Ritthaler,2010-10 Let me ask you a question who is the Antichrist Have you ever tried to figure out the answer to this question If you re like the average person who understands the days we are living in this question has probably crossed your mind a time or two I have been asked this

very question for a few years now by many different people along life's road God in his mercy has saw fit to give me the answer to this question and I am so grateful for it Through much study and hours upon hours of research God has cleared up this debate through the publication of this book There are so many opinions on who the Antichrist is but most fail to line up with the Bible Many people have even written books on this subject through the years and they are good books but at the books end they never really answer this question and they still leave you guessing My goal in writing this book was to give the public a clear and accurate answer from the Bible that once and for all settles the question of who is the Antichrist I promise you one thing if you read this entire book you will find it impossible to deny who the Antichrist is There are hundreds of Bible verses contained within this book that will expose this man of destiny Please allow God's Holy Spirit to speak to your heart as He has spoken to mine This book will shock you excite you and provide many answers concerning this topic I pray that God will open your eyes as a result of this study and show you that the end is near and JESUS is getting ready to come May God bless you Brother Tony

**Luminescence, Volume 3** C. K. Barrett,Fred Barrett,2018-05-04 What is found in this series unveils an entirely different side of C K Barrett a side one might never have known about if one had knowledge only of his famous commentaries and monographs Herein lies a goodly selection of Kingsley s sermons preached largely in small and medium sized Methodist churches in the northeast of England though often elsewhere in England and around the world Fred Barrett was not the scholar his son was but on close inspection one can most definitely see the impact of the father on the son when it came to preaching It seems right to include as many sermons from both of these men as we can in this series One thing sorely lacking in much preaching these days is in depth engagement with both the biblical text and one s tradition and theology The sermons in these volumes demonstrate what such preaching can look like This third volume presents sermons from both the Old Testament and the New Testament The Works of Mr. William Allen, Consisting of Thirteen Distinct Tracts on Several Subjects. With a Sermon Preach'd at His Funeral by Bishop Kidder ... To which is Prefix'd a Preface Concerning the Author and His Writings, by John Lord Bishop of Chichester William Allen,1707 The Power of Hope Don Clowers,2003 Hope for the future means power for the present Are you discouraged Do you sometimes feel as though there is no hope for you Everyone has experienced these feelings In this power packed book Don Clowers teaches what hope really is and how your hope can be restored He uses his own life experiences stories from other people and sound Bible based principles that will help you release your doubts and discouragement and replace them with solid hope for the future He will help you find the power for living that comes from hoping in Jesus Together you will explore What hope really is The true source of hope How you can walk with hope The victory that comes from doing things God s way How things will be different when you walk in hope How to find hope amidst hopelessness Reflections on hope The ultimate hope and how you can find it No matter what your circumstances in this book Don Clowers will enlighten you and encourage you He will help you become better acquainted with the Hope Giver He will illustrate that no matter how hopeless your situation seems there is hope He will give you practical steps for discovering The Power of Hope *Reflections for Movie Lovers* Matt Kinney,2004 Reflections for Movie Lovers is written for the Christian or movie loving fan who enjoys exploring the spiritual aspects of movies This book of 365 devotionals compares and contrasts movie plots and themes with Bible stories and biblical truth **Hebrews: a Commentary** William H. Bicksler,2005-09-14 This academic commentary on the original languages and NIV and Greek text of Hebrews focuses on the thought beliefs message that are unique to this biblical author without reference to any possible

person tradition has considered as the author lest such a reference determine all possible outcomes of this study The various theories of authorship are studied in the Introduction but the message in its entirety is of unusual significance for Christian Jewish thought and relationships and the development of the Christian Jewish church in the first century and today The So called epistle in shell is actually a theological treatise and impassioned sermon to those facing extreme forms of persecution and efforts to coerce denial of the faith These believers are faced with an accepted legal status as Jews in the Roman Empire versus the people of the Way that was viewed as sectarian by the Jews and as an illegal sect by Rome The quick expansion of the church into the Roman world under the emphases and apologetics of Paul combating some opposition to his message both in the Jewish leadership as well as in the Jewish Christian churches The cruciality of holding on to the eternal truths of the past and not compromising the truth in Jesus of Nazareth places this writing front and center to the basic questions of the relationships of church and Judaism The stance of this author is that of mainline Evangelical thought with awareness of the Wesleyan Lutheran Anabaptist and Calvinistic emphases as well as others The issues of text canon and history of interpretation are specialized studies not covered in this commentary

Vocation in Christ Imliwabang Jamir, 2016-03-11

Karl Barth 1886 1968 as a young Swiss pastor in Safenwil struggled to make an organic connection between the newspaper contemporary sociopolitical events and the New Testament When he discovered a strange new world of God within the Bible God became the subject matter for renewing and transforming the world This discovery helped Barth to integrate the world into his interpretation of the Bible and also impacted his theology of Christian vocation as divine summons to God s special freedom and obedience Vocation in Christ examines the theology of vocation and reading Scripture among the Naga Christians in northeastern India in conversation with Barth s theology of vocation Social scientific research is employed on congregations and Bible study groups to explore how the Naga Christians understand vocation and Scripture in light of their sociopolitical and religious context This book serves as an introduction for Western readers of how vocation is understood from an Asian perspective and emphasizes the theme of vocation as Christian witness without accommodating to worldly values It readdresses Barth s theology of vocation which calls for a revitalization of Christian vocation in our contemporary situation The primary claim of this book is that vocation is God s calling to obedience and devotion to the love of God is reciprocal to the love of neighbor
