Myrales in the Void: Definitive Edition Wes Dyson, 2023-07-11. The Definitive Edition includes the original award-winning novel *Myrales in the Void* and a 27-chapter bonus story called *The Intervening*. About *Myrales in the Void*: This is the story of the Izz Family from the forgotten floating port town of Hop. The family's home, and indeed all of Hop, is made from repurposed ships, signs, barrels, and boxes. The eldest child, Gai, is known for his ability to fix things, and he uses his talent to create a fiddle for his sister Lynd's thirteenth birthday. Lynd, on the other hand, is known to have objects suddenly break around her, as if by magic. When Lynd suddenly disappears in a flash of destructive fury, all of Hop turns against the Izz family, accusing them of being cursed. Their father, Stav, had disappeared under strange circumstances, as well. In his desperation, Gai discovers he can do more than just fix things with his hands; he also has a certain magic, one that seems to bring things back together. He also learns more about his father's disappearance and an illness he had before he left. He worries for his sister, wondering if the same thing plagued her. With the help of a giant turtle named Emilie, Gai sets out from Hop to clear his family's name, vowing to bring them all back together. Along his journey across the sea, he encounters a tech city of gnomes, a Pocket Realm inside a beautiful painting, a tree that grants everlasting youth at a price, and, of course, answers to the nature of his powers and his sister's. They are not the only ones. In the world of Esa, all hearts possess a magic called myra that either bonds or breaks, creates or destroys. The use of this power, called a myracle, can be used to manipulate reality, such as creating or destroying objects, healing injuries, or altering the environment. However, they are not without their consequences; using the destructive power called Ruin can eventually turn that person into a Void, a monster with an unstoppable appetite for destruction that will engulf the entire world. Will Gai be able to find the source of the Ruin that has torn his family apart and save his sister and father before it's too late?
