Many Mansions Multiple Religious Belonging And Christian Identity:

Many Mansions? Catherine Cornille, 2010-04-01 These superb essays explore the phenomenon of individuals who identity themselves as followers of more than one religious tradition The results prove that the late Joseph Kitagawa was prescient when he cautioned that the world is Easternizing as much as it is Westernizing and that modernization is a far from adequate key to name what is happening in world religious history in our age *The World's Religions in Figures* Todd M. Johnson, Brian J. Grim, 2013-03-25 Created by two of the field's leading experts this unique introduction to international religious demography outlines the challenges in interpreting data on religious adherence and presents a contemporary portrait of global religious belief Offers the first comprehensive overview of the field of international religious demography detailing what we know about religious adherents around the world and how we know it Examines religious freedom and diversity including agnostics and atheists on a global scale highlighting trends over the past 100 years and projecting estimates for the year 2050 Outlines the issues and challenges related to definitions taxonomies sources analyses and other techniques in interpreting data on religious adherence Considers data from religious communities censuses surveys and scholarly research along with several in depth case studies on the global Muslim population religion in China and the religious demography of recently created Sudan and South Sudan Argues against the belief that the twentieth century was a secular period by putting forward new evidence to the contrary Provides resources for measuring both qualitatively and quantitatively important data on the world's religious situation in the twenty first century **A Postfoundationalist**

Comparative Christology David Muthukumar Sivasubramanian, 2022-03-28 Interreligious relationships are often hindered by epistemic disparity caused by the nexus between religions and state powers To solve this problem David Muthukumar Sivasubramanian develops a postfoundationalist epistemological framework to affirm the epistemic parity and plurality of religions while upholding their particularity and universality Building on this postfoundationalist epistemology a comparative Christology paradigm that uses insights from the extant comparative theology method is reformulated with a Christological focus This model seeks to affirm the exclusive faith assertions of Christianity and the corresponding universal claims for Christ It also sustains the particular religious identity of a comparative theologian over against any compulsion to assume hybrid identity in the interreligious cross learning This comparative Christology framework is exhibited through cross learning with the Tamil Saiva Siddhanta tradition This method is shown to affirm not only the particularity and universality of Christianity but also of the Tamil Saiva Siddhanta tradition by defining each religion's attempt at their revealed truth as a parallel quest for truth Thus it facilitates dialogue across religions by securing one's self identity and the other's alterity

Controversies in Contemporary Religion Paul Hedges, 2014-09-09 Religious or spiritual beliefs underpin many controversies and conflicts in the contemporary world Written by a range of scholarly contributors this three volume set provides contextual background information and detailed explanations of religious controversies across the globe

Controversies in Contemporary Religion Education Law Politics Society and Spirituality is a three volume set that addresses a wide variety of current religious issues analyzing religion's role in the rise of fundamentalism censorship human rights environmentalism and sustainability sexuality bioethics and other questions of widespread interest Providing in depth context and analysis far beyond what's available in the news or online this work will enable readers to understand the nature of and reasons for controversies in current headlines The first volume covers theoretical and academic debates the second looks at debates in the public square and ethical issues while the third examines specific issues and case studies These volumes bring detailed and careful debate of a range of controversies together in one place including topics not often covered for example how religions promote or hinder social cohesion and peace the relationship of religions to human rights and the intersection of Buddhism and violence Written by a range of experts that includes both established and emerging scholars the text explains key debates in ways that are accessible and easy to understand for lay readers as well as undergraduate students researching particular issues or global religious trends

Queering Christianity Robert E. Shore-Goss, Thomas Bohache, Patrick S. Cheng, Mona West, 2013-06-25 A fascinating read for anyone seeking to understand the conflict between Christianity and LGBTQI individuals this book is as its editors proclaim a fearlessly wide vision of queer Christians finding a place within Christianity and claiming their authentic experience and voice Through essays by noted lesbian gay bisexual transgender queer or questioning and intersex LGBTQI religion scholars this important compilation summarizes the history and current status of LGBTQI theology exploring its relationship to the policies practices and theology of traditional Christianity Contributors contrast the radically inclusive thinking of LGBTQI theology with the exclusivity practiced by many Christian churches explaining the reasoning of each and clarifying contentious issues At the same time the book highlights ways in which queer theology and practice benefit Christian congregations Writing from the perspective of grassroots Christian LGBTQI movements many of the contributors draw upon their own experiences They provide graphic examples of the effects exclusion has on individuals congregations and denominations and also share examples of inclusion and its effects Equally important the work creates the basis for dialogue between traditional churches and followers of LGBTQI theology offering practical suggestions for Christian congregations that wish to put aside exclusionary policies and practices

