Lord Held My Hand Testimonials:

The Lord Held My Hand Everett R. Stewart, 2015-12-23 There are times in all our lives when it seems as though we are at the end of our resources and we don't know where to turn or what to do. We can be overcome with feelings of uncertainty, loss, helplessness, and hopelessness. The question is whether we let those emotions run our lives or look to the One who can help us through all our difficulties. To author Everett R. Stewart, we should not look at these times as being the end. He believes they are actually the beginning because we have no other choice but to turn over everything to an all-powerful God, stand firm, and watch what He can and will do. In his book *The Lord Held My Hand: Living Testimonials of the Power of a Living God*, Stewart shares how the Lord has worked in his life after he accepted Him as his Lord and Savior. Among his testimonials, Stewart writes about how God kept him awake during a long drive, avoiding an accident. The author also relates how the Lord healed his son of a hip problem. You will find inspiration and encouragement in *The Lord Held My Hand: Living Testimonials of the Power of a Living God*. The experiences Stewart shares are ones that many people can relate to. He clearly shows that God is interested in your life and will give you the strength and answers you need for every situation. [Touching Stories of My Life in Journey to Christian Holiness and Hands-on Patient Care in a Weeping Healthcare](#) Ramsis F. Ghaly FACS, MD, 2019-08-26 This is the twelfth book of the series *Christianity and the Human Brain*. It integrates the neuroscience and the Bible, the Holy Book of our Lord Jesus. My love for our Lord Jesus Christ abides with my lifetime passion for neurosurgery and medicine, my continual obsession of spiritual connectivity of the Holy Spirit to the human brain that indeed separates mankind from all other living creation. It has been my belief that the human brain does not limit itself to the physical skull but rather extends in a nonphysical form to the outside spiritual world even while living on earth. In other words, a big part of the human brain is actually outside the skull and the body. As I perform brain surgeries for three decades, I realize my theory is so true. The majestic human brain can't be just the 1,500 grams of jelled matter inside the skull. The human journey therefore is transforming the human brain to become a brain of a man of God and the hand of man to a hand of a man of God. The spiritual human brain never dies; only the flesh. It is the center of my calling and unrelenting meditations while roaming in the heartfelt spirit, lacking the physical proof that science demands of me. My life is dedicated to my Lord Jesus, patients, and residents. As a physician, I have reached the top in America. I am a professor of both neurological surgery and anesthesiology, and I am well published in famous medical journals. As an academic teacher, I trained for more than thirty-four years, graduating thousands of trainees. But all is nothing as I strive for the Christian holiness and fullness. In a weeping healthcare with many patients falling victims, I included actual patients' miracles, testimonials, and sincere quotes as a testament to the Almighty and the dire need for faith and integral, goodhearted medicine. This book is full of many vibrant stories that I love to share. It is timely since I consider my generation soon will be viewed obsolete to the future generations, and what will remain are the books I authored. The book is a text of wealth covering broad and diverse topics of my life.

journey in 134 chapters and organized over 14 sections So many chapters are written about my special love for Lord Jesus Christ and His children In poems deep reflections and spiritual release of mind I wrote extensively In fact I shut my senses and impersonated the human brains of the men of God and the children of the Most High in their prominent biblical stories A special section is dedicated to the mothers newborns and little children While my soul is grieving a section is designated on the ongoing Christian persecution especially the genocide of Christians in my country Egypt the ancient region of the Middle East and the oldest historic continent of Africa Furthermore I wrote some of my dreams and thoughts that I couldn't otherwise convey for one reason and another such as neuroscience in aerospace and some of the timely touching subjects like drug overdose human trafficking and healthcare crises Few chapters included are about my personal views and introducing spirituality into the recent turmoil in politics Friends human life starts with love and ends with eternal love for our Savior It is never enough to share our love write about love and talk about actual love stories of heavenly roses joy Christmas healing touch miracles and our calling for his purpose This is what my twelfth book is all about *Testimony* Helen Gary, 2019-10-21 The purpose of this book is to edify inspire and testify to God's people However the main purpose is to glorify God to make His deeds known before His people Ps 105:1 God wants His people to know that He is still in the blessing business He heals and deliver today as He did in the older days in the days of the prophets I gave God the glory for the manifestation of this book God spoke to me early one morning as I lay in bed awake and thinking I was thinking about the goodness of God and how He had blessed and kept me in spite of myself I thought about all the miracles that He had performed in my life One miracle after another came to my mind I heard God says Write them down I was obedient and began to document them At that time I had no idea what God wanted me to do with them I had listed many of the miracles just listed them and not doing anything with them Later God instructed me to formulate them He wanted them in a book form The picture became clear God wanted me to write a book I was somewhat baffled because the extent of my writing was for college papers that was required for some of my classes Anyway I got busy and began the journey of formulating my testimonies into a book I told God that He had to help me because I did not know how to write a book This book was produced out of complete obedience to God I trust God that you the reader will be blessed by it Love Stories That Touched My Heart Ravinder Singh, 2012-12-15 Love only a four letter word yet it's so powerful that it can conquer anything in this world We've all experienced the first flush of love and remember the lingering fragrance of it For ages Love has remained one of the most cherished experiences that everyone wishes to live through at least once Humanity time and again has coined many definitions to describe this beautiful emotion but this small word is a feeling that can't simply be defined It has to be narrated in the form of stories love stories Love Stories That Touched My Heart is a collection of such stories from readers who have a tale to tell shortlisted from over 2000 entries that were submitted in a competition conducted by Penguin India Selected and edited by Ravinder Singh this anthology made up of the stories that touched Ravinder's heart the most will make

Ghost Stories of Newfoundland and Labrador Edward Butts, 2010-09-27 Shrouded in the mists of history and legend the province of Newfoundland and Labrador is a land of mysteries Its waters are a graveyard for countless wrecked ships Its lore is full of tales about treachery and murder And it was once the haunt of pirates Haunt indeed Newfoundland and Labrador has tales of the supernatural that date back centuries to a time before Canada even existed as a nation Here the ghosts not only lurk in old houses and forlorn cemeteries they come up out of the sea to walk the decks of ships before the eyes of terrified crewmen They lament out on the ice where seventy seven men perished in the Newfoundland Sealing
