

The background of the cover is a photograph of a mosque's facade. It features a large, ornate dome with a colorful mosaic of geometric and floral patterns in shades of orange, green, and blue. Below the dome is a large, arched entrance (iwan) with a complex, multi-tiered muqarnas (stalactite) ceiling. The walls are covered in intricate tilework, including large panels with star and crescent motifs. At the bottom center, there is a smaller arched doorway with a reddish-brown wooden door. The sky is a clear, bright blue.

Peace Through Tourism Freya Higgins-Desbiolles, Lynda-Ann Blanchard, Yoko Urbain, 2022-12-26 Peace through Tourism considers the possibilities for tourism to contribute to efforts to unmask conflict and promote peace This edited volume considers the intersections between tourism peace justice and sustainability through conceptual and empirical works surveying practices problems and challenges all around the globe It presents a complex and critical approach arguing that peace through tourism is dialogic and not as simple as describing a few good niche segments of tourism The pedagogies of peace represented here work to analyse structural violence associated with tourism such as in the dominance of neoliberal market imperatives over local or social economies colonising patriarchal and anthropocentric practices in tourism and

tourism's complex role in post conflict settings Analyses found here place scholars industry and communities in conversation about building shared tourism futures where peace is understood as peace with justice and differences are bridged through dialogues towards understanding In light of the many challenges in attaining sustainable development in the 21st century this volume is an important and timely endeavour Radical practices are explored that support more just tourism futures With a new introduction this book is an insightful resource for scholars and researchers of Tourism and Peace and Conflict Studies The chapters in this book were originally published in Journal of Sustainable Tourism Tourism in Iran Siamak Seyfi,C. Michael Hall,2018-10-11 Iran has long been regarded as an international pariah state in some parts of the international community However its negative image in many countries disguises its history of tourism and rich cultural and natural heritage Following the July 2015 nuclear deal and the reduction in sanctions Iran is focusing on international tourism as a means to generate economic growth in addition to its substantial domestic tourism market Given the significance of tourism in the Middle East and in international politics as well as restrictions on international mobility this volume brings together the first contemporary collection of research on tourism in Iran Written by experts based both within and outside of Iran the chapters engage with a number of crucial issues including the importance of religion the role of women in society sustaining Iran's cultural heritage Iran's image and the resistive economy to provide a benchmark assessment of tourism and its potential future in a troubled political environment The book will undoubtedly be of interest not only to those readers who focus specifically on Iran but also those who seek a wider understanding of Iran's role in the region and how tourism is utilised as part of national and regional economic development policies **Lonely Planet Central Asia** Lonely Planet,Stephen Lioy,Anna Kaminski,Bradley Mayhew,Jenny Walker,2018-06-01 Lonely Planet The world's number one travel guide publisher Lonely Planet Central Asia is your passport to the most relevant up to date advice on what to see and skip and what hidden discoveries await you Enjoy booming Almaty's cafes clubs and shops wind through rugged mountains past ancient tombs hot springs and remote Kyrgyz yurt camps on Tajikistan's Pamir Highway and wonder at the architecture in Uzbekistan's Samarkand all with your trusted travel companion Get to the heart of central Asia and begin your journey now Inside Lonely Planet's Central Asia Colour maps and images throughout Highlights and itineraries help you tailor your trip to your personal needs and interests Insider tips to save time and money and get around like a local avoiding crowds and trouble spots Essential info at your fingertips hours of operation phone numbers websites transit tips prices Honest reviews for all budgets eating sleeping sightseeing going out shopping hidden gems that most guidebooks miss Cultural insights provide a richer more rewarding travel experience covering history art literature music architecture landscapes wildlife Islam in Central Asia the Silk Road Central Asia today Covers Kyrgyzstan Kazakhstan Uzbekistan Turkmenistan Tajikistan and more eBook Features Best viewed on tablet devices and smartphones Downloadable PDF and offline maps prevent roaming and data charges Effortlessly navigate and jump between maps and reviews Add notes to personalise your