The Spirit Shaped Church Swarup Bar, 2021-02-23 In *The Spirit Shaped Church* Swarup Bar argues that the church is defined by its relationship with others A relational church depends on the porousness of its borders which means that while a church has its distinctiveness it ought to be open to negotiate relational engagements with the world around it This sort of relationally distinct permeable church is found to be possible through the leading of the Spirit and the work of Christ Such engagement is found to be relevant in a plural religio cultural context and in situations of marginalization in India *The Spirit Shaped Church* reflects an ongoing commitment on the part of Fortress Press to engage the needs of Christian communities around the world The book is aimed at teachers clergy students and anyone with an interest in the lived experience of

Christians in India Christian Goddess Spirituality Mary Ann Beavis, 2015-10-08 This monograph focuses on Christian Goddess Spirituality CGS the phenomenon of mostly women who combine Christianity and Goddess Spirituality including Wicca Witchcraft Mary Ann Beavis's study provides ethnographic data and analysis on the lived religious experience of CGS practitioners drawing on interviews of over 100 women who self identify as combining Christianity and Goddess spirituality Although CGS also has implications for Goddess Spirituality and related traditions e.g. Neopaganism Wicca here CGS is considered primarily as a phenomenon within Christianity However the study also shows that the fusion of Christian and Goddess spiritualities has had an impact on non Christian feminist spirituality since Goddess worshippers have often constructed Christianity as the diametrical opposite and enemy of the Goddess to the point that some refuse to admit the possibility that CGS is a valid spiritual path or that it is even possible In addition biblical Jewish and Christian images of the divine such as Sophia Shekhinah the Virgin Mary and even Mary Magdalene have found their way into the Pagan Goddess pantheon The main themes of the study include overlaps and differences between Christian feminist theology and CGS the routes to CGS for individual practitioners and their beliefs practices and experiences proto denominational classifications spiritual paths within CGS CGS theology Christian discourse about the female divine and the future of CGS in social scientific and ecclesiological context Christian Goddess Spirituality will be of interest to scholars of religion especially those with interests in women and religion feminist spiritualities feminist theology theology alternative spiritualities New Religious Movements and emergent Christianities

Interfaith Encounters in America Kate McCarthy, 2007-03-28 From its most cosmopolitan urban centers to the rural Midwest the United States is experiencing a rising tide of religious interest While terrorist attacks keep Americans fixed on an abhorrent vision of militant Islam popular films such as *The Passion of the Christ* and *The Da Vinci Code* make blockbuster material of the origins of Christianity The 2004 presidential election we are told was decided on the basis of religiously driven moral values A majority of Americans are reported to believe that religious differences are the biggest obstacle to world peace Beneath the superficial banter of the media and popular culture however are quieter conversations about what it means to be religious in America today conversations among recent immigrants about how to adapt their practices to life in new land conversations among young people who are finding new meaning in religions rejected by their parents conversations among the religiously unaffiliated about eclectic new spiritualities encountered in magazines book groups or online *Interfaith Encounters in America* takes a compelling look at these seldom acknowledged exchanges showing how despite their incompatibilities Buddhist Muslim Christian Jewish and Hindu Americans among others are using their beliefs to commit to the values of a pluralistic society rather than to widen existing divisions Chapters survey the intellectual exchanges among scholars of philosophy religion and theology about how to make sense of conflicting claims as well as the relevance and applicability of these ideas on the ground where real people with different religious identities intentionally unite for shared purposes that range from national public policy initiatives to small

town community interfaith groups from couples negotiating interfaith marriages to those exploring religious issues with strangers in online interfaith discussion groups Written in engaging and accessible prose this book provides an important reassessment of the problems values and goals of contemporary religion in the United States It is essential reading for scholars of religion sociology and American studies as well as anyone who is concerned with the purported impossibility of religious pluralism *Postcolonial Theology of Religions* Jenny Daggers,2013-07-18 This original and ambitious book considers the terms of engagement between Christian theology and other religious traditions beginning with criticism of Christian theology of religions as entangled with European colonial modernity Jenny Daggers covers recent efforts to disentangle Eurocentrism from the meeting of the religions and investigates new constructive possibilities arising in the postcolonial context In dialogue with Asian and feminist theologies she reflects on ways forward for relations between the religions and offers a particularist model for theology of religions standing within a classical Trinitarian framework

