Manuscript Found in Accra Paulo Coelho, 2013 Set in Jerusalem during the time of the Crusades a community of Christians Arabs and Jews who have long lived together peacefully assemble to seek the wise counsel of a Greek Copt after they are warned of an imminent attack and certain destruction

Manuscript Found in Accra Paulo Coelho, 2013-12-31 The 1 International Bestselling author of THE ALCHEMIST reveals in this deeply thoughtful novel that the great wisdom of life is that we can be masters of the things that try to enslave us There is nothing wrong with anxiety Although we cannot control God's time it is part of the human condition to want to receive the thing we are waiting for as quickly as possible Or to drive away whatever is causing fear Anxiety was born in the very same moment as mankind And since we will never be able to master it we will have to learn to live with it just as we have learned to live with storms 1099 Jerusalem awaits the invasion of the crusaders who have surrounded the city's gates There inside the ancient city's walls women and men of every age and faith have gathered to hear the wisdom of a mysterious man known only as the Copt As the wise man speaks of loyalty fear bravery and solitude of love sex beauty and elegance his words offer truth and guidance and reveal the human values that have endured throughout time then as now his words reveal who we are what we fear and what we hope for the future

Manuscript Found in Accra - Limited Edition Paulo Coelho, 2013-04-02 A deluxe limited edition signed by the author with a silk ribbon marker illustrated endpapers and foil stamped case in a special presentation box of the latest novel from the 1 internationally best selling author of The Alchemist There is nothing wrong with anxiety Although we cannot control God's time it is part of the human condition to want to receive the thing we are waiting for as quickly as possible Or to drive away whatever is causing our fear Anxiety was born in the very same moment as mankind And since we will never be able to master it we will have to learn to live with it just as we have learned to live with storms July 14 1099 Jerusalem awaits the invasion of the crusaders who have surrounded the city's gates There inside the ancient city's walls men and women of every age and every faith have gathered to hear the wise words of a mysterious man known only as the Copt He has summoned the townspeople to address their fears with truth Tomorrow harmony will become discord Joy will be replaced by grief Peace will give way to war None of us can know what tomorrow will hold because each day has its good and its bad moments So when you ask your questions forget about the troops outside and the fear inside Our task is not to leave a record of what happened on this date for those who will inherit the Earth history will take care of that Therefore we will speak about our daily lives about the difficulties we have had to face The people begin with questions about defeat struggle and the nature of their enemies they contemplate the will to change and the virtues of loyalty and solitude and they ultimately turn to questions of beauty love wisdom sex elegance and what the future holds What is success poses the Copt It is being able to go to bed each night with your soul at peace Now these many centuries later the wise man's answers are a record of the human values that have endured throughout time And in Paulo Coelho's hands The Manuscript Found in Accra reveals that who we

are what we fear and what we hope for the future come from the knowledge and belief that can be found within us and not from the adversity that surrounds us Writers Editors Critics (WEC) Vol. 7, No. 2 K.V. Love and Loss Betty Hibod,2025-10-06 Many books have been written as histories recounting events that shaped the life of a group society nation or civilization or as biographies recounting events and achievements relating to one person s life and work Many books have been written putting forth ideas philosophies and words of wisdom to live by Some of these we call holy books or scripture Fewer books have been written like this one which go behind the scenes of history lay bare the feelings behind the philosophies and document the painful and joyful inner path along which historical events and philosophical ideas emerge This book is intensely even shockingly personal not clinical or abstract or detached It is an intimate detailed sensual and sometimes disturbing account of a life lived on the cusp that bridges time and eternity Its focus is narrow it does not reveal much at all about anyone s visible public life or accomplishments but it explores in great depth the invisible contents of minds hearts and souls The scriptures and scriptural commentaries of most religions describe a path to salvation or bliss and provide instructions or guideposts for moving along the path but they are still only theoretical hypothetical mythical or metaphorical accounts This book seeks to show how the theories and hypotheses play out pragmatically in real time and space how the myths come alive in flesh and spirit how the metaphors become the very things they symbolize How does daily life look from inside someone in the throes of awakening How does she know who or what she is How is her destiny revealed How do seemingly ordinary mundane events become miracles This book begins to answer those questions
