...and Lesbian Youth, Thurgood Marshall

"...for *Growing Up Gay*—a sparkling array of bright and bold voices that add rich, new diversity to our increasingly diverse world."

—Jane Adams, Executive Director
National Gay and Lesbian Task Force, Washington, D.C.

"*Growing Up Gay* will be a great boon to young people coming to grips with their sexuality. It's a wonderful compilation of some of the best literary materials available."

—Barbara Herrnstein Smith, author of *Journal and Curious Gay Man's Obsession*

"Bennett Singer, a young person who is coming out or someone who is working with young people who are, is looking for a guide. What is there for me to read, for me to find? It's a fair question to answer now that Bennett Singer has called upon some of the only voices from so many different journeys, and provided an important window of new worlds for lesbian and gay teens."

—Richard Lohman, Manager, A Different Light Bookstore, San Francisco

"We sometimes forget that lesbian, gay, and bisexual youth are still struggling in today's world, often marginalized by the gay community. They are still intensely contemplating their own sexuality. But Bennett Singer's volume reminds us that in the 1970s, '80s, and '90s, they were the only ones who were not alone and that many have paved the way for them. This rich and readable anthology also challenges adults to create a world where growing up gay is possible and even joyful."

—Frances Kamenitzer, Executive Director
National Gay and Lesbian Task Force, New York

"Essential to its diversity... a remarkable resource filled with poignant, eye-opening, and very funny stories that all inspire and affirm the young women and men for whom these stories are being told—without ever providing a becoming heterosexual."

—Dr. Stephen A. Russell, The Project 22 Program for Gay and Lesbian Youth, San Francisco public schools

important does not occur and is carried by the major media and disseminated on more personal levels through blogs and the social media If anything there is perhaps too much news and not enough information Obviously a book like this cannot keep up with the news but it can do something equally important when it comes to information by reminding us of the past and what has been going and just how fast events are moving The Historical Dictionary of the Lesbian and Gay Liberation Movements covers the history of this movement through a cross referenced dictionary with over 1000 entries on specific countries and regions influential historical figures laws that criminalized same sex sexuality various historical terms that have been used to refer to aspects of same sex love and contemporary events and legal decisions Including a comprehensive chronology and bibliography this book is an excellent access point for students researchers and anyone interested in learning more about the struggle for equality *Young Men's Work Facilitator's Guides - Item 1751* , **Making the Peace** Paul Kivel,Allan Creighton,Oakland Men's Project,2002-05-13 Making the Peace is written to help high school students break away from violence develop self esteem and regain a sense of community It provides photographs illustrations exercises role plays in class handouts homework sheets and discussion guidelines to explore issues such as dating violence gangs interracial tension suicide sexual harassment and the social roots of violence Lesbian & Gay Youth Caitlin Ryan,Donna Futterman,1998 Provides guidelines for the care and counseling of lesbian gay bisexual and transgendered youth and features a review of information and research on lesbian and gay health identity development and peer and family issues

The Critical Reception of James Baldwin, 1963-2010 Conseula Francis,2014 Examines the major divisions in criticism of this major African American writer paying particular attention to the way each critical period defines Baldwin and his work for its own purposes James Baldwin is a widely taught and anthologized author His short story Sonny s Blues remains a perennial favorite in literature anthologies and all of his essay collections and novels are still in print His first essay collection Notes of a Native Son is a seminal work that led a new generation of African American writers from beneath the shadow of Richard Wright The Fire Next Time is widely held as one of the most profound and accurate articulations of black consciousness during the Civil Rights movement It is difficult to imagine teaching a survey of African American literature or considering the development of black intellectual thought in the twentiethcentury without mentioning Baldwin For more than half a century readers and critics alike have agreed that Baldwin is a major African American writer What they do not agree on is why Because of his artistic and intellectual complexity his work resists easy categorization and Baldwin scholarship consequently spans the critical horizon Conseula Francis s book examines the major divisions in Baldwin criticism paying particular attention to the way each critical period defines Baldwin and his work for its own purposes Conseula Francis is Professor of English and Associate Provost for Curriculum and Institutional Resources at the College of Charleston

Bibliographic Guide to Chicana and Latina Narrative Kathy Leonard,2003-08-30 There has been a dramatic increase in the amount of narrative work published by Chicana and Latina authors in the past 5 to 10 years Nonetheless there has been

little attempt to catalog this material This reference provides convenient access to all forms of narrative written by Chicana and Latina authors from the early 1940s through 2002 In doing so it helps users locate these works and surveys the growth of this vast body of literature The volume cites more than 2 750 short stories novels novel excerpts and autobiographies written by some 600 Mexican American Puerto Rican Cuban American Dominican American and Nuyorican women authors These citations are grouped in five indexes an author title index title author index anthology index novel index and autobiography index Short annotations are provided for the anthologies novels and autobiographies Thus the user who knows the title of a work can discover the author the other works the author has written and the anthologies in which the author s shorter pieces have been reprinted along with information about particular works