Rituals in Interreligious Dialogue Marcel Poorthuis,2020-04-30 Rituals are back on stage today Until recently they were regarded as an obsolete and even incomprehensible part of religions relegated to the background while ethics and spirituality attracted more focus However the realisation is growing that rituals represent the treasure of religious memory They connect the human being to the past and to the community that surrounds her or him However what happens to rituals when different religions meet This book shows that a great deal can be learned by taking rituals seriously This holds good for the rich treasure of rituals within religions such as Judaism Islam Hinduism and Christianity Only by recognizing these treasures can new possibilities for rituals in interreligious encounters be explored Dialectics of Faith-Culture Integration Michael Muonwe,2014-02-21 This book navigates the contours of cultural and theological hermeneutics in order to critique affirm as well as reconceptualise the vital underpinnings and subtleties of faith culture intercourse and reciprocation It questions claims to effective inculturation by theologians and church authorities even as it acknowledges the inevitability of the tension between inculturation process and syncretic formations It is an irresistible asset for teachers and students of theology cultural and religious studies for pastors and missionaries and for all Christians in need of finding Christian beliefs and practices more meaningful to them in their daily lives The hope is that it challenges the straitjacketed conceptual and pastoral frameworks that have often characterised the churches evangelisation initiatives and assists in making Christian faith a concrete and living possession of every age and culture Michael Muonwe is a priest of the Catholic diocese of Awka Nigeria He holds Licentiate and Doctorate in Theology and Religious Studies from the Catholic University of Leuven Belgium He obtained Bachelors in Philosophy from Bigard Memorial Seminary Enugu Nigeria Michael also holds Diplomas in Mass Communication and Education He has authored a number of articles and is an editor of a book His major research interest is the often convoluted relationship and interplay between religion and the contemporary culture His research on the relationship between Christianity feminism and culture will soon be published in two volumes On the present book Prof

Annemie Dillen of the Catholic University of Leuven affirms This is a must read book for local church leaders theologians and everyone involved in pastoral work It challenges the reader to give up a longing for security and finding answers in fixed rules or the so called universal truths and invites him or her to an in depth study of cultural practices and beliefs The overview of the discussions on inculturation and the reality or sometime maybe phantom of syncretism is very illuminating and thought provoking Thomas F Magill asserts A timely and well balanced study of the theology of inculturation as understood in the Roman Catholic tradition offering new and fresh insights situated in the cusp between the Benedict XVI s emphasis on the relationship between faith and reason and the problem of relativism and Francis I s desire for a poor church for the poor T F Magill L S S Ph D parish priest of the Diocese of Motherwell formerly a Lecturer in New Testament Studies at the University of Glasgow

Ways of Meeting and the Theology of Religions David Cheetham,2016-02-24 Exploring the different points of view and tones of voice adopted in theology for the meeting of religions this book presents a contemporary philosophical and theological engagement with key issues of how different faiths might meet of comparative philosophy of religion of the use of aesthetics of inter religious ethics and issues relating to the self Providing a critical evaluation of contemporary liberal post liberal and conservative voices and an engagement with movements such as Radical Orthodoxy and Scriptural Reasoning to mention a few this book highlights the use of the creative imagination and explores new ideas for the meeting of religions

The Ocean of God Roland Faber,2019-06-29 The Ocean of God conveys the proposition that the future of religions if they will not want to contribute to the destruction of humanity will become transreligious Based on the assumption that the spiritual impulse of humanity cannot simply be eradicated religiosity will persist in transreligious forms as secularizations naturalizations and transhumanist dreams only envision such transformations but fall short in their ability to replace the force of spirituality to further civilized peace of human existence on Earth and its future in evolutionary ecological and cosmological dimensions In relating the contributions of religious pluralism to the concept of the unity of religions which have arisen in this new axial age for overcoming the checkered history of religions in furthering peace the program of a polyphilic pluralism with its transreligious discourse based on the insight of the fundamental relativity of religious truth and the special contributions of process philosophy and theology as well as the Bah universe of thought analyses and projects a new religiosity or spirit enabling religions to overcome their deepest motives of strife and warfare

