni della cultura e del costume ufficiale: scrittori poeti registi musicisti artisti pubblicitari architetti stilisti e una miriade di pi  anonimi personaggi decisi a fare della propria vita un'arte, la storia di una rivoluzione culturale determinata a ottenere una totale confusione dei sensi che si sviluppa fra le vie di una metropoli artisticamente onnivora fatta di locali librerie club pub teatri piazze vicoli scantinati case occupate o case borghesi. Una storia di sconvolgente energia vitale e al tempo stesso autodistruttiva raccontata sul filo di quell'ironia che solo un testimone diretto pu  comunicare. Mettere in fila i nomi che si incontrano fra queste pagine fa tremare l'idea stessa di controcultura poich  vi si ritrova molta della creativit  che anim  per ibridazione la cultura ufficiale del Novecento: Dylan Thomas Francis Bacon i Situazionisti il cool jazz il rock n roll Mary Quant Kingsley Amis J G Ballard i Rolling Stones i Beatles William Burroughs Jimi Hendrix i Pink Floyd Allen Ginsberg Pete Townshend Yoko Ono Derek Jarman David Hockney i Clash i Police Gilbert George Vivienne Westwood i Sex Pistols Boy George Charles Saatchi Lucian Freud Damien Hirst e moltissimi altri. Un libro mondo brulicante di storie e di personaggi il ritratto pi  preciso e divertente mai scritto sull'avventura gloriosa e infame di un'epoca oggi entrata nella leggenda. [I primi 4 secondi di Revolver](#) Gianfranco Salvatore, 2016-11-11T00:00:00+01:00 Lo scopo di questo libro di dar conto di una quantit  di nuovi interessi sia culturali che esistenziali della generazione che si trov  a compiere vent'anni durante gli anni Sessanta e di mostrare come tali interessi fecero diventare inadeguato il modo in cui fino a quel momento la popular

music cio l espressione musicale delle culture popolari urbane aveva concepito e costruito il suo modo di esprimersi attraverso le canzoni la rivoluzione qualcosa che gira revolving di una generazione attorno a questi nuovi interessi a scatenare una rivoluzione delle sue forme espressive *Grebo!: The Loud & Lousy Story of Gaye Bykers on Acid and Crazyhead* Rich Deakin, 2021-10-07 West Midlands 1980s home to heavy metal Black Sabbath and Judas Priest are household names but over the smoking chimneys and factory yards something new and equally ugly forms Grebo was a media constructed music genre that even today sends a shudder down the spines of discerning music fans and critics A homegrown proto grunge counterpart to the likes of Butthole Surfers Mudhoney early Nirvana Alice In Chains and Soundgarden grebo was a British phenomenon that drew on an eclectic range of influences from punk 60s garage and psychedelia through to 70s heavy rock and thrash metal It foreshadowed rave culture and was steeped in class politics GAYE BYKERS ON ACID and CRAZYHEAD hailed from Leicester They were not the first bands to be labelled grebo but they were the most unashamedly unkempt and came to be considered its greatest exponents They were a burst of dirty thunder and almost no one liked them Based on interviews with band members friends fans and roadies this book is an uncompromising history of an overlooked music scene Rich Deakin charts its course via the changing fortunes of the Bykers and Crazyhead taking us on the booze filled tour buses behind the dodgy deals and onto the international stage and back again with a pitstop for a rock movie that swallows lots of money Their careers were short but the two bands managed to shake up the UK indie scene and along the way became Britain s unlikely ambassadors of rock following the collapse of Soviet Russia Strap yourself in for a rocket ride of a book This is GREBO the complete loud and lousy story

As recognized, adventure as competently as experience very nearly lesson, amusement, as skillfully as union can be gotten by just checking out a books **Keep It Together Cosmic Boogie With The Deviants And The Pink Fairies** also it is not directly done, you could take on even more almost this life, almost the world.

We pay for you this proper as with ease as simple way to get those all. We meet the expense of Keep It Together Cosmic Boogie With The Deviants And The Pink Fairies and numerous ebook collections from fictions to scientific research in any way. accompanied by them is this Keep It Together Cosmic Boogie With The Deviants And The Pink Fairies that can be your partner.
