Ken Tyrrell The Authorised Biography:

Ken Tyrrell Maurice Hamilton, 2002 One of the most respected figures in Formula 1 for nearly four decades Ken Tyrrell discovered Jackie Stewart and went on to win 33 grands prix and three world championships as an independent team owner This biography provides an expose of the man himself and an insight into the drama and excitement of the world of Formula 1 motor racing

Performance at the Limit Mark Jenkins, Ken Pasternak, Richard West, 2016-06-30 The world of Formula 1 is a powerful mirror to the world of management where high performance relies on strong leadership clear goals selfless teamwork innovation through constant learning and a winning culture *Performance at the Limit Business Lessons from Formula 1 Motor Racing* uses the case of Formula 1 to demonstrate how business can achieve optimal performance in highly competitive and dynamic environments This third edition has been extensively updated including a powerful new framework The Performance Pyramid recent interviews with leading figures in the industry and a wide range of lessons for improved business practice It will be an invaluable guide for managers and students of business alike

An Independent Man Eddie Jordan, 2011-02-24 The hugely entertaining and extremely candid autobiography of one of the most colourful characters in motor sport Here's what readers say about AN INDEPENDENT MAN An entertaining read for any sports fan and a must read for all Formula 1 fans It is the mixture of honesty passion and humility that makes this such a good read Eddie Jordan gave Michael Schumacher his first drive and helped groom a whole series of drivers early in their careers including Damon Hill and Johnny Herbert But he funded his first move into motor sport by selling smoked salmon well past its sell by date to rugby fans leaving Lansdowne Road when stopped for speeding by a policeman he ended up selling him his car Jordan set up his own team and moved into Formula One at the end of the 1980s It wasn't long before the team began to pick up podium finishes and in 1998 won its first race a remarkable achievement on a comparatively small budget The following year was even better but sadly this was to be the peak as the search for more finance and legal battles with sponsors hit hard Eventually in January 2005 he sold the team AN INDEPENDENT MAN goes behind the scenes to reveal the true personalities of the drivers Jordan worked with and his battles with Bernie Ecclestone It shows how when so much money is involved nothing is ever simple His has been a life lived to the full and his account is packed full of superb stories colourful adventures and revealing tales

The British National Bibliography Arthur James Wells, 2003

My Autobiography Murray Walker, 2002 The voice of motor racing and the man responsible for introducing millions of viewers to the previously inaccessible world of Formula 1 tells the story of his incident packed life Murray Walker is an institution When the man who made famous the catchphrase Unless I'm very much mistaken I AM very much mistaken announced that he was retiring as ITV's Grand Prix commentator at the end of the 2001 season the media reacted as if the sport itself was losing one of its biggest stars His reputation for mistakes was the making of Walker He was the fan who happened to be given the keys to the commentary box and never wanted to give them back His high octane delivery kept viewers on the edge of their seats while

his passion for talking about the sport he loved was matched by an all encompassing knowledge gained through hours of painstaking research before every race In fact he s a throwback to another age who managed to survive and indeed prosper from the revolutions in motor racing In his book he writes about his childhood and the influence that his father British motorcycle champion Graham Walker had on his career Failing to match his father s achievements on the track he made a successful career for himself in advertising which catapulted him to the top of his profession An offer from the BBC to take over the commentary seat for their F1 broadcasts was manna from heaven for Walker and it wasn t long before the infamous Murrayisms enlivened a sport which until then had been shrouded in a cloak of unfathomable technical jargon and mind numbing statistics He also talks about the biggest changes in the sport over the last 50 years in particular the safety issues which came to the fore after the tragic death of Ayrton Senna His partnership with James Hunt behind the microphone is the subject of some hilarious anecdotes while his views on drivers such as Damon Hill Jacques Villeneuve Eddie Irvine and David Coulthard make for fascinating reading

Mansell Nigel Mansell,1996-06 [Just a Moment](#) Schalk Burger Snr,Michael Vlismas,2021-05-20 It was never my dream to become a Springbok rugby player I wanted to become a designer of Formula 1 racing cars In *Just a Moment* Schalk Burger Snr one of the greats of South African rugby shares the many layers of his colourful and eventful life Rugby legend and businessman wine farmer cultural custodian musician father and grandfather Schalk Burger takes us on an intensely personal and honest journey through the triumphs and hardships that have shaped the life of this much loved South African Burger is a storyteller extraordinaire and will have you snorting into your beer as you read about run ins with officialdom fisticuffs on the field how he became the first white Springbok selected from a coloured team and the day Cheeky Watson asked to wash his feet This is a glimpse into the life and times of one of the country s most recognised figures told through the stories of the many lives that have intersected with his Who am I and how do I live That is something this story will bring out of me
