Marilyn Monroe Day by Day Carl Rollyson, 2014-10-16 From hefty biographies and fact based novels to photograph collections and memoirs more books have been written about Marilyn Monroe than any other female over the past century However no biography regardless how authoritative can contain all of the facts and events of an individual's life and Marilyn's is no exception In Marilyn Monroe Day by Day A Timeline of People Places and Events

Carl Rollyson provides a documentary approach to the life and legend of this singular personality. With details of her childhood, her young adult years, her ascent to superstardom, and the hour by hour moments leading to her tragic early death, this volume supplements and in some cases corrects the accounts of previous biographies. In addition to restoring what is left out in other narratives about Marilyn's life, this book also illuminates the gaps and discrepancies that still exist in our knowledge of her. Drawing on excerpts from her diaries, journals, letters, and even checks and receipts, as well as reports of others, Rollyson recreates the day to day world of a woman who still fascinates us more than fifty years after her death. In addition to the calendar, Rollyson also profiles important figures in Marilyn's life and includes a brief biography of the actress, providing a context for the timeline. An annotated bibliography of books and websites highlights the most reliable sources about Marilyn. With its vivid recreation of the key events in her life, **Marilyn Monroe Day by Day** is the perfect book for fans who can't get enough of this cultural icon.

Marilyn Monroe Carl Rollyson, 2014-06-04. In American popular culture, Marilyn Monroe (1926-1962) has evolved in stature from movie superstar to American icon. Monroe's own understanding of her place in the American imagination and her effort to perfect her talent as an actress are explored with great sensitivity in Carl Rollyson's engaging narrative. He shows how movies became crucial events in the shaping of Monroe's identity. He regards her enduring gifts as a creative artist, discussing how her smaller roles in *The Asphalt Jungle* and *All About Eve* established the context for her career, while in depth chapters on her more important roles in *Bus Stop*, *Some Like It Hot*, and *The Misfits* provide the centerpiece of his examination of her life and career. Through extensive interviews with many of Monroe's colleagues, close friends, and other biographers, and a careful rethinking of the literature written about her, Rollyson is able to describe her use of Method acting and her studies with Michael Chekhov and Lee Strasberg, head of the Actors Studio in New York. The author also analyzes several of Monroe's own drawings, diary notes, and letters that have recently become available. With over thirty black and white photographs, some published for the first time, a new foreword, and a new afterword, this volume brings Rollyson's 1986 book up to date. From this comprehensive yet critically measured wealth of material, Rollyson offers a distinctive and insightful portrait of Marilyn Monroe, highlighted by new perspectives that depict the central importance of acting to the authentic aspects of her being.
