frustrated In his confusion Christian would also think of Elena most of the time but still held his love for Ana Through this book readers are able to discover some of the things that were not very clear in the movie For example the distractions and confusion affecting Christian are well explained in the book the way he struggles to maintain his relationship with Anastasia while still run the business flawlessly Grey is not just an erotica but also entertaining and educating E L James used symbolic dreams in the most beautiful way to narrate the story Character s thoughts are distinctly italicized all though to make it easy for the readers to differentiate Grey is highly recommended for adult audiences
