Legendary indie rockers the Jesus Lizard's idiosyncratic impassioned document of their rock and roll conquests If you're a Jesus Lizard fan or a David Yow devotee you're sure all over this But even if you've never heard of the band the book stands as one of the best ways to experience being in a tight cohesive band You get everything except the sweat spilled beer and blood It's a fun ride and the closest thing possible to getting in the van with these guys Mother Jones The Jesus Lizard Book is a beautiful document of a band that wasn't afraid to be abrasive chaotic brutal and sometimes ugly The Chicago Tribune Printer's Row The Jesus Lizard Book is a coffee table affair of exclusive photography art and other imagery with written pieces by all four members of the seminal indie rock band the Jesus Lizard The layout is stylish and elegant particularly in contrast with the harshness of much of the band's music Included are many Polaroids by David Wm Sims a delicious recipe by David Yow a concise list of every show the Jesus Lizard played and writings by two producers who recorded the band Steve Albini and Andy Gill There is biographical material of each member that covers childhood to the demise of the group Other contributors include Mike Watt Alexander Hacke Steve Gullick Rebecca Gates Jeff Lane Sasha Frere Jones KRK Bernie Bahrmasel and many more The Jesus Lizard 1988-1999 hailed from Chicago by way of Austin Texas They released seven records on the independent record label Touch and Go and a few more on different major labels Many have called them the best live band of the 1990s Unlike most of their contemporaries the Jesus Lizard managed to create a beast an entirely autonomous being an entity who outgrew and is very likely to also outlive its makers While each and every personality in the group is an integral part of its mentality and thus ultimately irreplaceable it is the rapport and friction between them which makes the music possible allows it to blossom and eventually break free It was not just David Wm Sims's monolithic basslines but the stance he took in order to deliver them Like a sailor manning a raft through a storm at high sea he took position at stage left and pounded away at his instrument stoic reliable and unwavering Mac McNeilly's drumming didn't merrily serve as a time giver but as a display of unrestrained energy and a joyously bouncing good natured spirit Somersaulting patterns and probability defying breaks were stacked on top of one another made to tumble and fall only to be caught again as if a boxer was juggling dishes while pummeling an already delirious opponent Duane Denison shaped his guitar work like a taxidermist dissecting a puppy With cruel precision he stabbed and sliced and inserted the limbs of chord progressions with bolts and rods and wire smiling dreamily while his riffs danced around onstage like biomechanical freaks of nature Then there was the man who is the embodiment of the band's

name the tormented soul thrown about and struggling to withstand the torrent in the tornado of the music David Yow spilled his insides while he spent most of the shows in no on the audience being lifted and carried by the masses that were groping and ripping at him trying to be a part greedily looking to get a piece of the action He was the ingenious saboteur the anarchistic oddball in this form of modern theater with the other three serving as the perfect straight men to his madness
