The Delicious History of the Holiday Fred Inglis, 2005-11-28 Our holidays lie near the heart of our emotional life enjoyed for a fortnight fed on imagination for eleven months of the year What we want from our holidays tells a lot about who we are and what we wish we were In this charming account Fred Inglis traces the rise of the holiday from its early roots in the Grand Tour through the coming of Thomas Cook and his Blackpool packages to sex tourism and the hippie trail to

Kathmandu He celebrates the bodily pleasures of generations of tourists from Edwardian banquets in Paris to fish and chips on the beach from the Bright Young Things on the Riviera to the chosen hardships of the sea the desert wastes and the mountain tops He considers the ideals and the spiritual aspirations which are part of what we look for in a holiday but he also warns of a darker current how we have increasingly destroyed what we take most pleasure in and how the dealings between those who have much and those who have little can seldom however good our intentions avoid the taint of exploitation

Books in Print ,1991 History and Imagination Ronald Vaughan Morris,2012-03-11 In History and Imagination elementary school social studies teachers will learn how to help their students break down the walls of their schools more personally engage with history and define democratic citizenship By collaborating together in meaningful investigations into the past and reenacting history students will become experts who interpret their findings teach their peers and relate their experiences to those of older students neighbors parents and grandparents The byproduct of this collaborative intergenerational learning is that schools become community learning centers just like museums and libraries where families can go together in order to find out more about the topics that interest them There is an incredible value in the shared and lived experiences of reenacting the past of meeting people from different places and times an authority and reality that textbooks cannot rival By engaging elementary social studies students in living history whether in the classroom after school or in partnership with local historical institutions teachers are guaranteed to impress upon the students a special desired understanding of place and time

The Myths We Live By Raphael Samuel,Paul Thompson,2021-11-30 First published in 1990 The Myths We Live By explores how memory and tradition are continually reshaped and recycled to make sense of the past from the standpoint of the present The book makes use of the rich material of recorded life stories with examples stretching from the transient myths of contemporary Italian school children on strike back to the family legends of classical Greece and the traditional storytelling of Canadian Indians The range of examples is international and together they advocate a transformed history which actively relates subjective and objective past and present politics and poetry and highlights history as a living force in the present The Myths We Live By will appeal to anyone interested in oral history memory and myth
