L.** James, 2015 See the world of Fifty Shades of Grey anew through the eyes of Christian Grey In Christian's own words and through his thoughts reflections and dreams E L James offers a fresh perspective on the love story that has enthralled millions of readers around the world Christian Grey exercises control in all things his world is neat disciplined and utterly empty until the day that Anastasia Steele falls into his office in a tangle of shapely limbs and tumbling brown hair He tries to forget her but instead is swept up in a storm of emotion he cannot comprehend and cannot resist Unlike any woman he has known before shy unworldly Ana seems to see right through him past the business prodigy and the penthouse lifestyle to Christian's cold wounded heart Will being with Ana dispel the horrors of his childhood that haunt Christian every night Or will his dark sexual desires his compulsion to control and the self loathing that fills his soul drive this girl away and destroy the fragile hope she offers him **The Morning Star and Free Baptist**, 1901 **Solo Planet** Anna Broadway, 2024-03-19 How can the church do better for its millions of singles Journalist Anna Broadway traveled around the world to interview nearly 350 Christians for answers Solo Planet draws on her 17 months of fieldwork to provide a first of its kind account of the single life of Christians from nearly 50 countries Discussing a variety of topics loneliness sexuality aging housing cooking celebrations parenting and many more it gives us the global church story of singleness Because when singles thrive in a church everyone benefits But consider these typical barriers within most churches Singles and marrieds often don't know how to talk to each other Christians continue to act as if nearly all will marry and if you don't then something must be wrong with you Churches teach that marriage and family is God's greatest gift outside of salvation a perspective that deserves theological challenge Women in the church outnumber men by a factor of millions and churches do very little to acknowledge this gap Solo Planet calls Christians to a more faithful vision of singleness through the wisdom and stories of the global church young and old abled and disabled and Catholic Protestant and Orthodox Through its deeply researched account Solo Planet shows how a more biblical approach to singleness can strengthen churches and empower singles to thrive **The Christian Life**, 1884 **The Preposterous Adventures Of George Washington Munchausen De Spoof (being The Most Amazing Story A Man Ever Told And Lived)** Jay Hickory Wood, 1898 This work has been selected by scholars as
