War, Massacre, and Recovery in Central Italy, 1943-1948 Victoria Belco, 2010-01-01 The Second World War wreaked unprecedented devastation throughout Europe necessitating monumental reconstruction efforts that burdened not only governments but the lives of ordinary citizens War Massacre and Recovery in Central Italy 1943 1948 examines this transitional period in the province of Arezzo by detailing the daily experiences of civilians through the traumas of war and the difficulties of recovery Studying the aftermath of war in a new and insightful way Victoria C Belco shifts the perspective from the national to the local level With this localized focus she provides valuable insight into the ways in which civilians coped with an overwhelming range of problems from adjusting to Allied occupation and widespread displacement to rampant unemployment and the restructuring of local administrations and institutions after fascism Recreating the post war atmosphere of disorder need and political upheaval Belco shows how the competing community interests caused social fragmentations that impeded change while the unity of a shared past prevented civil war

The Poverty of the World Sheyda F. A. Jahanbani, 2023 Bringing together foreign and domestic policy The Poverty of the World aims to offer a new answer to the question of why Americans became obsessed with poverty in the 1960s A history of how American liberals made sense of US power during a period of unprecedented affluence at home it uses intellectual and political biographies of major figures in postwar US social thought and politics to tell the story of how

Americans invented the problem of global poverty and executed a war against it Liberty Over London Bridge Margaret Willes,2024-01-01 The first complete history of Southwark London s stubbornly independent community over the Thames Southwark s fortunes have always been tied to those of the City of London across the river But from its founding in Roman times through to flourishing in the medieval era the Borough has always fiercely asserted its independence A place of licence largely free of the City s jurisdiction Southwark became a constant thorn in London s side an administrative anachronism a commercial rival and an asylum for undesirable industries and residents In this remarkable history of London s liberty beyond the bridge Margaret Willes narrates the life and times of the people of Southwark capturing the Borough s anarchic spirit of revelry Populated by a potent mix of talented immigrants religious dissenters theatrical folk brewers and sex workers Southwark often escaped urban jurisdiction giving it an atmosphere of danger misrule and artistic freedom Tracing Southwark s history from its Roman foundation to its present popularity as a place to visit through Chaucer to Shakespeare and on to Dickens Willes offers an indispensable exploration of the City s unacknowledged mirror image Democracy Declassified Michael P. Colaresi,2014 institutional accountability and transparency have reached a fever pitch Democracy Declassified provides a grounded and important view on the connection between the role of secrecy in democratic governance and foreign policymaking Jacket Shaping the City to Come Deborah Lewittes,2022-02-15 This study reassesses modern architecture and town planning in mid twentieth century England highlighting ideas and debates that were in circulation as modernist ideals gradually took root The book reveals an architectural culture that was serious active and visionary with impact that extended into the postwar years Through close studies of specific works and writings the author acknowledges the importance of the international context of modern architecture as it intersected with the variety of narratives that defined English modernism such as national identity the New Empiricism and the picturesque taking into account the large community of migr architects who settled in England with the approach of World War II as well as a more general dissemination of international style forms and theories from continental Europe The book places familiar figures such as Berthold Lubetkin and Ern Goldfinger as well as projects such as Tecton s Penguin Pool and the Festival of Britain s Live Architecture Exhibition in new light presenting a rich picture of the modern architectural climate in England The study draws attention to the debates proposals and processes that fed into the development of modernist urban minded and forward looking architectural ideals Young Offenders Pamela Horn,2010-06-15 A fascinating and very readable exploration of how young offenders have passed through the legal justice system over 300 years **Raymond Carr** María Jesús González Hernández,2013 Published in collaboration with the Ca anada Blanch Centre for Contemporary Spanish Studies **Reading Enid Blyton** Philip Gillett,2020-10-19 Enid Blyton has been disparaged by her critics since the 1950s and her stock is still low though this has not deterred readers New editions of her work have been published regularly since her death in 1968 Recently there have also been stage and television adaptations of her Malory Towers books while other authors have

