Keep Sweet Children Of Polygamy:

Keep Sweet Debbie Palmer, David Perrin, 2004 **Modern Polygamy and Mormon Fundamentalism** Brian C. Hales, 2006-01-01 2007 Best Book Award John Whitmer Historical Association Under the subject of alternative lifestyles the issue of polygamous relationships falls squarely in the middle of the debate Polygamous marriages are a common practice in many other countries but the United States has vehemently opposed such unions and will no doubt find itself disputing its position on them again in the near future As with the same sex marriage issue a firestorm of controversy surrounds the question since the right to participate in a polygamous union is very much tied to the right to live out one's preferences religious or not Detailed accounts of sexual abuse and child brides are frequently leaked from the various polygamous societies notwithstanding their extreme efforts to remain under the radar of law enforcement and the press A by product of these mysterious societies is that public interest is vitalized by their continuous efforts to gain independence from traditionalist culture This fascinating study seeks to trace the historical tapestry that is early Mormon polygamy details the official discontinuation of the practice by the Church and for the first time describes the many zeal driven organizations that arose in the wake of that decision Among the polygamous groups discussed are the LeBaronites whose blood atonement killings sent fear throughout Mormon communities in the late seventies and the eighties the FLDS Church which made news recently over its construction of a compound and temple in Texas and Warren Jeffs arrest and conviction and the Allred and Kingston groups two major factions with substantial membership statistics both in and out of the United States All these fascinating histories along with those of the smaller independent groups are examined and explained in a way that all can appreciate **The Secret Lives of Saints** Daphne Bramham, 2009-04-03 The Secret Lives of Saints paints a troubling portrait of an extreme religious sect These zealous believers impose severe and often violent restrictions on women deprive children of education and opt instead to school them in the tenets of their faith defy the law and move freely and secretly over international borders They punish dissent with violence and even death No this sect is not the Taliban but North America's fundamentalist Mormons Daphne Bramham explores the history and ideas of this surprisingly resilient and insular society asking the questions that surround its continued existence and telling the stories of the men and women whose lives are so entwined with it both the leaders and the victims *The Celestial Wife* Leslie Howard, 2024-04-09 A young fundamentalist Mormon girl facing a forced marriage escapes her strict polygamist community and comes of age in the tumultuous 1960s in this captivating novel inspired by shockingly true events Keep sweet no matter what for this is the way to be lifted up Keep sweet with every breath for it is a matter of life or death 1964 Fifteen year old Daisy Shoemaker dreams of life beyond her small isolated fundamentalist Mormon community of Redemption on the Canada US border despite Bishop Thorsen's warning that the outside world is full of sin According to the Principle the only way to enter the celestial kingdom is through plural marriage While the boys are taught to work in the lucrative sawmill that supports their enclave Daisy and

her best friend Brighten are instructed to keep sweet and wait for Placement the day the bishop will choose a husband for them But Daisy wants to be more than a sister wife and a mother So when she is placed with a man forty years her senior she makes the daring decision to flee Redemption Years later Daisy has a job and a group of trustworthy friends Emboldened by the ideas of the feminist and counterculture movements she is freer than she has ever been until Brighten reaches out with a cry for help and Daisy's past comes hurtling back But to save the women she left behind Daisy must risk her newfound independence and return to Redemption where hellfire surely awaits For readers of Emma Cline's *The Girls* and Ami McKay's *The Virgin Cure* comes an arresting coming of age novel about a fearless young girl's fight for freedom at a time of great historic change

Polygamy's Rights and Wrongs Lori Gail Beaman, Gillian Calder, 2013-12-01 Assumptions about the harmful nature of polygamy have left little room for debate with monogamy coming to represent a hallmark of advanced societies and polygamy the immoral alternative Yet in this volume eleven scholars ask whether this condemnation is justified by examining among other perspectives the lived experiences of polygamous families In essays that fearlessly face difficult questions of choice dignity and love the authors seek to complicate a conversation that is more often simplified Thoughtful and persuasive *Polygamy's Rights and Wrongs* is both a close consideration of polygamy and a challenging reflection on the ways in which we value family and intimacy

Sister Wives, Surrogates and Sex Workers Angela Campbell, 2016-04-01 Did she choose that Or more normatively Why would she choose that This book critiques and offers an alternative to these questions which have traditionally framed law and policy discussions circulating around controversial genderized practices It examines the simplicity and incompleteness of choice based rhetoric and of presumptions that women's conduct is shaped in an absolute way either by choice or by coercion This book develops an analytical framework that aims to discern the meaning and value that women may ascribe to morally ambiguous practices An analysis of law's approach to polygamy surrogacy and sex work particularly in Canada the United Kingdom and Australia provides a basis for evaluating the choice coercion binary and for contemplating alternate modes for assessing from a law and policy standpoint the palatability of social practices that appear pernicious to women Weaving together interdisciplinary research an innovative analytical framework for assessing choices ostensibly harmful to women and a critique of the legal rules governing such choices this book bears relevance for students scholars practicing jurists and policymakers seeking a richer understanding of conduct that moves women to the margins of law and society

