Marcel Proust Edmund White, 1999-01-01 The celebrated novelist and influential cultural critic's classic biography of one of history's most important writers Marcel Proust If there is anyone worthy of producing an intimate biography of the enigmatic genius behind *Remembrance of Things Past* it is Edmund White himself an award winning writer for whom Marcel Proust has long been an obsession White introduces us not only to the recluse endlessly rewriting his one massive work through the night but also the darling of Parisian salons the grasper after honors and the closeted homosexual a subject this book is the first to explore openly From the frothiest gossip to the deepest angst here is a moving portrait to be treasured by anyone looking for an introduction to this literary icon

The Straight Mind in Corinth Gillian Townsley, 2017-07-28 A new reading that troubles and transgresses the normal with regard to biblical studies and our understandings of gender and sexuality Despite its lack of both historical and exegetical clarity 1 Corinthians 11:2-16 has often been fundamental to understandings of gender and sexuality in many Christian traditions In particular a hierarchical model of gender and a heterosexual model of sexuality tend to dominate and are presented as natural and God ordained With the materialist lesbian theory of Monique Wittig providing the theoretical basis for discussion this book intersects various biblical theological and queer lines of inquiry across 1 Corinthians 11:2-16 in order to reveal and challenge these models of gender and sexuality that lie behind both the text itself and its various interpretations Features Reveals the complex relationship between effeminacy masculinity and sexual relations in the first century Greco Roman environment of the New Testament Explores the ideologies of sexuality that underlie much of the debate within evangelical circles Examines Karl Barth's theology on the binary pairing of man and woman as asymmetrically related to each other and to God through the notion of the imago dei revealing and challenging the ways in which this reflects androcentric and patriarchal ideologies

Proust's Duchess Caroline Weber, 2019-11-26 PULITZER PRIZE FINALIST A brilliant look at turn of the century Paris through the first in depth study of the three women Proust used to create his supreme fictional character the Duchesse de Guermantes Weber has done a remarkable job of bringing to life a world of culture glamour and privilege The Wall Street Journal Geneviève Halévy Bizet Straus Laure de Sade Comtesse de Adhémar de Chevalign and Elisabeth de Riquet de Caraman Chimay the Comtesse Greffulhe these were the three superstars of fin de siècle Parisian high society who as Caroline Weber says transformed themselves and were transformed by those around them into living legends paragons of elegance nobility and style All well but unhappily married these women sought freedom and fulfillment by reinventing themselves between the 1870s and 1890s as icons At their fabled salons they inspired the creativity of several generations of writers visual artists composers designers and journalists Against a rich historical

backdrop Weber takes the reader into these women's daily lives of masked balls hunts dinners court visits nights at the opera or theater But we see as well the loneliness rigid social rules and loveless arranged marriages that constricted these women's lives Proust as a twenty year old law student in 1892 would worship them from afar and later meet them and create his celebrated composite character for *The Remembrance of Things Past* **Marcel Proust's Search for Lost Time** Patrick

How to Survive Your Childhood Now That You're an Adult Ira Israel, 2017-10-10 As children we learned to

get approval by creating facades to help us get our emotional and psychological needs met but we also rebelled against authority as a way of individuating. As adults these conflicting desires leave many of us feeling anxious or depressed because our authentic selves are buried deep beneath glitzy or rebellious exteriors or some combination thereof. In this provocative book eclectic teacher and therapist Ira Israel offers a powerful comprehensive step by step path to recognizing the ways of being that we created as children and transcending them with compassion and acceptance. By doing so we discover our true callings and cultivate the authentic love we were born deserving. *Roberto Bolaño's Fiction* Chris Andrews, 2014-07-29

Since the publication of *The Savage Detectives* in 2007 the work of Roberto Bolaño 1953-2003 has achieved an acclaim rarely enjoyed by literature in translation. Chris Andrews a leading translator of Bolaño's work into English explores the singular achievements of the author's oeuvre engaging with its distinct style and key thematic concerns incorporating his novels and stories into the larger history of Latin American and global literary fiction. Andrews provides new readings and interpretations of Bolaño's novels including *2666*, *The Savage Detectives* and *By Night in Chile* while at the same time examining the ideas and narrative strategies that unify his work. He begins with a consideration of the reception of Bolaño's fiction in English translation examining the reasons behind its popularity. Subsequent chapters explore aspects of Bolaño's fictional universe and the political ethical and aesthetic values that shape it. Bolaño emerges as the inventor of a prodigiously effective fiction making system a subtle handler of suspense a chronicler of aimlessness a celebrator of courage an anatomist of evil and a proponent of youthful openness. Written in a clear and engaging style *Roberto Bolaño's Fiction* offers an invaluable understanding of one of the most important authors of the last thirty years. *Au Revoir, Tristesse* Viv Groskopf, 2020-06-09

