Looney Bin Incorporated:

Looney Bin Incorporated Marietta Rodgers, 2015-08-19 Crazy Bob was sweating he couldn't think of anything. It was hard to work under these conditions. The pressure to always produce the deadlines it was endless. Looney Bin Incorporated. In a world where corporations maximize profits by exploiting their workers, one company, Looney Bin Incorporated, has it down to a science. Looney Bin Incorporated is making crazy a mission which is not just their goal; it's their company logo. Crazy Bob, Drake, and Potbelly are three friends and workers/patients at Looney Bin Incorporated who gradually become aware of what the company actually is: a highly profitable chain of insane asylums. Armed with the knowledge that they are being taken advantage of, they do everything from disrupting activities to going on strike to try and bring about change. Marietta Rodgers' second novel, *Looney Bin Incorporated*, is a humorous satire that blends reality with absurdity in order to bring into focus the destructive practices of large corporations and their policies that promote profits over people. Looney Bin Incorporated is the Catch 22 of the 21st century. *Official Gazette of the United States Patent and Trademark Office*, 2004. **Official Gazette of the United States Patent and Trademark Office** United States Patent and Trademark Office, 2000. **The Looney-Bin Trip** Kate Millett, 2000. Beginning with a botched suicide attempt, *Lipstick and Thongs in the Looney Bin* takes the reader on a journey that is at once inspiring, haunting, heartfelt, and hilarious. From life at a mental hospital and the colorful cast of fellow bin mates to the horrors of insomniac night terrors and modern-day electroshock therapy, *Lipstick and Thongs* uses dark humor and Walsh's unstoppable personality to explore the absurdities of the mental illness realm. Thanatos Inc: Death: Have It Your Way Michael W. Simpson, 2019-10-23. After Mic Leigh is born, his older brother Bobby guides him on endless adventures while seemingly finding joy in misleading him into his mischief. As the brothers run wild through the end of the twentieth century, Mic joins the Marines where they teach him how to kill and enjoy it, and Bobby transforms into a rock and roll star whose groupies follow him from town to town and toss their underwear on stage. As their journeys unfold, Mic and Bobby hesitantly make their way through the military-industrial complex of corporate America, always torn between love and money. But when they decide that it is everyone's right to die their own way, Mic and Bobby invent a suicide machine they intend to use so others can elect to self-terminate. As their creative plan unfolds, death and entertainment intertwine in a triumphant revelation of the American way. In an entertaining tale that blends dark comedy with science fiction, two brothers set out on an imaginative quest to kill people for profit and fun. *Wait Wait Bo Bait* Lindsay Price, 2009. **Funworld**, 2000. *Index of Trademarks Issued from the United States Patent and Trademark Office*, 1992. and engrossing Even the biggest fans will find something new to enjoy here Razorcake The central experience of the Ramones and their music is of being an outsider an outcast a person who s somehow defective and the revolt against shame and self loathing The fans argues Donna Gaines got it right away from their own experience of alienation at home at school on the streets and from themselves This sense of estrangement and marginality permeates everything the Ramones still offer us as artists and as people Why the Ramones Matter compellingly makes the case that the Ramones gave us everything they saved rock and roll modeled DIY ethics and addressed our deepest collective traumas from the personal to the historical
