

⚠ WARNING

Installation and service must be performed by a qualified installer.

IMPORTANT: Save for local electrical inspector's use.

Read and Save these instructions for future reference.

The electrical requirements for this oven are 120 volts, 15 amps.

NOTE

1. Base must be capable of supporting 150 pounds (68.0 kg) for the Convection Microwave Oven only.
2. Make sure base is level and front of cabinet is square. If the cabinet base is not level, the oven will tend to slide out when opening the door.
3. Minimum required distance is 36" (91.44 cm) from the floor.
4. The outlet should not be located in the shaded area of Figure 1. It is required the outlet be a dedicated 120 volts with a 15amp rating for the appliance.
5. Minimum required distance between the Microwave Oven and the wall oven cutouts should be at least 3 inches. The actual visible space will be reduced due to the overlap of the Microwave Oven lower vent and the wall oven.

The Routledge International Handbook of Critical Philanthropy and Humanitarianism Katharyne Mitchell, Polly Pallister-Wilkins, 2023-03-01 This handbook builds a shared understanding of the troubling politics of philanthropy and the disturbing history and practices of humanitarianism While historical work on philanthropy has long suggested a link between imperial rule and humanitarian aid these insights have only recently been brought to bear on contemporary forms of giving In this book contributors link the long history of colonial philanthropy to current foundations and their programs in education health migrant care and other social initiatives They argue that both philanthropy and humanitarianism often function to consolidate market rule consolidating and expanding liberal market rationalities of neoliberal entrepreneurialism to a widening population and set of institutions Philanthropy and humanitarianism share a history growing together out of modernist socio economic relations and modes of imperial rule However the histories and contemporary politics of the two have not been brought together with such breadth or under such a critical lens before Discussing philanthropy and humanitarianism together combining both historical scope and contemporary iterations highlights continuities and convergences making the volume a unique introduction and critical overview of critical work in these sister fields

The Oxford Handbook of Caribbean Archaeology William F. Keegan, Corinne L. Hofman, Reniel Rodriguez Ramos, 2013-02-07 The Oxford Handbook of Caribbean Archaeology provides an overview of archaeological investigations in the insular Caribbean understood here as the islands whose shores surround the Caribbean Sea and the islands of the Bahama Archipelago Though these islands were never isolated from the surrounding mainland their histories are sufficiently diverse to warrant their identification as distinct areas of culture Over the past 20 years Caribbean archaeology has been transformed from a focus on reconstructing culture histories to one on the mobility and exchange expressed in cultural and social dynamics This Handbook brings together for the first time examples of the best research conducted by scholars from across the globe to address the complexity of the Caribbean past The Handbook is divided into five sections Part I Islands of History and the Precolonial History of the Caribbean Islands provides an introduction to Caribbean Archaeology and its history The papers in the following Ethnohistory section address the diversity of cultural practices expressed in the insular Caribbean and develop historical descriptions in concert with archaeological evidence in order to place language social organization and the native Ta nos and Island Caribs in perspective The following section Culture History provides the latest research on specific geographical

locations and cross cultural engagements from Jamaica and the Bahama archipelago to the Saladoid and the Isthmo Antillean Engagements Creating History the fourth section includes papers on specific issues related to the field such as Zooarchaeology Rock Art and DNA analysis among others The final section World History centers on the consequences of European colonization