continued to write stories based on her characters There are also Famous Five parodies which rely on readers familiarity with the series A continuing affection for her work is apparent though it is not always clear whether this comes from parents or their children Reading Enid Blyton places the author s work in its cultural and historical context The book examines a sample of her vast output looking at five recurring themes a sense of place a sense of period a sense of childhood a sense of class and a sense of fantasy A survey of changing attitudes towards Blyton reveals contrasting ways of looking at her work and raises the question whether she was as reactionary a writer as she appeared

When Lions Roar Thomas Maier,2015-10-27 The first comprehensive history of the deeply entwined personal and public lives of the Churchills and the Kennedys and what their special relationship meant for Great Britain and the United States When Lions Roar begins in the mid 1930s at Chartwell Winston Churchill s country estate with new revelations surrounding a secret business deal orchestrated by Joseph P Kennedy the soon to be American ambassador to Great Britain and the father of future American president John F Kennedy From London to America these two powerful families shared an ever widening circle of friends lovers and political associates soon shattered by World War II spying sexual infidelity and the tragic deaths of JFK s sister Kathleen and his older brother Joe Jr By the 1960s and JFK s presidency the Churchills and the Kennedys had overcome their bitter differences and helped to define the greatness in each other Acclaimed biographer Thomas Maier tells this dynastic saga through fathers and their sons and the remarkable women in their lives providing keen insight into the Churchill and Kennedy families and the profound forces of duty loyalty courage and ambition that shaped them He explores the seismic impact of Winston Churchill on JFK and American policy wrestling anew with the legacy of two titans of the twentieth century Maier also delves deeply into the conflicted bond between Winston and his son Randolph and the contrasting example of patriarch Joe Kennedy a failed politician who successfully channeled his personal ambitions to his children By approaching these iconic figures from a new perspective Maier not only illuminates the intricacies of this all important cross Atlantic allegiance but also enriches our understanding of the tumultuous time in which they lived and the world events they so greatly influenced With deeply human portraits of these flawed but larger than life figures When Lions Roar explores the special relationship between the Churchills and Kennedys and between Great Britain and the United States highlighting all of its emotional complexity and historic significance

Property Crime in London, 1850-Present W. Meier, 2011-07-04 This book examines London's transformation from the mid Victorian miracle of low crime to a high crime society treating six different types of misdeed as representative of phases in the evolution of crime to argue that lawbreaking must be explained by connecting all types of offenses to their social and economic contexts

Nights Out Judith Walkowitz, 2012-05-15 London's Soho district underwent a spectacular transformation between the late Victorian era and the end of the Second World War its fin de siècle buildings and dark streets infamous for sex crime political disloyalty and ethnic diversity became a center of culinary and cultural tourism servicing patrons of nearby shops and theaters Indulgences for the privileged and the upwardly mobile edged a dangerous transgressive space imagined to be outside the nation Treating Soho as exceptional but also representative of London's urban transformation Judith Walkowitz shows how the area's foreignness liminality and porousness were key to the explosion of culture and development of modernity in the first half of the twentieth century She draws on a vast and unusual range of sources to stitch together a rich patchwork quilt of vivid stories and unforgettable characters revealing how Soho became a showcase for a new cosmopolitan identity

Archbishop Fisher, 1945-1961 Andrew Chandler, David Hein, 2016-04-15 Archbishop Fisher's archiepiscopate reflected the central issues of his time and place It was Fisher who oversaw an immense programme of reforms which effectively recast the institutions of the Church of England for generations to come It was Fisher who proved to be the essential architect politician and diplomat behind the creation of a worldwide Anglican Communion His determination to promote the development of relations with other churches produced a vital contribution to the cause of ecumenism which culminated in his momentous meeting with Pope John XXIII Archbishop Fisher was a vigorous participant in the questions which defined national and international life This book explores Fisher's influence on major contemporary issues and events including divorce law reform and capital punishment at home and the end of Empire and the most dangerous years of the Cold War abroad This new biography

establishes the continuing significance not only of the office of Archbishop in the Church but also of the Church at large in the tumultuous world of the later twentieth century A final section of original source material includes letters sermons and other writings bringing vividly to life the range and character of Fisher's public and private role **Alfred Kazin** Richard

