Hindbury's Run: An Illustrated Animal Story Madeleine Watson, Hindbury's Run was written in 1978 I would have been 13 I was living in a run down cottage with my parents and siblings at the time My childhood appeared innocent cosseted I kept a diary wrote stories and painted On the lead up I suffered terrible health niggles I have unsettled nights am forgetful have ulcer pains in my limbs and depression Hindbury's Run appears to be nothing untoward It is an animal story starring sheepdogs who fear a raid on their farm Little did I realise a sinister message runs beneath every paragraph A saboteur also lurks within the farm animal company This saboteur doesn't want me to write this story Why I wonder And why do cripples drowning disfigured faces and deaths in caves recur in my stories Three years previously I had been reading George Orwell's Animal Farm It echoes events leading up to the Russian Revolution of 1917 where brutal dictatorship results At the time a demon in my head made life hell I avoided my bed at night and kept the lights on I now realise Animal Farm had

provided subconscious notions of an appalling past Hindbury's Run appears to have resulted only the theme for my farm story vastly differs to Orwell's My other book Tales from Daler Cottage uncovers the message within this story and my other children's stories But the reason for my PTSD will be given at the end of this book Hindbury's Run would remain in the dark until the summer of 2017 My story has undergone necessary edits preserving the story and the tone of the young writer that I was With illustrations Big Book of Best Short Stories - Specials - Mystery and Detective Arthur Conan Doyle, G. Sherman,2020-11-09 Recent decades have brought to light the staggering ubiquity of human activity upon Earth and the startling fragility of our planet and its life systems This is so momentous that many scientists and scholars now argue that we have left the relative climactic stability of the Holocene and have entered a new geological epoch known as the Anthropocene This emerging epoch may prompt us not only to reconsider our understanding of Earth systems but also to reimagine ourselves and what it means to be human How does the Earth's precarious state reveal our own How does this vulnerable condition prompt new ways of thinking and being The essays that are part of this collection consider how the transformative thinking demanded by our vulnerability inspires us to reconceive our place in the cosmos alongside each other and potentially before God Who are we after the concept of the Anthropocene What forms of thought and structures of feeling might attend us in this state How might we determine our values and to what do we orient our hopes Faith a conceptual apparatus for engaging the unseen helps us weigh the implications of this massive but in some ways mysterious force on the lives we lead faith helps us visualize what it means to exist in this new and still emergent reality **The Tales of El Borak**

(A Collection of Short Stories About a Texan Gunman) Robert E. Howard,2015-02-12 These early works by Robert E Howard were originally published in the early 20th century and we are now republishing them with a brand new introductory biography The Tales of El Borak is a compilation of Howard's short stories in the El Borak series and include Blood of the Gods The Daughter of Erlik Khan and many more Robert Ervin Howard was born in Peaster Texas in 1906 During his youth his family moved between a variety of Texan boomtowns and Howard a bookish and somewhat introverted child was steeped in the violent myths and legends of the Old South At fifteen Howard began to read the pulp magazines of the day and to write more seriously The December 1922 issue of his high school newspaper featured two of his stories Golden Hope Christmas and West is West In 1924 he sold his first piece a short caveman tale titled Spear and Fang for 16 to the not yet famous Weird Tales magazine Howard's most famous character Conan the Cimmerian was a barbarian turned King during the Hyborian Age a mythical period of some 12 000 years ago Conan featured in seventeen Weird Tales stories between 1933 and 1936 which is why Howard is now regarded as having spawned the sword and sorcery genre The Conan stories have since been adapted many times most famously in the series of films starring Arnold Schwarzenegger *If Forever Is The*

[In Search of the Swan Maiden](#) Barbara Fass Leavy, 1995-07-01 In her compendious study of the folktale of the runaway wife Leavy argues that the contradictory claims of nature and culture are embodied in the legendary figure of the swan maiden a woman torn between the human and bestial worlds The New York Times Book Review This is a study of the meaning of gender as framed by the swan maiden tale a story found in the folklore of virtually every culture The swan maiden is a supernatural woman forced to marry keep house and bear children for a mortal man who holds the key to her imprisonment When she manages to regain this key she escapes to the otherworld never to return These tales have most often been interpreted as depicting exogamous marriages describing the girl from another tribe trapped in a world where she will always be the outsider Barbara Fass Leavy believes that in the societies in which the tale and its variants endured woman was the other the outsider trapped in a society that could never be her own Leavy shows how the tale though rarely

explicitly recognized is frequently replayed in modern literature Beautifully written this book reveals the myriad ways in which the folktales of a society reflect its cultural values and particularly how folktales are allegories of gender relations It will interest anyone involved in literary gender and cultural studies
