

HOW TO SHAPE BROWS

The shape of the eyebrows is one of the most important features of the face. It can make or break a look, so it's essential to get it right.

Special Cases

Recessed brows

Brows that are recessed or have a low hairline can be shaped to look more defined. Use a pencil to draw a line above the brows to create the illusion of a higher hairline. Then, use a brush to blend the pencil into the skin.

Use a brush to fill in the brows with light brown powder. If needed, use a pencil to define the brows.