Fullness of Life and Justice for All Thomas Eggensperger,Ulrich Engel,Manuela Kalsky,Ellen Van Stichel,2020-09-01 Poverty inequality violent conflicts climate change migration racism burn out are just a few of the symptoms showing how living life to the fullest is out of reach for so many people in our world Is then seeking fullness of life and justice for all not a too ambitious project For nothing less than the wellbeing of humanity and in extension the whole of creation is at stake On the other hand we see people responding acting and struggling for justice liberation and a more sustainable world How to make sense of the ideas of fullness of life and justice for all in light of the many crises

humanity currently faces but also the glimpses of positive and hopeful responses Even more so how to make sense theologically In this volume twenty authors reflect on how the notions of fullness of life and justice for all are theoretically conceived and have practically taken form from within Dominican theology and spirituality The contributions on youth spirituality contemplation art as a means to community building gender pluralization populism and management discuss the fullness of life in both its material and spiritual dimensions The question on justice for all is raised in confrontation with issues such as poverty migration ecological threats and the role of virtues in society In this way the book aims to uncover a variety of Dominican perspectives as valuable contributions to a broader dialogue on the fullness of life and justice for all

Listening to The Echo Tom Sherwood, 2016-09-01 Why do so few young people attend church Why are Jewish and Muslim millennials so disenchanted with religion Why are young adult Catholics so angry How can parents grandparents and religious leaders understand the younger generation's widespread rejection of institutional religion Tom Sherwood was commissioned by the United Church of Canada to find a way to hear the voice of thoughtful spiritual ethical young adults who reject the religious institutions of their families They are the Echo Generation the children of Baby Boomers the Echo from the Boom But they do not echo their parents' opinions or values Sherwood conducted a national research project in which 722 young adults from across Canada offered their perspectives on such topics as religion spirituality sexuality the environmental crisis family God gods suffering and the sacred Listening to The Echo reports the responses of the participants in their own words Young adults speak vividly and insightfully about the beliefs and practices that give meaning to their lives and the world as they see it In the diverse voices of this thought provoking work Sherwood finds the common threads of experience and perspective that bind the members of this distinctive generation together despite their innovative individual spiritualities Anyone interested in the contemporary dynamics of religion and social change or a deeper understanding of how millennials see their world will appreciate Listening to the Echo Sherwood has truly listened and the message is positive the kids are alright

The Confluence of Law and Religion Frank Cranmer, Mark Hill QC, Celia Kenny, Russell Sandberg, 2016-04-21 Since the early 1990s politicians policymakers the media and academics have increasingly focused on religion noting the significant increase in the number of cases involving religion As a result law and religion has become a specific area of study The work of Professor Norman Doe at Cardiff University has served as a catalyst for this change especially through the creation of the LLM in Canon Law in 1991 the first degree of its type since the time of the Reformation and the Centre for Law and Religion in 1998 the first of its kind in the UK Published to mark the twenty fifth anniversary of the LLM in Canon Law and to pay tribute to Professor Doe's achievements so far this volume reflects upon the interdisciplinary development of law and religion

Journey for Justice

Nandini Gunewardena, 2017-06-02 This biography of the late Rev Fr Michael Rodrigo OMI 1930 1987 of Sri Lanka chronicles a life fearlessly devoted to the service of the poor efforts to witness Christ to the poor through an innovative interfaith dialogue and a collaboration for their social and economic empowerment As a Catholic priest whose life parallels that of the recently martyred Oscar Romero of El Salvador also assassinated for exposing the exploitation and marginalization of the poor Fr Michael was engaged in a selfless journey for justice The volume analyzes the driving force of his quest to forge a healing bridge between the Christian and Buddhist populations of Sri Lanka through his spiritual grounding in Catholic social teaching and his unique formulation of an interreligious dialogue It documents the indelible imprint of interfaith understanding he forged up to his untimely death Interwoven with ethnographic methodology the book offers a window for understanding the class and religious ruptures stemming from Sri Lanka s colonial history contextualized in the social realities of poverty in rural Sri Lanka the political and economic forces implicated in deepening poverty the resistance struggle by oppressed youth and Fr Mike s legacy of justice through peace

Religious Language and Asian American Hybridity Julius-Kei Kato, 2016-08-10 In this book Julius Kei Kato lets the theories and experiences of Asian American hybridity converse with and bear upon some aspects of Christian biblical and theological language Hybridity has become a key feature of today s globalized world and is of course a key concept in postcolonial thought However despite its crucial importance hybridity is rarely used as a paradigm through which to analyze and evaluate the influential concepts and teachings that make up religious language This book fills a lacuna by discussing what the concept of hybridity challenges and resists what over simplifications it has the power to complicate and what forgotten or overlooked strands in religious tradition it endeavors to recover and reemphasize Shifting seamlessly between biblical theological and modern real world case studies Kato shows how hybridity permeates and can illuminate religious phenomena as lived and believed The ultimate goal of the move toward an embrace of hybridity is a further dissolution of the thick wall separating ideas of us and them In this book Kato suggests the possibility of a world in which what one typically considers the other is increasingly recognized within oneself
