Maplecroft Borden Dispatches Cherie Priest:

Maplecroft Cherie Priest, 2014-09-02 Lizzie Borden took an axe and gave her mother forty whacks and when she saw what she had done she gave her father forty one The people of Fall River Massachusetts fear me Perhaps rightfully so I remain a suspect in the brutal deaths of my father and his second wife despite the verdict of innocence at my trial With our inheritance my sister Emma and I have taken up residence in Maplecroft a mansion near the sea and far from gossip and scrutiny But it is not far enough from the affliction that possessed my parents Their characters their very souls were consumed from within by something that left malevolent entities in their place It originates from the ocean s depths plaguing the populace with tides of nightmares and madness This evil cannot hide from me No matter what guise it assumes I will be waiting for it With an axe

Brimstone Cherie Priest, 2017-04-04 A new dark historical fantasy from the supremely gifted Cherie Priest author of *Maplecroft* and *Boneshaker* In the trenches of Europe during the Great War Tom s Cordero operated a weapon more devastating than any gun a flame projector that doused the enemy in liquid fire Having left the battlefield a shattered man he comes home to find yet more tragedy for in his absence his wife has died of the flu Haunted by memories of the woman he loved and the atrocities he perpetrated Tom s dreams of fire and finds himself setting match to flame when awake Alice Dartle is a talented clairvoyant living among others who share her gifts in the community of Cassadaga Florida She too dreams of fire knowing her nightmares are connected to the shell shocked war veteran and widower And she believes she can bring peace to him and his wife s spirit But the inferno that threatens to consume Tom s and Alice was set ablaze centuries ago by someone whose hatred transcended death itself Christopher Golden 1 New York Times Bestselling Author

Chapelwood Cherie Priest, 2015-09 Birmingham Alabama is infested with malevolence Prejudice and hatred has consumed the souls of its populace A murderer has been carving up citizens with a hatchet And from the church known as Chapelwood an unholy gospel is being spread by a sect that worships dark gods from beyond the heavens The church s parishioners plan to sacrifice a young woman to summon beings never meant to share reality with humanity An apocalypse will follow in their wake that will scorch the earth of all life And only Lizzie Borden can stop it *The Routledge Companion to Literature and Disability* Alice Hall, 2020-04-28 The Routledge Companion to Literature and Disability brings together some of the most influential and important contemporary perspectives in this growing field The book traces the history of the field and locates literary disability studies in the wider context of activism and theory It introduces debates about definitions of disability and explores intersectional approaches in which disability is understood in relation to gender race class sexuality nationality and ethnicity Divided broadly into sections according to literary genre this is an important resource for those interested in exploring and deepening their knowledge of the field of literature and disability studies