Forbidden Intimacies Melanie Heath, 2023-02-21 A poignant account of everyday polygamy and what its regulation reveals about who is viewed as an Other In the past thirty years polygamy has become a flashpoint of conflict as Western governments attempt to regulate certain cultural and religious practices that challenge seemingly central principles of family and justice In *Forbidden Intimacies* Melanie Heath comparatively investigates the regulation of polygamy in the United States Canada France and Mayotte Drawing on a wealth of ethnographic and archival sources Heath uncovers the ways in which intimacies framed as other and offensive serve to define the very limits of Western tolerance These

regulation efforts counterintuitively allow the flourishing of polygamies on the ground The case studies illustrate a continuum of justice in which some groups like white fundamentalist Mormons in the U S organize to fight against the prohibition of their families existence whereas African migrants in France face racialized discrimination in addition to rigid migration policies The matrix of legal and social contexts informed by gender race sexuality and class shapes the everyday experiences of these relationships Heath uses the term labyrinthine love to conceptualize the complex ways individuals negotiate different kinds of relationships ranging from romantic to coercive What unites these families is the secrecy in which they must operate As government intervention erodes their abilities to secure housing welfare work and even protection from abuse Heath exposes the huge variety of intimacies and the power they hold to challenge heteronormative Western ideals of love

The Polygamy Question Janet Bennion, Lisa Fishbayn Joffe, 2016-03-01 The practice of polygamy occupies a unique place in North American history and has had a profound effect on its legal and social development The Polygamy Question explores the ways in which indigenous and immigrant polygamy have shaped the lives of individuals communities and the broader societies that have engaged with it The book also considers how polygamy challenges our traditional notions of gender and marriage and how it might be effectively regulated to comport with contemporary notions of justice The contributors to this volume scholars of law anthropology sociology political science economics and religious studies disentangle diverse forms of polygamy and polyamory practiced among a range of religious and national backgrounds including Mormon and Muslim They chart the harms and benefits these models have on practicing women children and men whether they are independent families or members of coherent religious groups Contributors also address the complexities of evaluating this form of marriage and the ethical and legal issues surrounding regulation of the practice including the pros and cons of legalization Plural marriage is the next frontier of North American marriage law and possibly the next civil rights battlefield Students and scholars interested in polygamy marriage and family will find much of interest in The Polygamy Question Contributors include Kerry Abrams Martha Bailey Lori Beaman Janet Bennion Jonathan Cowden Shoshana Grossbard Melanie Heath Debra Majeed Rose McDermott Sarah Song and Maura Irene Strassberg

Women's Journey to Empowerment in the 21st Century Kristen Zaleski, Annalisa V. Enrile, Eugenia L. Weiss, 2020 Written through the lens of transnational feminism Women's Journey to Empowerment in the 21st Century offers a global view into the patriarchal attitudes that shape cultural practices that oppress women and continue to take form in the modern era By examining a range of issues the book compels readers to utilize a contextual framework in taking a closer look at contemporary violence and oppression against women in our world

Mapping the Legal Boundaries of Belonging René Provost, 2014 This collection of essays explores the complex relationship between religion and multiculturalism and the role of the state and law in the creation of boundaries

Depth Psychology, Cult Survivors, and the Role of the Daimon Linda R.

Quennec, 2024-06-10 This book explores the possibilities that exist for navigating out of and away from multiple levels of

oppression through memoir based research It considers how those raised in oppressive high demand communities colloquially referred to as cults can emancipate themselves from controls and expectations inculcated from early childhood and examines processes surrounding the psychological reclamation of self Exploring and metaphorically tending to an orienting psychological dynamic that the ancient Greeks related to as the daimon and using the perspectives of Jungian and post Jungian depth psychology the author investigates how subjects can reclaim agency and avoid excessive control over their thoughts attention and life s intentions They suggest that depth psychologically oriented modes can be used to this attunement and explore this notion through a study of memoirs of individuals who were raised in cults Suggesting a more aligned approach to working with varying levels of psychological constraint and utilizing a phenomenological hermeneutic study it will appeal to scholars and professionals in depth psychology and other psychological orientations as well as individuals who are interested in more deeply understanding the psychological mechanisms involved in leaving a high demand group or other oppressive situations

Property Carol Christie, John Christie, 2013-04-27 In the early 1970s an innocent teenager who had led a sheltered life was forced to leave her family and enter into a polygamous and abusive relationship with a man called the Prophet In 2008 nearly 40 years later in the dead of night she fled and created a new life

