Collins, 2014-09-19 The years 1790 to 1830 saw Britain engage in an extensive period of war waging and empire building which transformed its position as an imperial state established its reputation as a distinctive military power and secured naval preeminence Despite this apparent success Britain did not become a world super power in the conventional sense Instead as Professor Collins demonstrates it operated as an enclave power influencing or dominating many regions of the world without ever asserting global hegemony Even in the 1820s Britain still had to fight to maintain influence and sometimes struggled to assert dominance on the borderlands of the empire By locating naval and military power at the heart of Britain's relationship with the wider world Bruce Collins offers an insightful reinterpretation of the interaction between military and naval war making the expansion of the empire and the nature of the British regime Using examples of conflicts ranging from continental Europe and Ireland to North America Africa and India he argues that the state's effectiveness in war was crucial to its imperial expansion and gives new significance to British military conduct in an age of revolution and war **Subject Guide to Books in Print**, 1997 *American Book Publishing Record*, 1997-09 [Lonely Planet Cruise Ports Caribbean](#) Lonely Planet, Ray Bartlett, Paul Clammer, Alex Egerton, Anna Kaminski, Catherine Le Nevez, Andrea Schulte-Peevers, Regis St Louis, Mara Vorhees, Luke Waterson, 2018-06-01 Lonely Planet The world's number one travel guide publisher Lonely Planet's Cruise Ports Caribbean is your passport to the most relevant up to date advice on what to see and skip and what hidden discoveries await you Sip cocktails on the colorful portside of Curacao sail into the very heart of the West Indies in down to earth St Kitts and escape the crowds on stunning St John all with your trusted travel companion Discover the best of the Caribbean and begin your journey now Inside Lonely Planet's Cruise Ports Caribbean Full color maps

Blank,2005 **Understanding Global Cultures** Martin J. Gannon,Rajnandini Pillai,2015-02-16 In the fully updated Sixth Edition of Understanding Global Cultures Metaphorical Journeys Through 34 Nations Clusters of Nations Continents and Diversity authors Martin J Gannon and Rajnandini Pillai present the cultural metaphor as a method for understanding the cultural mindsets of individual nations clusters of nations continents and diversity in each nation A cultural metaphor is any activity phenomenon or institution that members of a given culture consider important and with which they identify emotionally and or cognitively such as the Japanese garden and American football This cultural metaphoric approach identifies three to eight unique or distinctive features of each cultural metaphor and then discusses 34 national cultures in terms of these features The book demonstrates how metaphors are guidelines to help outsiders quickly understand what members of a culture consider important *Australian National Bibliography* ,1995

**The Potential of Whale Watching in the Caribbean** Erich Hoyt,1999 **The British National Bibliography** Arthur James Wells,2009 **Eastern Caribbean** Glenda Bendure,Ned Friary,1998 This second edition covers outdoor activities from diving beautiful coral reefs to hiking alongside towering waterfalls and includes restaurants and accommodations for all budgets of color photos 80 maps

**Bibliographic Guide to Maps and Atlases** Gale Group,2001-07 **Travel and Ethics** Corinne Fowler,Charles Forsdick,Ludmilla Kostova,2013-12-13 Despite the recent increase in scholarly activity regarding travel writing and the accompanying proliferation of publications relating to the form its ethical dimensions have yet to be theorized with sufficient rigour Drawing from the disciplines of anthropology linguistics literary studies and modern languages the contributors in this volume apply themselves to a number of key theoretical questions pertaining to travel writing and ethics ranging from travel as commoditization to encounters with minority languages under threat Taken collectively the essays assess key critical legacies from parallel disciplines to the debate so far such as anthropological theory and postcolonial criticism Also considered and of equal significance are the ethical implications of the form s parallel genres of writing such as ethnography and journalism As some of the contributors argue innovations in these genres have important implications for the act of

theorizing travel writing itself and the mode and spirit in which it continues to be conducted In the light of such innovations how might ethical theory maintain its critical edge
