guide Organized by topic each topic begins with information that is useful to new travelers so that anyone can begin with any topic without any previous knowledge of it However the book also goes further so as to provide information useful to the seasoned traveler The wide variety of topics related to travel provide many new and possibly overlooked opportunities even for veteran travelers and the works included have been selected because of the depth with which each treats its subject matter in order to ensure that each resource is of the quality that today s traveler demands The Dracula Dilemma Duncan Light,2016-03-23 For many in the West Romania is synonymous with Count Dracula Since the publication of Bram Stoker s famous novel in 1897 Transylvania and by extension Romania has become inseparable in the Western imagination with Dracula vampires and the supernatural Moreover since the late 1960s Western tourists have travelled to Transylvania on their own searches for the literary and supernatural roots of the Dracula myth Such Dracula tourism presents Romania with a dilemma On one hand Dracula is Romania s unique selling point and has considerable potential to be exploited for economic gain On the other hand the whole notion of vampires and the supernatural is starkly at odds with Romania s self image as a modern developed European state This book examines the way that Romania has negotiated Dracula tourism over the past four decades During the communist period up to 1989 the Romanian state did almost nothing to encourage such tourism but reluctantly tolerated it However some discrete local initiatives were developed to cater for Dracula enthusiasts that operated at the margins of legality in a communist state In the post communist period after 1989 any attempt to censor Dracula has disappeared and the private sector in Romania has been swift to exploit the commercial possibilities of the Count However the Romanian state remains ambivalent about Dracula and continues to be reluctant to encourage or promote Dracula tourism As such Romania s dilemma with Dracula remains unresolved *Lonely Planet Europe on a shoestring* Lonely Planet,Mark Baker,Korina Miller,Simon Richmond,Andrea Schulte-Peevers,Andy Symington,Nicola Williams,2018-10-01 Lonely Planet The world s leading travel guide publisher Lonely Planet s Europe on a Shoestring is your passport to having big experiences on a small budget offering the most relevant up to date advice on what to see and skip what hidden discoveries await you and how to optimise your budget for an extended continental trip Hit the streets and free museums of one of the world s greatest capital cities London soak up history and art by day and party by night in Berlin pick your Greek island for fresh food and golden beaches All with your trusted travel companion Inside Lonely Planet s Europe on a Shoestring Budget oriented recommendations with honest reviews eating sleeping sightseeing going out hidden gems that most guidebooks miss Extensive planning tools and budget calculators Highlights and itineraries help you tailor your trip to your personal needs and interests Insider tips to save time and money and get around like a local avoiding crowds and trouble spots Essential info at your fingertips hours of operation phone numbers websites transit tips prices Cultural insights provide a richer more rewarding travel experience covering history art literature cinema landscapes Colour maps and images throughout Covers Great Britain Ireland France Germany Switzerland Spain Portugal Italy Greece Turkey Scandinavia Russia