Escaping Utopia Janja Lalich, Karla McLaren, 2017-09-01 We think of cults as bizarre inexplicable or otherworldly places that only strange people inhabit but cults and other abusive and high demand groups and relationships are actually quite commonplace In fact the behaviors social pressures and authoritarian structures that create cults exist to a greater or lesser extent in every human relationship and every human group In the first in depth research of its kind the author interviewed sixty five people who were born in or grew up in thirty nine different cultic groups spanning more than a dozen countries What s especially interesting about these individuals is that they each left the cult on their own without outside help or internal support In *Escaping Utopia* Growing Up in a Cult Getting Out and Starting Over the authors craft Lalich s original and groundbreaking research into an accessible and engaging book the first of its kind focusing on this particular population

God Bless America Karen Stollznow, 2014-07-01 *God Bless America* lifts the veil on strange and unusual religious beliefs and practices in the modern day United States Do Satanists really sacrifice babies Do exorcisms involve swearing and spinning heads Are the Amish allowed to drive cars and use computers Taking a close look at snake handling new age spirituality Santeria spells and satanic rituals this book offers more than mere armchair research taking you to an exorcism and a polygamist compound and allowing you to sit among the beards and bonnets in a Mennonite church and to hear L Ron Hubbard s stories told as sermons during a Scientology service From the Amish to Voodoo the beliefs and practices explored in this book may be unorthodox and often dangerous but they are always fascinating While some of them are dying out and others are gaining popularity with a modern audience all offer insight into the future of religion in the United States and remind that fact is often stranger than fiction

Latter-day Screens Brenda R. Weber, 2019-09-13 Brenda R Weber examines

how the mediation of Mormonism through film TV blogs YouTube videos and memoirs functions as a means to understand conversations surrounding gender sexuality spirituality capitalism justice and individualism in the United States

Women in Fundamentalism Maxine L. Margolis, 2019-10-10 Women in Fundamentalism examines the striking similarities in three extreme fundamentalist religious communities in their views about and treatment of women Whether Christian Jewish or Muslim the fundamentalist offshoots of these religions subject women to myriad restrictions in their daily lives All three seek to maintain male control over women s bodies women s activities and the people with whom women associate The three also share common ideologies about women s true nature and proper place The specific cases covered in this text are 1 Mormon polygamists specifically the Fundamentalist Church of Jesus Christ of Latter Day Saints FLDS who live in Utah Arizona Texas and isolated enclaves in Canada and Mexico 2 the Satmar Hasidim of Williamsburg Brooklyn Kiryas Joel a town in Orange County New York and several settlements in Israel and 3 an extreme brand of Islam practiced by the Pashtun ethnic group of Afghanistan and neighboring areas of Pakistan This book effectively bridges the disciplines of women s studies religion and anthropology making it a valuable resource for professors and students seeking new qualitative and quantitative material on women s positions in various religious traditions

Church of Lies Flora Jessop, Paul T. Brown, 2009-01-20 From the Preface My name is Flora Jessop I ve been called apostate vigilante and crazy bitch and maybe I am But some people call me a hero and I d like to think they re right too If I am a hero maybe it s because every time I can play a part in saving a child or a woman from a life of servitude and degradation I m saving a little piece of me too I was one of twenty eight children born to my dad and his three wives Indoctrinated to believe that the outside world was evil and that I resided among the righteous I was destined to marry a man chosen for me by the Prophet I would then live in harmony with my sister wives bear many children and obey and serve my future husband in this life and throughout eternity But my innocence didn t last long While still a child I understood that the church of the righteous was nothing but a church of lies When I was eight years old my father sexually molested me for the first time raping me when I was twelve I tried to kill myself Beaten molested taunted and abused by family members alleging they only wanted to save my soul became a daily routine I ran from this abuse more than once in my early teens even attempting to cross the desert on foot My family hunted me down I thought government agencies would provide me safety if I reported my father Instead police and social services colluded with the FLDS to return me to my family and I ended up back inside polygamy right where I started Flora goes on from there to tell the dramatic true story of how she ultimately escaped and has been fighting against frustrating obstacles with hard fought successes in rescuing women and children from the FLDS It s a story you can t put down

Journal of Mormon History ,2006 Vivre son enfance au sein d'une secte religieuse Lorraine Derocher, 2008 *Ottawa Law Review* ,2009

Unveiling the Energy of Verbal Artistry: An Psychological Sojourn through **Keep Sweet Children Of Polygamy**

Keep Sweet Children Of Polygamy Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Keep Sweet Children Of Polygamy free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Keep Sweet Children Of Polygamy free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from

dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Keep Sweet Children Of Polygamy free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Keep Sweet Children Of Polygamy. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Keep Sweet Children Of Polygamy any PDF files. With these platforms, the world of PDF downloads is just a click away.
