Quicklet on Robert Heinlein's Stranger in a Strange Land (CliffNotes-like Book Summary and Analysis)

Joseph Pritchard, 2012-07-30 ABOUT THE BOOK I believe it was Arthur C Clarke who once said that science fiction rarely tries to predict the future but rather tries to prevent it In many ways he s absolutely right The purpose of great science fiction isn t to show us what our future will be but to help us reflect question and ultimately transcend the limitations of our current mindset When we consider the great science fiction writers of the previous two centuries Literary greats such as Verne Wells Niven and Asimov may have spun tales that were highly engaging thought experiments possibly thought provoking but ultimately no more able to predict the future than say one s daily horoscope Naturally when it comes to an author of Robert Heinlein s somewhat conservative orientation Stranger in a Strange Land is somewhat surprising The novel was published in 1961 and as such reflects much of the mor s prevalent during the late 1950s and early 1960s As such themes such as free love versus religious conservatism clash Consider for instance how one of the novel s female characters opines that women are to blame for ninety percent of rapes Such a view may have been typical in the 1950s but it isn t one that is as widely embraced The novel s main protagonist takes on a somewhat Messianic figure But what s interesting is the novel remains unclear about whether or not this is meant to be a good or bad thing EXCERPT FROM THE BOOK There is a great deal of philosophizing in addition to a rather cinematically pleasing display of his special abilities Harshaw also asks Jill to try to learn Martian from Smith in order to better facilitate communication with him The readers learn of Smith s remorse over his using his powers to make the government agents that were chasing them disappear However we also learn that the Martians in the novel s world seem to practice ritualistic cannibalism In fact Smith actually articulates his desire to eat Harshaw s corpse when he passes This does not sit well with Duke Harshaw s manservant who is also in charge of maintaining everything technological within the household Harshaw actually almost fires Duke after the latter shared his misgivings about Smith s apparent cannibalism In fact Duke even refuses to eat at the same table as Smith a sentiment that incites Harshaw s anger Duke would have lost his job had he not also told Harshaw that despite his misgivings about the strange man Duke did not consider Smith dangerous Harshaw tells Duke that he can keep his job so long as he continues to eat at the same table as everyone He also encourages Duke to become Smith s water brother albeit warning him not to take the ceremony lightly Duke seems to represent the typical Westerner s response to Smith s alien culture whereas Harshaw is meant to be more open minded and accepting of individualism Buy the book to continue reading Follow hyperink on Twitter Visit us at www.facebook.com/hyperink Go to www.hyperink.com to join our newsletter and get awesome freebies CHAPTER OUTLINE Quicklet on Robert Heinlein s Stranger in a Strange Land Robert Heinlein s Stranger in a Strange Land About the Book Introducing the Author Overall Summary Chapter By Chapter Summary and Commentary and much more

Winner of the Caforio prize for the best book in armed forces and civil military relations published between 2015 and 2016 In

