Marchmont Lucien is no knight in shining armor He s cynical easily bored dangerous to women and utterly indifferent to popular opinion But good looks combined with money and title make him welcome everywhere The most popular bachelor in the Beau Monde can easily save Zoe s risqu reputation if he can prevent the chemistry between them from getting so out of hand so often and so deliciously      *Write a Romance in 5 Simple Steps* Suzanne Lieurance,2013-01-01 Romance writing is a billion dollar a year industry Authors are busy creating new titles every single day because hungry readers have been known to gobble up as many as forty new romance novels every month Author Suzanne Lieurance shows aspiring writers how to write a sweeping tale of epic romance      **The Consummate Virgin** Jodi McAlister,2020-08-25 This book is a study of female virginity loss and its representations in popular Anglophone literatures It explores dominant cultural narratives around what makes a good female virginity loss experience by examining two key forms of popular literature autobiographical virginity loss stories and popular romance fiction In particular this book focuses on how female sexual desire and romantic love have become entangled in the contemporary cultural imagination leading to the emergence of a dominant paradigm which dictates that for women sexual desire and love are and should be intrinsically linked together something which has greatly affected cultural scripts for virginity loss This book examines the ways in which this paradigm has been negotiated upheld subverted and resisted in depictions of virginity loss in popular literatures unpacking the romanticisation of the idea of the right one and the right time      *Last Night's Scandal* Loretta Chase,2010-07-27 Peregrine Dalmay Earl of Lisle may have survived the deadly perils of Egypt but back in Regency London he faces the most dire threat yet his irrational emotional family and the completely uncontrollable Miss Olivia Wingate Carsington Descended from a line of notorious but very aristocratic adventurers Olivia has a long history of driving Peregrine to distraction and her debut into polite society hasn t lessened her flair for drama or her ability to drag him into her scandalous schemes All Peregrine wants to do is escape back to his research and the lesser evils of poisonous snakes and tomb robbers but his family has guilted him into an impossible mission in the Scottish wilds and Olivia who is keenly aware that a respectable future of marriage and rules and propriety looms decides that accompanying him will be the perfect chance for one last adventure Besides she really only wants to help Which is why Lisle and Olivia find themselves in a gloomy Scottish castle inhabited by grumpy servants spiteful ghosts and craven murderers and possibly the greatest peril of all the wayward commands of their very unruly hearts      *Her Duke at Midnight* Wendy LaCapra,2024-04-02 A governess and her secret take an invincible duke by storm The Duke of Hurtheven will stop at nothing to protect those he loves So when a mysterious new governess captures his godchild s affection he vows to uncover her secrets Instead she sets him aflame Miss Hera Bythesea accepted a governess position to secure the character reference she needs to reclaim her secret child But she did not count on Hurtheven curious relentless and temptation in human form In Hera s world Hurtheven faces a challenge his power and wealth cannot solve But for the love of unwed mother and child he ll undertake any Herculean Labor      **New Approaches to Popular Romance Fiction**

Darius Carsington is a spectacularly handsome rake with a rare intelligence and no heart a man who divides his time between bedding loose moraled women and writing scholarly papers He finds society's perfect darlings exceedingly boring But there's something intriguing and not quite perfect about faultless Lady Charlotte Hayward He senses a crack under her polished surface and finding it is a challenge he can't resist Immovable Object Lady Charlotte is so beautiful charming and gracious that no one has noticed what an expert she is at Not Getting Married Early on she learned a painful lesson about trust and temptation In the years since she's devoted her life to being all she ought to be and she's not about to let a man like Carsington entice her to do everything she shouldn't A Splendid Collision But the rules of attraction can easily overpower the rules of manners and morals and sometimes even the best behaved girl has to follow her instincts even if it means risking it all
