Demonica Underworld Bundle: 3 Stories by Larissa Ione Larissa Ione, 2017-03-28
 Azagoth Even in the fathomless depths of the underworld and the bleak chambers of a damaged heart the bonds of love can heal or destroy He holds the ability to annihilate souls in the palm of his hand He commands the respect of the most dangerous of demons and the most powerful of angels He can seduce and dominate any female he wants with a mere look But for all Azagoth's power he's bound by shackles of his own making and only an angel with a secret holds the key to his release She's an angel with the extraordinary ability to travel through time and space An angel with a tormented past she can't escape And when Lilliana is sent to Azagoth's underworld realm she finds that her past isn't all she can't escape For the irresistibly sexy fallen angel known as Azagoth is also known as the Grim Reaper and when he claims a soul it's forever Hades A fallen angel with a mean streak and a mohawk Hades has spent thousands of years serving as Jailor of the Underworld The souls he guards are as evil as they come but few dare to cross him All of that changes when a sexy fallen angel infiltrates his prison and unintentionally starts a riot It's easy enough to quell an uprising but for the first time Hades is torn between delivering justice or bestowing mercy on the beautiful female who could be his salvation or his undoing Thanks to her unwitting participation in another angel's plot to start Armageddon Cataclysm was kicked out of Heaven and is now a fallen angel in service of Hades's boss Azagoth All she wants is to redeem herself and get back where she belongs But when she gets trapped in Hades's prison domain with only the cocky but irresistible Hades to help her Cat finds that where she belongs might be in the place she least expected Z Zhubaal fallen angel assistant to the Grim Reaper has spent decades searching for the angel he loved and lost nearly a century ago Not even her death can keep him from trying to find her not when he knows she's been given a second chance at life in a new body But as time passes he's losing hope and he wonders how much longer he can hold to the oath he swore to her so long ago As an emim the wingless offspring of two fallen angels Vex has always felt like a second class citizen But if she manages to secure a deal with the Grim Reaper by any means necessary she will have earned her place in the world The only obstacle in the way of her plan is a sexy hardass called Z who seems determined to thwart her at every turn Soon it becomes clear that they have a powerful connection rooted in the past but can any vow stand the test of time

suffragette moves in with them and everything changes not only for Rose but for the whole country *Collected Stories* Clare Boylan, 2002-09-26 Celebrating twenty years of rare accomplishment The *Collected Stories* introduces American readers to a luminous and unforgettable writer of short fiction The Irish writer Clare Boylan has been publishing compelling and captivating work for over twenty years Though she is the author of six critically acclaimed novels she remains one of the most original and exciting short story writers of our time Like Alistair MacLeod Alice Munro and her compatriot William Trevor her stories are universal Hers is an imagination that is able magically and marvelously to transform everyday experience into something quite unexpected As perceptive as Colette as darkly witty as Dorothy Parker she waves a flag for the dispossessed and the marginalized and gleefully pulls love from behind its romantic facade She makes the reader laugh out loud while at the same time compelling an uncomfortable self examination Plumbing the inner workings of marriage aging family dynamics and the cost of love her richly sardonic humor and acutely merciless observations may seem gentle but look again for they are edged with razors **True Philadelphia Stories** Garret Godwin, 2005-05 These stories and essays for the most part take place in the city of Philadelphia Taken together they paint the portrait of a young scholar trying to find his way in the big city From the halls of academe through his transition into the real world the stories chart his progress his love life his triumphs and his failures as he tries to find within himself who he is and where he belongs on this planet Just because most of the characters are still in their twenties doesn't mean the stories should be labeled coming of age stories Most of the stories have no moral and there are more questions than answers to be garnered from most of them Finally not all the stories are uplifting but at least they are honest and may offer some insight into this perplexing world of which we are all a part Last Stories and Other Stories William T. Vollmann, 2014-07-10 Supernaturally tinged stories from William T Vollmann author of the National Book Award winner *Europe Central* In this magnificent new work of fiction his first in nine years celebrated author William T Vollmann offers a collection of ghost stories linked by themes of love death and the erotic A Bohemian farmer's dead wife returns to him and their love endures but at a gruesome price A geisha prolongs her life by turning into a cherry tree A journalist haunted by the half forgotten killing of a Bosnian couple watches their story and his own wartime tragedy slip away from him A dying American romances the ghost of his high school sweetheart while a homeless salaryman in Tokyo animates paper cutouts of ancient heroes Are ghosts memories fantasies or monsters Is there life in death Vollmann has always operated in the shadowy borderland between categories and these eerie tales however far flung their settings all focus on the attempts of the living to avoid control or even seduce death Vollmann's stories will transport readers to a fantastical world where love and lust make anything possible *The Collected Stories of Elizabeth Bowen* Elizabeth Bowen, 2019-06-05 Widely known for her much admired novels including *The Heat of the Day* *The House in Paris* and *The Death of the Heart* Elizabeth Bowen established herself in the front rank of the century's writers equally through her short fiction This collection brings together seventy nine magnificent stories written over the course of
