Keeping Secrets Orphan Train Adventures:

Keeping Secrets Joan Lowery Nixon, 2013-11-27 It is the autumn of 1863 and as the Civil War rages a stranger named Violet seeks refuge with the Kelly family. Peg Kelly, 11, is thrilled Violet treats her like an adult, not a child. Violet is fleeing Confederate raiders and has information that may save the Union. But she can't deliver her message unless she takes a dangerous journey. **Orphan Train Adventures: Keeping Secrets** Joan Lowery Nixon, 1996 *Helping Those*

Experiencing Loss Robert J. Grover, Professor Emeritus, Susan G. Fowler, 2011-07-13 This book provides a guide for grieving youth and adults as well as extensive descriptive lists of recommended professional literature resources. Grief caused by loss is both a very common human experience and a highly individualized one. For example, children experience a number of losses that are unique to their young age, such as sibling and parent death, adoption or divorce, and should be given special consideration by professionals and parents helping them in these situations. For gay, lesbian, or cohabiting heterosexual couples that suffer the loss of a partner, societal standards often deny the survivors in these relationships the right to grieve. *Helping Those Experiencing Loss: A Guide to Grieving Resources* is a book like no other, supplying compassionate information for navigating the emotional distress that every man and woman will experience in their lifetime, as well as a comprehensive guide to the literature of bereavement and grieving. It explains the grieving process, interpreting the results of research on the topic in plain language, and addressing specific groups: children, young adults, parents who have lost a child, adults who have lost spouses, and the aging population. **The 100 Most Popular Young Adult Authors** Bernard A. Drew, 1997-10-15

The book focuses on individuals writing in the 90s but also includes 12 classic authors, e.g., Mark Twain, Louisa May Alcott, J. R. R. Tolkien, who are still widely read by teens. It also covers some authors known primarily for adult literature, e.g., Stephen King, and some who write mainly for middle readers but are also popular among young adults, e.g., Betsy Byars. An affordable alternative to multivolume publications, this book makes a great collection, development tool, and resource for author studies. It will also help readers find other books by and about their favorite writers. **Children's Books in Print** R. R. Bowker Publishing, Bowker, 1999-12 *The Fountas and Pinnell Leveled Book List K-8* Irene C. Fountas, Gay Su Pinnell, 2006 A printed bound version of the official Fountas Pinnell leveled book list, sorted by title and by level. **Children's Writer**
