**Connections** Paul A. Gore, Wade Leuwerke, A. J. Metz, 2021-08-19 Written by counseling psychologists Paul Gore, Wade Leuwerke, and A. J. Metz, *Connections* shows students from day one how to develop the mindset, drive, and strengths needed on their way to college personal and career success. The expertly designed program is firmly rooted in current research in positive psychology, using self-reflection as a tool for goal setting, goal setting as a tool for imagining one's potential, and imagining one's potential as the motivation for realizing it. *Connections* puts students at the center of their own personalized learning path, facilitates their purposeful choice of an academic and career plan, and develops all the skills they need: cognitive and non-cognitive, academic and life, to foster their self-growth and success. The thoroughly updated new edition addresses current challenges and research, including the growth of online learning. Appendix: Online Learning, diversity, and inclusion; revised Chapter 11: Social Belonging and the science of learning; revised Chapter 5: Understanding Thinking and Learning. These updates are reflected in a new version of ACES, the powerful state-of-the-art student self-assessment the authors revised concurrently with *Connections*. *Loose-leaf Version for Psychology* Sandra E. Hockenbury, Susan A. Nolan, 2014-12-29 This acclaimed classroom favorite makes the science of psychology and through that the process of science itself come alive for students with personal stories that exemplify important concepts in a student-friendly way and with coverage of the field's scientific foundations and advances that is accessible without being oversimplified. **Connections + Launchpad Solo for ACES - Academic and Career Excellence System, Six-month Access** Paul A.