Groskopf skillfully juggles memoir biography philosophy and literary criticism to create a delightful tour through some of French literature's greats. Madeline Miller New York Times bestselling author. Like many people the world over Viv Groskopf wishes she was a little more French. A writer comedian and journalist Groskopf studied the language obsessively starting at age 11 and spent every vacation in France desperate to escape her Englishness and to have some French chic rub off on her. In *Au Revoir Tristesse* Groskopf mixes literary history and memoir to explore how the classics of French literature can infuse our lives with *joie de vivre* and teach us how to say goodbye to sadness. From the frothy hedonism of Colette and the wit of Cyrano de Bergerac to the intoxicating universe of Marguerite Duras and the heady passions of *Les Liaisons dangereuses* this is a love letter to great French writers. With chapters on Marcel Proust Victor Hugo Gustave Flaubert Stendhal Honoré de Balzac Albert Camus and of course Françoise Sagan this is a delectable read for book lovers everywhere. Ms Groskopf is a skilled raconteuse who brings people and the page to life. She writes with a self-deprecating appreciation of the Frenchman or woman *manqu'e* that lurks in us all. You don't have to be a savant to enjoy this book. *Au Revoir Tristesse* will make a witty seductive companion. *The Wall Street Journal*. Groskopf's combination of her own memories what the novels meant to her at different stages in her life her description of the authors along with her

description of the novels will have readers eagerly turning the book's pages Forbes **The Journal of Philosophy**, 1999

Proust's In Search of Lost Time Katherine L. Elkins, 2023 With the story of a madeleine dipped in tea Marcel Proust makes famous moments that transport one to an earlier time thought lost forever His *In Search of Lost Time* announces a quest narrative with lost time as its goal We follow the journey of a young man as he strives to become the writer he longs to be and his journey entails discovering a sense of self in which past and present intertwine The narrator is delayed in his goal by various digressions including journeys into the worlds of the salons and of art For this reason the novel offers far more avenues for philosophical reflection than simply a meditation on time and identity *In Search of Lost Time* includes reflections on love and jealousy joy and suffering the enchantments of art and the disillusionments of friendship This volume brings together prominent philosophers and critics to illuminate these many themes Eight essays treat a wide range of topics including fiction biography temporality music love jealousy weather and consciousness One of the longest and most complex novels ever written *In Search of Lost Time* has fascinated philosophers for decades The contributors in this volume build upon earlier approaches to offer new avenues and directions for philosophical thought **The Facts on File Companion**

to the French Novel Karen L. Taylor, 2006 French novels such as *Madame Bovary* and *The Stranger* are staples of high school and college literature courses This work provides coverage of the French novel since its origins in the 16th century with an emphasis on novels most commonly studied in high school and college courses in world literature and in French culture and civilization **Sleep and the Novel** Michael Greaney, 2018-04-04 *Sleep and the Novel* is a study of

representations of the sleeping body in fiction from 1800 to the present day which traces the ways in which novelists have engaged with this universal indispensable but seemingly nondescript region of human experience Covering the narrativization of sleep in Austen the politicization of sleep in Dickens the queering of sleep in Goncharov the aestheticization of sleep in Proust and the medicalization of sleep in contemporary fiction it examines the ways in which novelists envision the figure of the sleeper the meanings they discover in human sleep and the values they attach to it It argues that literary fiction harbours on its margins a sleeping partner one that we can nickname the Schlafroman or sleep novel whose quiet absorption in the wordlessness and passivity of human slumber subtly complicates the imperatives of self awareness and purposive action that traditionally govern the novel **Somatic Desire** Christine Rojewicz, Richard Kearney, Sarah Horton, Stephen Mendelsohn, 2019-01-17 The essays in this volume all ask what it means for human beings to be embodied as desiring

creatures and perhaps still more piercingly what it means for a philosopher to be embodied In taking up this challenge via phenomenology psychoanalysis hermeneutics and the philosophy of literature the volume questions the orthodoxies not only of Western metaphysics but even of the phenomenological tradition itself We miss much that has philosophical import when we exclude the somatic aspects of human life and it is therefore the philosopher's duty now to rediscover the meaning inherent in desire emotion and passion without letting the biases of any tradition determine in advance the meaning that

reveals itself in embodied desire Continental philosophers have already done much to challenge binary oppositions and this volume sets out a new challenge we must now also question the dichotomy between being at home and being alienated Alterity is not simply something out there separate from myself rather it penetrates me through and through even in my corporeal experience My body is both my own and other I am other than myself and therefore other than my body Additionally this book is a conversation not a presentation of a new orthodoxy Thus the hope is that these essays will open the way for further dialogue that will continue to radically rethink our understanding of embodied desire Gathered together here are twelve essays that address these issues from deeply interrelated albeit unique perspectives from within the field
