**Being Church in a Liminal Time** Jeffrey D. Jones, David Fredrickson, 2023-07-10 Congregations today exist in an in between or liminal time The customary answers about what it means to be and do church and strategies for renewal based on those answers no longer work But there is no certainty about the new answers It is a time of searching of letting go of the old and experimenting with the new This means facing the reality of death which may come as institutions die or as established ways are abandoned This book addresses this reality while maintaining a constant focus on the Christian promise of resurrection It offers three images that recognize the differing contexts of congregations and help them shape their future as they seek to discern God's work in their midst Congregations shaped by each of the three images remembering letting go and resurrecting have the potential to faithfully engage in God's work in their setting For each of the three there are suggestions for helping a congregation move toward an even more faithful expression of the image The book includes Bible studies and other resources that congregations will find helpful in this process Some congregations may continue in traditional ways while others seek a new way of being church But all can join in God's work in their time and place with a new and deeper understanding of the ministry that is theirs This book helps them do that Because a different kind of leadership is needed the book offers an approach to leadership that is grounded in a spiritual process of inward

reflection and outward involvement      *Confucian Timely Mean and Christian Discernment* Sung-Hae Kim,2023-10-20 This book explores the notion of the timely mean a virtue established in the Confucian tradition in dialogue with the Christian understanding of discernment especially as used in spirituality studies It considers the historical development of these concepts addressing the early encounter between Confucianism and Christianity as demonstrated in China and Korea and the fusion of the two perspectives in the nineteenth century The chapters examine some of the major scholars and texts that have influenced both theory and practice providing insight through a comparison of representative figures from each tradition The author contends that bringing the Confucian timely mean into conversation with Christian discernment reveals that the immense riches accumulated within each tradition can mutually enhance one another The book reflects on the possibility of a viable process for ethical and spiritual discernment that is highly relevant for our global age It is valuable reading for scholars and students of both Confucianism and Christian theology as well as of applied ethics particularly those interested in comparative spirituality and interreligious relations      **Listening Hearts** Suzanne G. Farnham,Joseph P. Gill,R. Taylor McLean,Susan M. Ward,2021-06-17 This 30th anniversary edition presents the unique approach of Listening Hearts to the spiritual practice of discernment for a new generation      **Keeping in Tune with God** Suzanne G. Jones,2008-12-08 Leadership observes Jeffrey Jones is never about you What happens to you as a leader stems from a vast array of issues and dynamics over which you have little or no control Leadership Jones also insists is always about you Christ s disciple part of the system an individual with your own anxieties and a personal life that shapes both your personhood and your relationships Heart Mind and Strength is about dealing with the tension between these two realities What we know is important So is who we are maybe even more so Of course admits Jones no book can tell u s everything we need to know about leadership the what of it And certainly no book can shape our personhood the who of leadership Jones however shares both theoretical and practical insights that will inform the what and influence the who of your leadership in transformative ways Jones organizes the book around the daily practices of leadership treating it as both a skill and an art Heart Mind and Strength will enhance your practice of ministry by providing well grounded theory related to the practical concerns you encounter in the daily work of balancing what you know with who you are      **Facing Decline, Finding Hope** Jeffrey D. Jones,2015-02-05 Church today isn t the same as it was fifty years ago or even ten years ago In spite of the powerful stories of turn around churches with skyrocketing memberships the difficult reality is that most congregations are getting smaller Jeffrey D Jones asks brave questions for

congregations facing this reality what if membership growth isn't the primary goal for a church How can churches remain vital even with declining attendance Facing Decline Finding Hope is an essential resource to help congregations confront their shrinking size while looking towards the hopeful reality that God is calling them to greater faithfulness The book draws on biblical and theological resources as well as contemporary leadership studies to help leaders both clergy and laity set aside a survival mentality and ask new questions to shape ministry more attuned to today's world Facing Decline Finding Hope is a powerful book for leaders who want to honestly assess the size of their church and plan for faithful invigorating service regardless of whether membership numbers are up or down Discerning God's Will Together Danny E.
