Manuel Gonzales Austin Bat Cave:

Man with a Pan John Donohue, 2025-05-01 Look who's making dinner Twenty one of our favorite writers and chefs expound upon the joys and perils of feeding their families Mario Batali's kids gobble up monkfish liver and foie gras Peter Kaminsky's youngest daughter won't eat anything at all Mark Bittman reveals the four stages of learning to cook Stephen King offers tips about what to cook when you don't feel like cooking And Jim Harrison shows how good food and wine trump expensive cars and houses This book celebrates those who toil behind the stove trying to nourish and please Their tales are accompanied by more than sixty family tested recipes time saving tips and cookbook recommendations as well as New Yorker cartoons Plus there are interviews with homestyle heroes from all across America a fireman in Brooklyn a football coach in Atlanta and a bond trader in Los Angeles among others What emerges is a book not just about food but about our changing families It offers a newfound community for any man who proudly dons an apron and inspiration for those who have yet to pick up the spatula

The Miniature Wife Manuel Gonzales, 2014-02-04 In the tradition of George Saunders and Aimee Bender an exuberantly imagined debut that chronicles an ordinary world marked by unusual phenomena The eighteen stories of Manuel Gonzales's exhilarating first book render the fantastic commonplace and the ordinary extraordinary in prose that thrums with energy and shimmers with beauty In *The Artist's Voice* we meet one of the world's foremost composers a man who speaks through his ears A hijacked plane circles a city for twenty years in *Pilot Copilot* Writer Sound can kill in *The Sounds of Early Morning* And in the title story a man is at war with the wife he accidentally shrank For these characters the phenomenal isn't necessarily special but it's often dangerous In slightly fantastical settings Gonzales illustrates very real guilt over small and large marital missteps the intense desire for the reinvention of self and the powerful urges we feel to defend and provide for the people we love With wit and insight these stories subvert our expectations and challenge us to look at our surroundings with fresh eyes Brilliantly conceived strikingly original and told with the narrative instinct of a born storyteller *The Miniature Wife* is an unforgettable debut *The Virginia Quarterly Review*, 2013
