To Marry the Duke

Julianne MacLean,2009-10-13 My dear sister Clara London society is so much more complicated than I could ever have known Every night is a different ball or assembly and a different swirl of glittering jewels and rustling gowns Though I fear I am making social blunders left and right I am having some measure of success in my or rather Mother s objective Mother is beside herself with glee at the attentions I have been receiving from a few gentlemen she finds supremely suitable as husband material But my dearest sister it is so hard for me to even look at any gentleman but a certain duke who if I may confess makes my heart beat so that I fear it can be seen across a ballroom He is James Langdon the Duke of Wentworth and though I may sound dramatic he makes me feel as no man ever has before But I must push these feelings away I sometimes hear whispers about his dark past and he is quietly called the Dangerous Duke Oh Clara I am secretly overjoyed that he may love me and at the same time terrified of his attentions I have waited so long for my true love and now I must resist him to protect my heart If only I knew how to proceed Your devoted sister Sophia The Legend of Nimway Hall: 1818 - Isabel

Suzanne Enoch,2018-03-29 New York Times bestselling author Suzanne Enoch spins a Regency era tale at Nimway Hall in a book series centered on an estate where love and magic entwine to bring romance to all who dwell there A passionate determined young lady trying to prove herself worthy of a magic touched legacy and a steadfast gentleman looking for his own place in the world join forces to restore an abandoned estate to its former glory The moment Isabel de Rossi turns eighteen she takes charge of Nimway Hall which has stood empty for the past ten years Well aware that all her female forebears found true love at Nimway she can t wait to discover her own destined match Instead she s faced with Adam Driscoll the infuriatingly practical estate manager whose presence is a constant reminder that her own grandmother thinks she has no idea what she s doing Adam thought the recent offer of a position at Nimway Hall a godsend After spending six years managing his elderly uncle s estate he is facing either a dreary career in the army or the church At Nimway his feet are on the ground his hands in the earth his mind on practical matters The last complication he needs is a foreign raised heiress intent on finding a magical orb but Adam can t help noticing that his strangely derailed repairs are suddenly on track and that the clever amusing mistress of the Hall is genuinely interested improving her estate and the lives of her tenants And he is beginning to find it hard to resist his simmering attraction Isabel though wonders if she isn t worthy of becoming the property s guardian The famous orb the artifact reputedly responsible for every love match made at Nimway Hall is nowhere to be found until dreamy Lord Alton arrives and starts to pursue Isabel The pesky orb suddenly appears though it seems to have a preference for the strong and loyal Adam For an unsophisticated young lady the choice between a charming viscount and an interfering employee should be a simple one but magic is a stubborn thing and the heart is even more headstrong Each and every Enoch romance is a sparkling gem brimming over with marvelous characters depth of emotion intense sensuality and a plot that twists and turns leaving readers breathless and deliciously satisfied Romantic Times 4 1 2 Stars