M. Cook, 2007-12-01 Born in 1915 to barely literate Jewish immigrants in the Brownsville section of Brooklyn Alfred Kazin rose from near poverty to become a dominant figure in twentieth century literary criticism and one of America's last great men of letters Biographer Ri **London Narratives** Lawrence Phillips, 2006-09-25 The post war redevelopment of London

has been the most extensive in its history and has been accompanied by a dramatic social and cultural upheaval This book explores the literary re-imagining of the city in post war fiction and argues that the image history and narrative of the city has been transformed alongside the physical rebuilding and repositioning of the capital Drawing on the ideas of Michel de Certeau Henri Lefebvre Anthony Vigler and others as well as the latest work on urban representation this book is an

important contribution to the study of the intersection between place lived experience and the literary imagination Texts covered include novels by some of the most significant and lesser known authors of the period including Graham Greene

George Orwell J G Ballard Stella Gibbons David Lodge Doris Lessing B S Johnson Sam Selvon V S Naipaul Peter Ackroyd and Iain Sinclair **Domestic Soldiers** Jennifer Purcell, 2010-08-26 Over 8 million women stayed at home during the Second

World War and their story has never been told Using brand new research from the Mass Observation Archive Jennifer Purcell brings to life in all its tragedy pathos joy and fear the lives of six ordinary women made extraordinary by the demands of war In their diaries and notes they record the inner thoughts and everyday activities as they tried to survive come what may Nella Last the archetypal housewife struggles between the demands of her husband and her desire to help the war effort

Cambridge educated middle class Natalie Tanner sneaks out to the cinema whenever possible and discusses politics in town leading a leisured life while others try to scrape by Saddled with a draughty and unwieldy centuries old home directly in the path of German bombs Helen Mitchell constantly tries to escape the war and her domestic life Opinionated and patriotic Edie Rutherford uses the war to escape the home and go to work Alice Bridges endures the horrors of the Blitz on her home town of Birmingham and finds a new and exciting social life as she reports the war for Mass Observation Housebound for most of the war with debilitating arthritis working class Irene Grant struggles to keep her family fed and dreams of a better Britain Intensely moving and personal each woman reveals their most secret fears and hopes as well as the everyday problems of wanting to contribute to the war effort keeping a house together under difficult circumstances the travails of rationing work and volunteering whilst maintaining their duties as wife and mother Jennifer Purcell redraws a new emotional and

unexpected history of the Second World War as it was experienced by those left behind the domestic soldiers **Journey's**

End Kevin Wilson, 2010-06-10 A brilliant insight into life in the air and on the ground Observer In February 1945 British and American bombers rained down thousands of tons of incendiaries on the city of Dresden killing an estimated 25 000 people

and destroying one of the most beautiful cities in Europe The controversy that erupted shortly afterwards and which continues to this day has long overshadowed the other events of the bomber war and blighted the memory of the young men who gave their lives to fight in the skies over Germany Journey s End neither condemns nor condones the bombing of Dresden but puts it in its proper context as part of a much larger campaign To the young men who flew over Germany night after night there were other much more pressing worries the V2 rockets that threatened their loved ones at home the brand new German jet fighters that could strike them at speeds of over 600mph They lived life at a heightened tempo during these final unforgiving months of the bomber war when no quarter was given on either side As the climactic volume in Kevin Wilson s acclaimed bomber war trilogy Journey s End chronicles the brutal endgame of a conflict that caused such devastation and tragedy on both sides
