MARATHAS CONTRIBUTION IN DECCAN PLATEAU Dr. Sangita Govindrao Ghar, 2023-04-24 The first major threat to Mughal imperial power came from a Hindu tribal confederacy known as the Marathas Located in the mountainous regions of the Deccan the Marathas were mainly drawn from the lowest caste of society but they became a powerfully militant community under their ruler King Sivaji who died in 1680 Under his leadership the Marathas managed to carve out their own kingdom in 1646 Aurangzeb the last great conqueror of the MUGHAL RULERS defeated the Marathas and annexed their territories but the Marathas never put down their arms They could never be defeated by the Mughals because they adopted guerilla warfare tactics hiding and living in the forests They continued to rule over their territory even though it was under the control of the Mughals as a separate state within a state By 1740 the Marathas controlled more territory than the Mughals **Press in India** ,1997 Reports for 1958 1970 include catalogues of newspapers published in each state and Union Territory **Host Bibliographic Record for Boundwith Item Barcode 30112044654090 and Others** ,2013

neighborhood in India that would probably be true of any ghetto anywhere in the world There is hunger and deprivation to be sure but also a sense of community an easy acceptance of petty crime and violence the saving grace of sports and organized activities led by caring adults the off again on again aid from relatives the inexplicable cruelty and unexpected generosity and escape through education But there is much here that is peculiarly and vividly Indian as well Primary among these is the factor of caste a hierarchical system unrelated to race but based on ancient principles of hereditary pollution and purity with Brahmans the purest and Untouchables the most polluted Second is the presence of a hero so important he is described as a wave and surely no despised group has ever had a leader as meaningful as Dr B R Babasaheb Ambedkar was and remains for India s awakened and ambitious Dalits Third is nature with Moon s compelling descriptions of Nagpur s heat and the vivid joy brought by the monsoon Indeed every tree every fruit every nook and cranny of the world in and around the vasti plays an important part in his story Dalit literature poetry plays and autobiographies have been one of the most important developments in the culture of India in the past thirty years yet little has been translated for a Western audience Vasant Moon s Growing Up Untouchable the first Dalit autobiography to be published in English is a moving and eloquent testament to a uniquely Indian life as well as to the universal human spirit
