Growing Slowly Wise Building A Faith That Works:

Growing Slowly Wise David Roper, 2015 *Lifestyle Fitting Heaven* Kancho Georgiev, 2016-11-30 The aim of *Lifestyle Fitting Heaven* is a thorough survey of each subject introduced in the Teaching on the Mount with the intent for a deeper understanding of Jesus' clear cut demand of how a Christian life should be conducted. Although exceedingly profound, His precepts are astoundingly comprehensible and accessible because they are not designed for the wise and learned but for the little children who are innocent in heart and eager to embrace and comply with them. Yet their tone is not mawkish but didactic, admonitory, guiding, liberating, and most notably propitious for it puts all in eternal blissful perspective provided we are on the right track. The author very much hopes that by the grace of God, this book will be edifying to a great number of people who hate the dreariness of shallow religiosity and have determined to disciple and prepare their souls for the eternal approval of God.

Re-Covering in God Sue Watlov Phillips, 2014-05-28 I lost my joy of loving God and loving others as myself as I expressed my thirsting and hungering for God in unhealthy ways. Instead of utilizing God's light to guide me, I often turned to alcohol and the isms that had become part of my life: workaholicism, perfectionism, caretakerism, and athleticism. My refusal to accept that I had developed the disease of alcoholism after drinking normally for twenty-five years created insane scenarios as I turned to alcohol for relief when in a state of dis-ease with life, but that relief valve became my enemy. This was further complicated by doctors not understanding alcoholism and the consequences of prescribing medications to me for pain and anxiety. As I walked through the valley of the shadow of death, I thought I walked alone. My heart, soul, body, and mind wrestled with God over my denial of this disease called alcoholism. How could I, a Christian for over fifty years, be struggling with this disease? How could I have hurt God, others, and me? How could I be such a poor witness? Would I face the truth with God and let Him reveal the damage done to my foundation? Would I face God, myself, and others and make amends? Or would I continue to run and hide in my alcoholism and other isms? As I turned to God, His light revealed to me the truth about myself and what I needed to do in order to be in His will. As I choose to be recovered in God's Spirit, each moment the spirits of alcoholism and other isms flee, but only as long as I choose to. Be still, cease striving, know God, and live in His will, not mine.

Spiritual Formation Cornelius C. Simu, 2022-04-26 This book is a multichapter introduction to spiritual formation within the Christian tradition. Cornelius C. Simu discusses spiritual formation from the views of several Christian thinkers, with a chapter devoted to each thinker. The concluding chapter notes common themes shared by each thinker. The author presents some key Patristic, Medieval, Early Modern, Modern, and Contemporary theologians in a way that is characterized by brevity, concision, and clarity. Thus, this small book is a useful introduction to spiritual formation from a Christian perspective. It would be helpful for a college student or young adult who seeks to be educated on the subject. The conciseness of the book is a benefit. Yet the book raises interesting questions for further pursuit. A very succinct but comprehensive historical presentation of sanctification through the lens of spiritual formation, a concept which has been

revived in the past two decades especially in Evangelical circles this text is useful for a college course in spiritual formation or religion You're Either Walking The Walk Or Just Running Your Mouth! Big, Slow Is Fast Caesar Kalinowski, 2014-10-28 You don't need to have the talents of a rock star or the wisdom of Yoda to effectively and naturally live a life on mission with God. And you do not have to add a big list of new activities to your life. Instead, it is the everyday ordinary things done with greater gospel intentionality slowly over time that make all the difference. Biblical and super practical *Small Is Big, Slow Is Fast* helps readers respond to Jesus' call to each of us to be a missionary right where we live in our own families and neighborhoods. It shows you step by step the essential elements that create environments for organic kingdom growth and multiplication. Whether you're looking to lead your own family or are taking first steps toward starting a church that has discipleship and mission at its core, you will discover the secret to starting out small and going seemingly slower and not feeling guilty about it. And you'll be encouraged to trust that when you lay the right foundations, multiplication will occur and will always be faster and more successful in the long run.