On Military Memoirs Esmeralda Kleinreesink offers insight into military books who were their writers and publishers what were their plots and what motives did their authors have for writing them Every Afghanistan war autobiography published in the US the UK Germany Canada and the Netherlands between 2001 and 2010 is compared quantitatively and qualitatively On Military Memoirs shows that soldier authors are a special breed that self published books still cater to different markets than traditionally published ones that cultural differences are clearly visible between warrior nations and non warrior nations that not every contemporary memoir is a disillusionment story and that writing is serious business for soldiers wanting to change the world The book provides an innovative example of how to use interdisciplinary mixed method cross cultural research to analyse egodocuments *The Independent American Indian Review* ,1999 *Fantasy Review* ,1984 New Forms of Environmental Writing Timothy C. Baker,2022-05-19 Surveying a wide range of contemporary poetry fiction and memoir by women writers this book explores our most pressing environmental concerns and shows how these texts find innovative new ways to respond to our environmental crisis Arguing for the centrality of individual encounter and fragmentary form in 21st century literature as well as themes of attention care and loss Baker highlights the ways that fragmentary texts can be seen as a mode of resistance These texts provide new ways to consider the role of individual agency and enmeshment in a more than human world The author proposes a new model of gleaning to encompass ideas of collection assemblage and relinquishment and draws on theoretical perspectives such as ecofeminism new materialism and posthumanism Examining works by writers including Sara Baume Ali Smith Elizabeth Jane Burnett Bhanu Kapil and Kathleen Jamie Baker provides important new insights into understanding our planetary predicament **The National Union Catalog** ,1956 Constitutes the quinquennial cumulation of the National union catalog Motion pictures and filmstrips The New York Times Book Review ,1970 *Masterpieces of Catholic Literature in Summary Form* Frank Northen Magill,1965 Like a Cliffs Notes for theology this volume contains condensed versions of major writings by saints Catholic theologians and Popes Films and Other Materials for Projection Library of Congress,1974 *Quicklet on Isabella Bird's A Lady's Life in the Rocky Mountains (CliffNotes-like Summary & Analysis)* Lacey Kohlmoos,2012-07-30 ABOUT THE BOOK I have just dropped into the very place I have been seeking but in everything it exceeds all my dreams Imagine a time when the wild west was still wild when no one knew what lay inside the dense forests blanketing Colorado s Rocky Mountains When grizzly bears still reigned supreme over California s forests and the night was filled with the sounds of night creatures Imagine a time when ruffians and desperados roamed the land inspiring both fear and awe in all those who saw them Imagine a time when Denver was a rough and ready town just recently brought under civil law and the ink on the document proclaiming Colorado s statehood was still wet The mountains were not yet riddled with mine shafts but hopes and dreams were just beginning to be smashed by the empty promises of wealth below the Earth s surface The year is 1873 and America is a wild place still recovering from a devastating civil war and learning how to be a country Colorado is a wilderness just beginning to

be populated by miners settlers looking for a new life and invalids grasping at the hope that the clean air will bring a cure It is a beautiful place full of promise but it is also a hard place that is more likely to break your heart It is to this Colorado that Isabella Bird a 43 year old English lady finds herself drawn EXCERPT FROM THE BOOK In 1873 Isabella Bird is 42 years old and she has mountain fever She yearns to immerse herself in the beauty and culture of Colorado s Rocky Mountains She doesn t care if she has to rough it a little she wants to ride a horse through dense forests and climb atop rocky crags to look down on the world from above Isabella s journey begins in San Francisco and quickly moves to the Sierra Nevadas where she is transfixed by the sparkling emerald beauty of Lake Tahoe and the tragic mountain gem of Donner Lake Dipping down on the easterly slope of the Sierras she begins a long and tedious crossing of the Plains Here she finds herself enclosed in an endless sea of grass that possesses all the loneliness of the ocean and none of the beauty Isabella is stifled by the heat and black flies that coat every surface The towns in which she stops are dreary outposts of no merit So she runs for the hills For weeks Isabella finds herself stuck in Canyon Colorado staying with the Chalmers family There is nothing beautiful about this place where everyone lives and breathes work She lends a hand where she can and bides her time until she can figure out a way to reach Estes Park the mountain land of her dreams Just when Isabella is about to give up hope of ever reaching Estes Park she finds two young men who will take her there The ride is beautiful and before she knows it they are at Rocky Mountain Jim s cabin at the mouth of Estes Park She is immediately struck by both the handsomeness brutality and charm of the ruffian He continues to be in her thoughts until she comes upon Evans s camp set up in a lovely meadow next to a picturesque lake She decides to stay in this idyllic setting until winter comes on Buy the book to continue reading Follow hyperink on Twitter Visit us at www.facebook.com/hyperink Go to www.hyperink.com to join our newsletter and get awesome freebies CHAPTER OUTLINE Isabella Bird s A Lady s Life in the Rocky Mountains About the Book Introducing the Author Overall Summary Chapter by Chapter Summary and Commentary and much more **The Publishers Weekly** ,1911
