Star Trek: Discovering the TV Series Tom Salinsky, 2024-07-30 In 2022 a devoted science fiction enthusiast embarked on a two year journey to watch every piece of Star Trek media offering insights into the series evolution trivia and cultural impact essential for fans and TV history buffs alike How well do you know Star Trek Lifelong science fiction fan podcaster and author Tom Salinsky decided that the answer was not well enough and so at the beginning of 2022 he embarked on a two year mission to watch everything from the start of The Original Series to the end of Enterprise at the rate of one episode per day This book is the first part of that odyssey covering the 79 television episodes which started it all the animated series which briefly brought it back in the 1970s the first six original movies and the full run of The Next Generation As well as having fun saluting the show's triumphs cringing at its lapses in taste and admiring its willingness to swing for the fences there's lots of fascinating behind the scenes information here Why were salt cellars unchanged in the 23rd century Was Gene Roddenberry really not allowed to show a woman's belly button How many characters get killed during the run of The Animated Series Who actually wrote the script for Wrath of Khan How did Paramount get Next Generation on the air when no network would touch it But you'll also get the benefit of a complete overview of this landmark series watching it unfold and familiar elements appear often much later than you think When's the first mention of the Federation Of Kirk's time being the 23rd century Of there being no money in the future And some elements appear rather earlier than you might think which episode is the first to feature a Holodeck Whether you're a die hard fan a casual viewer or just someone interested in the history of television you'll adore coming on this daily journey through the highs and lows of one of the most significant and much loved media properties in the world

Mega Man #10 Ian Flynn, Ben Bates, Gary Martin, Matt Herms, John Workman, 2012 Dr Wily Returns Part Two Dr Wily is back and this time he has eight new Robot Masters of his own Mega Man must track down and defeat each one before they complete their missions and conquer the world for their mustachioed master It's hard enough when each new Robot Master is deadlier than the last but how can the Blue Bomber succeed with Quick Man tripping him up every step of the way

American Political Thought Jonathan Keller, Alex Zamalin, 2017-04-21 The twenty first century presents unique political challenges like increasing concern over racially based police brutality and mass incarceration continuing economic and gender inequality the rise of conservative and libertarian politics and the appropriate role of religion in American politics Current scholarship in American political thought research neither adequately responds to the contemporary moment in American politics nor fully captures the depth and scope of this rich tradition This collection of essays offers an innovative expansion of the American political tradition By exposing the major ideas and thinkers of the four major yet still underappreciated alternative traditions of American political thought African American feminist radical and conservative this book challenges the boundaries of American political thinking about

such values like freedom justice equality democracy economy rights identity and the role of the state in American life These traditions the various authors show in different ways not only present a much fuller and more accurate characterization of what counts as American political thought They are also especially unique for the conceptual resources they provide for addressing contemporary developments in American politics Offering an original and substantive interpretation of thinkers and movements American Political Thought will help students understand how to put American political thought into conversation with contemporary debates in political theory

Ian: a prequel to the Dixon Brothers series Hallee Bridgeman, 2019-02-14 Can Ian and Calla find love together or will the secret she is keeping rip them apart CALLA VAUGHN has spent the last three years desperately trying to get her life in order so that she can go back to culinary school No matter how hard she works though she feels like she is just treading water and can't see any way out of the hole dug for her by a con artist who stole her identity When flowers she sends to her best friend with a dinner invitation accidentally get delivered to IAN JONES she decides to cook him the best meal he's ever had By the time she admits that the flowers were never for him he is as convinced as she is that God orchestrated the mistake in the first place All that's left is to tell him the dark secret about her father's widow She waits a little too long though and is carted off to jail for questioning on felony charges before she gets a chance Will Ian understand her situation or will the deception surrounding Calla destroy any trust he has in her
